BANQUETS, CORPORATE EVENTS, WEDDINGS

The right setting for every celebration

BANQUETING ROOMS

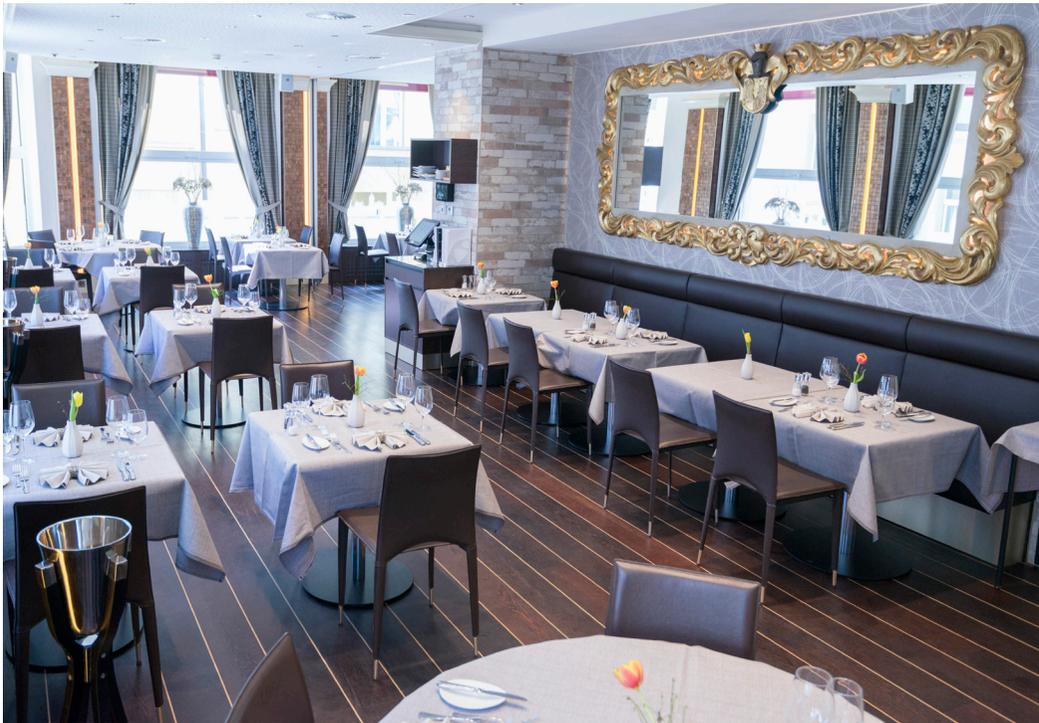

The festive atmosphere for your event

Our banqueting rooms and restaurants provide a stylish setting for your celebration. We provide rooms in a range of sizes, some of which can be joined together or divided so that they are tailored perfectly to the number of guests. Layout, decoration and colours can be customised according to your wishes.

For large events, for example, the three large banqueting rooms on the first floor can be joined together to create an impressive hall for up to 160 people. The architecture of these rooms with elegant parquet flooring and a walnut ceiling from the 1930^s emphasises the festive atmosphere.

For smaller festivities, such as drinks receptions or family celebrations, you may also reserve the “differente più” restaurant, whose size – with its two areas – can also be customised. You can also reserve the “differente” vintage guest room.

The culinary setting will be completely tailored to your wishes. From snacks for the standing drinks receptions to a celebration menu of several courses, everything is possible. Our cuisine has a seasonal and regional character. We make a lot of things ourselves and pay attention to sustainability. High quality is essential, even for those of us serving food. Our staff, who are also trained in the expert serving skills such as flambé and filleting at the table, know how to spoil our guests.

SELECTION

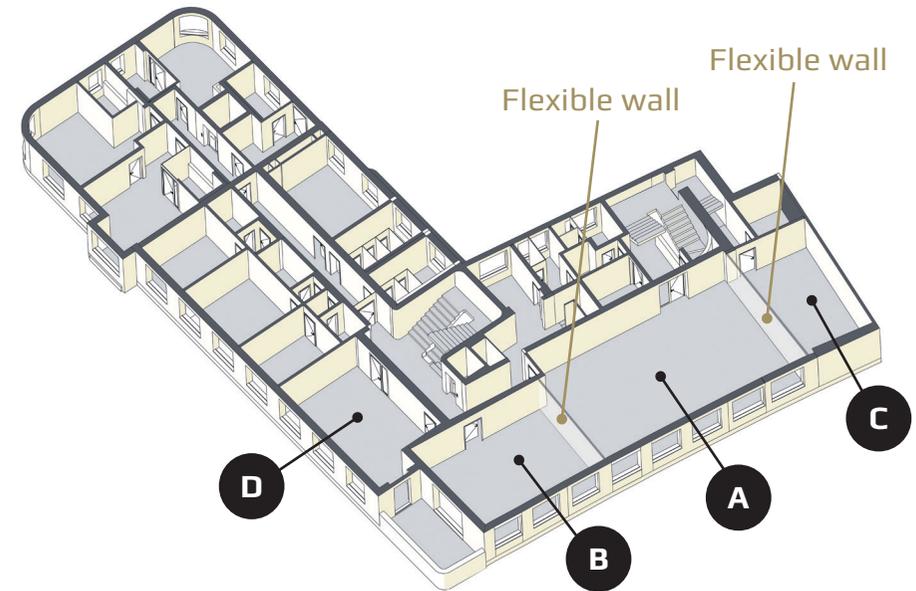

The right room for your guests

The three banqueting rooms A, B and C on the first floor can be reserved individually or in a combination. The capacity of the hall is dependent on the type of seating. The layout options can be taken from the overview table on the following page.

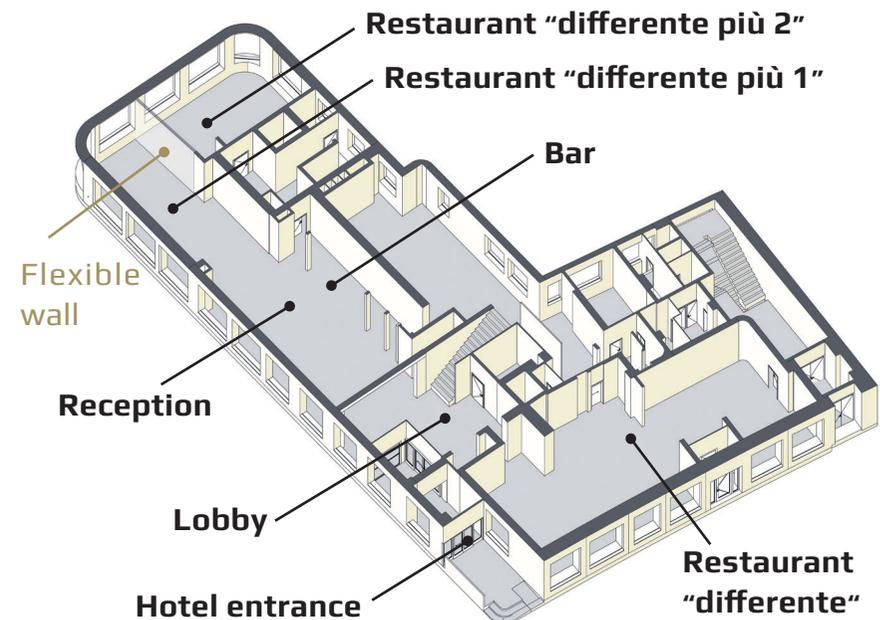

Room D on the first floor is perfectly suited to smaller events such as business drinks receptions or family celebrations.

The “differente più” restaurant in the new section provides a smart, modern setting to celebrate a success or host a celebration. For those who prefer a more rustic feel, they can reserve the vintage “differente” restaurant. We make everything possible.
