Milano Verticale | UNA Esperienze

WARMTH, PASSION, WELCOME, AUTHENTICITY

These are the core values of the brand,
which are the same ones offered to the guests.

Gruppo UNA is **the biggest authentically "Italian" hotel chain in Italy.**

Established in 2016, Gruppo UNA is the result of the merger of Atahotels and UNA Hotels & Resorts and its distinctive trait is its Italian style.

Gruppo UNA has more than **5,300 rooms** in **48 hotels, resorts and residences** across **13 Italian regions** and 22 destinations.

With **UNA Esperienze**, **UNAHOTELS** and **UNAWAY** the portfolio is presented with 3 brands that best represent three ways of experiencing hospitality. Gruppo UNA intends to consolidate its position as the leading Italian group and to increase the number of **managed and affiliated hotels** in prestigious urban areas and in the main tourist destinations.

ITALIAN HOSPITALITY IS UNA

Thanks to its history, its roots immersed in Italian territory and culture, and its authentic Italian soul, Gruppo UNA is virtuously connected to the Italian lifestyle, that **unique blend of passion, emotions, traditions, flavours, knowledge, spirit, ways of being and a desire for the very best** that has always set our country apart.

The brand has imported this rich heritage into the hospitality sector, making it its own heritage and embodying its uniqueness. Inside Gruppo UNA you will find a **world of warmth, joie de vivre and a taste for the beautiful and good things in life.**

Design, good food, art, culture, natural beauty, conviviality and elegance are the cornerstones of the Italian way of life that every guest can enjoy at **Gruppo UNA** hotels.

THREE WAYS OF EXPERIENCING HOSPITALITY

A strong heritage,
a new concept in hospitality.

Satisfying all guests for any moment or journey, whatever the desire or need is:
this is Gruppo UNA goal.

To achieve this, the portfolio is presented with the **3 brands** UNA Esperienze, UNAHOTELS and UNAWAY aimed at the 3 different segments: **upper-upscale**, **upscale** and **smart** respectively.

Three collections, dedicated to three hotel types with their own characteristics and personality,
to provide a bespoke service to a constantly changing clientele.

RESTAURANTS BY “UNA CUCINA”

An invitation to discover local flavors of Italy

With the aim of enhancing a unique gastronomic heritage, **Gruppo UNA has created the “UNA cucina” restaurant collection**, an innovative concept that invites guests to discover the distinctive local flavors through regional recipes and special initiatives.

As **“UNA cucina”** Gruppo UNA directly manages **26 in-house restaurants**, 18 of which are open to non-accommodated guests. 12 restaurants are also managed by the affiliated hotels, for a total of 38 venues.

Thanks to these numbers, “UNA cucina” results as **one of the main restaurant chains in Italy**, the first excluding pizzerias and fast food restaurants. From breakfast buffet to à la carte evening menus, you can enjoy the most iconic specialities from cities and local surroundings where each of the **UNA Esperienze, UNAHOTELS and UNAWAY** hotels constantly builds authentic and solid relations.

“UNA cucina” restaurants are well located in numerous destinations, from Piedmont to Sicily, from Campania to Lombardy, passing through Lazio and Tuscany. They provide inspirations which are often deeply different but able to form, together, an exceptional mosaic of colors, scents and local traditions. This is how a unique offer comes to life, **with an authentically Italian DNA** based on careful choices ranging from the selection of suppliers to the purchase of **raw materials**, up to **staff training** and **cooking techniques**.

A NEW BUSINESS FORMULA

A prestigious history in hospitality,
a clear future of growth.

The creation of Gruppo UNA tells a story in which hospitality and a focus on the guest have always been virtuous mainstays around which the business develops.

Gruppo UNA offers great potential for growth that derives from the distinguishing mark it was given when it was founded: a business model that separates property assets from hotel management.

The platform developed allows Gruppo UNA to operate on the market with different commercial and organizational formulas: **leasing, management and franchising**.

A GREAT ITALIAN COMPANY

The excellence of Italian entrepreneurship
and the merger of two corporate cultures.

Unipol Gruppo S.p.A. is the second insurance group on the Italian market, the first in Non-Life Business, and among the top ten in Europe. Its ordinary shares have been listed on the Italian Stock Exchange since 1990 and are included in the FTSE MIB index.

The history of Unipol Gruppo is inextricably linked to **Italian business pride**. Thanks to the largest network of agencies in Italy, today it has over 11,000 employees and serves about 17 million customers.

In the same way that Unipol Gruppo plays **a leading role in the insurance panorama**, Unipol Gruppo UNA too wants to be a **centre of excellence in the Italian hotel industry**.

It is **the merger of two similar business cultures** that put people and personalised services in the heart of a **virtuous synergy**.

VALUES

Conveying passion, with style to make the experience unforgettable.

Experience is the essence of Gruppo UNA; **memorable moments** that the brand wants to give its guests, characterised by positive energy and experiencing the most wonderful and sincere Italian way of life at its best.

Gruppo UNA is **warm, empathetic and genuine**, in the sense of unique and sincere. Its Italian surroundings are an integral part of it and its distinguishing feature is a real **joie de vivre**.

Its **passion** is the driving force behind all its activities and it is intrinsically linked to one of the aspects that Gruppo UNA is most proud of: its Italian-style human touch that is a fundamental component of the brand/customer relationship.

For some time now Gruppo UNA has been committed to **sustainability**, as can be seen in its exclusive use of certified energy from renewable sources, in its search for products from certified supply chains in its purchasing processes, and in the adoption of waste management policies aimed at minimising the impact on the environment.

Gruppo UNA activities are totally guided by the **Code of Ethics** it shares with Unipol Gruppo.

DEDICATED TO OUR GUESTS

Being leaders in Italian hospitality.
Creating memories.

Gruppo UNA aim is to be the first choice of all Italian and international tourists and travellers looking for **the best of Italian style in the hotellerie sector**.

Guests are the focus of the Gruppo UNA world: whatever the desire or need is, our hotels will be able to satisfy all our guests. Anyway, **focusing on guests' needs means much more than listening to their requests**; it means a **special aptitude**, a **way of being**, a **style of service** that Gruppo UNA reserves for all its guests.

The promise of perfect hospitality also depends on a **personalised service for guests** and on the experiences that can be enjoyed in a hotel.
