RELAX & UNWIND

Sleep better, stress less with Calm

In partnership with Calm, Novotel is happy to share curated content to help you sleep better and stress less.

1. Scan the QR code
2. Tap 'open' on the prompt to begin
3. Start relaxing with Calm Mini

The Calm Mini experience is a limited version of the Calm app and is not available to users who presently have the Calm app downloaded on their device. If you would like to use the Calm Mini, and are not a Calm Premium subscriber, you will need to uninstall the Calm app from your device. Then, you can scan the QR code again to access the Calm Mini experience. For Calm's full Terms of Service, please visit www.calm.com/terms
