## UBUMWE WITH COMMUNITY

Ramadan is a holy month of worship, study of the Quran, prayer, and fasting. Ramadan occurs during the month in which Muslims believe the Quran began to be revealed to the Prophet Muhammad. It is a joyous celebration for Muslims. Fasting is one of the Five Pillars of Islam.

On the 21st of March 2023, Ubumwe Grande visited Ramiro Mosque and provided donations to the community. The same kind of visit was done on the 29th of March 2023 when Ubumwe Grande Hotel also visited the community at Rwamagama.

This is all part of the hotel's CSR program during the holy month of Ramadhan as they celebrate it with the Muslim brothers and sisters. It's a time of giving and appreciating the community.

## Sports Tournament

The Rwanda Association for the promotion of sports among the work force has been organizing tournaments between different companies in which Ubumwe Grande Hotel has been privy to participating.

Ubumwe Grande Hotel participated in three main matches and proceeded to the semi finals where they beat Bralirwa 2 goals to 1. The other matches were Equity Bank and Ubmwe Grande Hotel where Ubumwe beat them 3 to 0, and Bank of Kigali where the match was drawn 0-0.

This shows the great might of the hotel at excelling beyond service provision. The team spirit among the employees brings out nothing less than excellence. It is with great hope the team will excel in the finals and take the cup as an undisputed corporate winner when it comes to Sports.
