The annual Travvy Awards, presented by TravelPulse, part of Northstar Travel Group, recognizes the highest standards of excellence in the travel industry by honoring travel companies and destinations for their outstanding achievement with this prestigious award. Thousands of votes — cast by the travel professionals who sell the vast majority of these trips to tens of millions of consumers yearly — determined the very best in the travel industry. The selections by advisors reflect the suppliers and destinations they believe provide outstanding service to their clients

For La Colección Resorts, it's an honor to be named a Travvy Awards winner, as our win was determined by those who know us best: Travel Advisors.

READERS' CHOICE AWARDS
WINNER

Recommend's audience of Travel Advisors voted for their favorite destinations, hotels & resorts, tour operators, cruise lines, rail vacations, car rentals, and airlines to determine the winners in each category.

Many of them selected by Recommend's readers are long-standing Readers' Choice Awards recipients in their respective categories, which is the case of La Coleccion Resorts, awarded in 2021 as Silver Destination Weddings/Honeymoon.

2022 TRAVEL WEEKLY'S READERS' CHOICE AWARDS

The awards represent what Travel Weekly's audience of travel advisors considers the best of the best in more than 80 categories of travel.

An open ballot phase of the voting was conducted, and readers were invited to write in the names of any company they believed best exemplified a particular category. The leading vote recipients were identified as finalists, and a second round of voting on those names took place in the fall.

La Colección Resorts is honored to have been nominated for the following categories:

5 DIAMOND AWARD BY THE ASSOCIATION OF BRIDAL CONSULTANTS

LIVE AQUA BEACH RESORT CANCUN

Live Aqua Beach Resort Cancun is the first hotel in Latin America to earn the internationally acclaimed, five-diamond award by the Association of Bridal Consultants for its excellent services and exceptional wedding offering. The ideally located beachside property offers luxury, exclusivity, and personalized service not only for the couple but for their guests.

Hotels accredited with the Association of Bridal Consultant's five-diamond certifications are benchmarks in the wedding and romance industries for being the best hotels for weddings celebrations. In order to receive this esteemed award, a hotel must offer a special rate for the couples' inspection visits, a complimentary night for wedding planner on the night of the wedding and on any other night of the year, count on a wedding showroom, and more. Live Aqua Beach Resort Cancun exceeds these requirements with their main program "Choose Your Venue in Person," where couples are invited to stay at the property and live its experiences including a tour of the facilities, a menu tasting, makeup and hairstyle trial, as well as meetings with vendors and with the couple's wedding specialist. To go the extra mile, the program also includes two complimentary nights for confirmed weddings of 30 guests or more, to be used for a second visit or arrive a few days prior to the wedding.
