LUNAR EMISSARY

MOONCAKE COLLECTION 2026

As the full moon rises in luminous splendor, the night seems to resonate with an exquisite serenade – where moonlight becomes a tender melody, drifting across the vast autumn sky and calling hearts together in a moment of reunion. Bathed in the ethereal white glow of the harvest moon, the white canary descends like an emissary, bearing blessings of harmony, fulfillment, and heartfelt wishes for a Mid-Autumn season rich with warmth, grace, and togetherness.

Inspired by the pure, delicate beauty of the white canary beneath the autumn moon, Park Hyatt Saigon proudly presents the Lunar Emissary Mooncake Collection – a poetic tribute to reunion, serenity, and cherished memories shared with those we hold dear this Mid-Autumn Festival.
