Grand Park Kodhipparu Launches Solar Power System to Commemorate Earth Day

MALDIVES – In commemoration of Earth Day on 22 April 2021, Grand Park Kodhipparu, Maldives, one of Park Hotel Group's flagship hotels, today announced the launch of its solar power system. The power system will harness the solar energy using its newly installed panels to produce an estimated 478,080 kWh of clean energy for the resort annually.
