

A lush garden scene with a large tree, a flowering bush, and a stone path leading to a building entrance. The scene is bathed in warm, golden light, suggesting late afternoon or early morning. A large, dark tree trunk is visible on the right, with its branches spreading across the top. A large, spiky-leafed tree dominates the center-left. A vibrant purple flowering bush is in the foreground on the left. A stone path leads from the bottom left towards a building entrance in the background. The entrance features a large, ornate wooden door. The overall atmosphere is serene and inviting.
