SUSTAINABILITY

OUR ECO-VENTURE SO FAR

ECOSMART AGENCY

Eventurous premises in the heart of the midlands and is a haven for wildlife with a strong environmental focus.

Being in a rural area, the environment has always been priority for us. We are proud to have a team of mindful people who care.

Our initiatives go back as far as 2007 yet there's more to achieve. We recently teamed up with sustainability specialists Greengage to guide us through the next steps in our road map.

Our initiatives helped us achieve ECOsmart agency award, meaning we meet over 50% of the recommended Greengage sustainability measures.

REAL PEOPLE, REAL PASSION, REAL ACTION

- ✓ 12,000 trees planted, beehives and a wildflower meadow
- ✓ 500 solar panels and over 200,000kg of CO2 emissions saved
- ✓ We generate 88% of our own electricity per month
- ✓ No single use plastic on all events
- ✓ Zero to landfill waste management on site
- ✓ Event staff travel policy, reducing emissions
- ✓ Local suppliers used wherever possible

For more information visit our [sustainability page](#).

CARBON CALCULATOR SERVICE

WE HELP YOU TO HELP THE PLANET!

We work with sustainability specialists to supply event planners with a carbon calculator tool that allows your business to measure the carbon emissions of your event.

By calculating this, we can decide together what actions can be taken to reduce impact on the environment, even looking to offset emissions where possible through supporting worldwide sustainability causes.

MEASURE ANY ASPECT OF YOUR EVENT:

- ✓ Travel and Transport
- ✓ Accommodation
- ✓ Catering
- ✓ Venue
- ✓ Utilities
- ✓ Marketing and Promotion
