SERGIO'S SUITE

CAPACITY OF UP TO 14 GUESTS (SEATED)

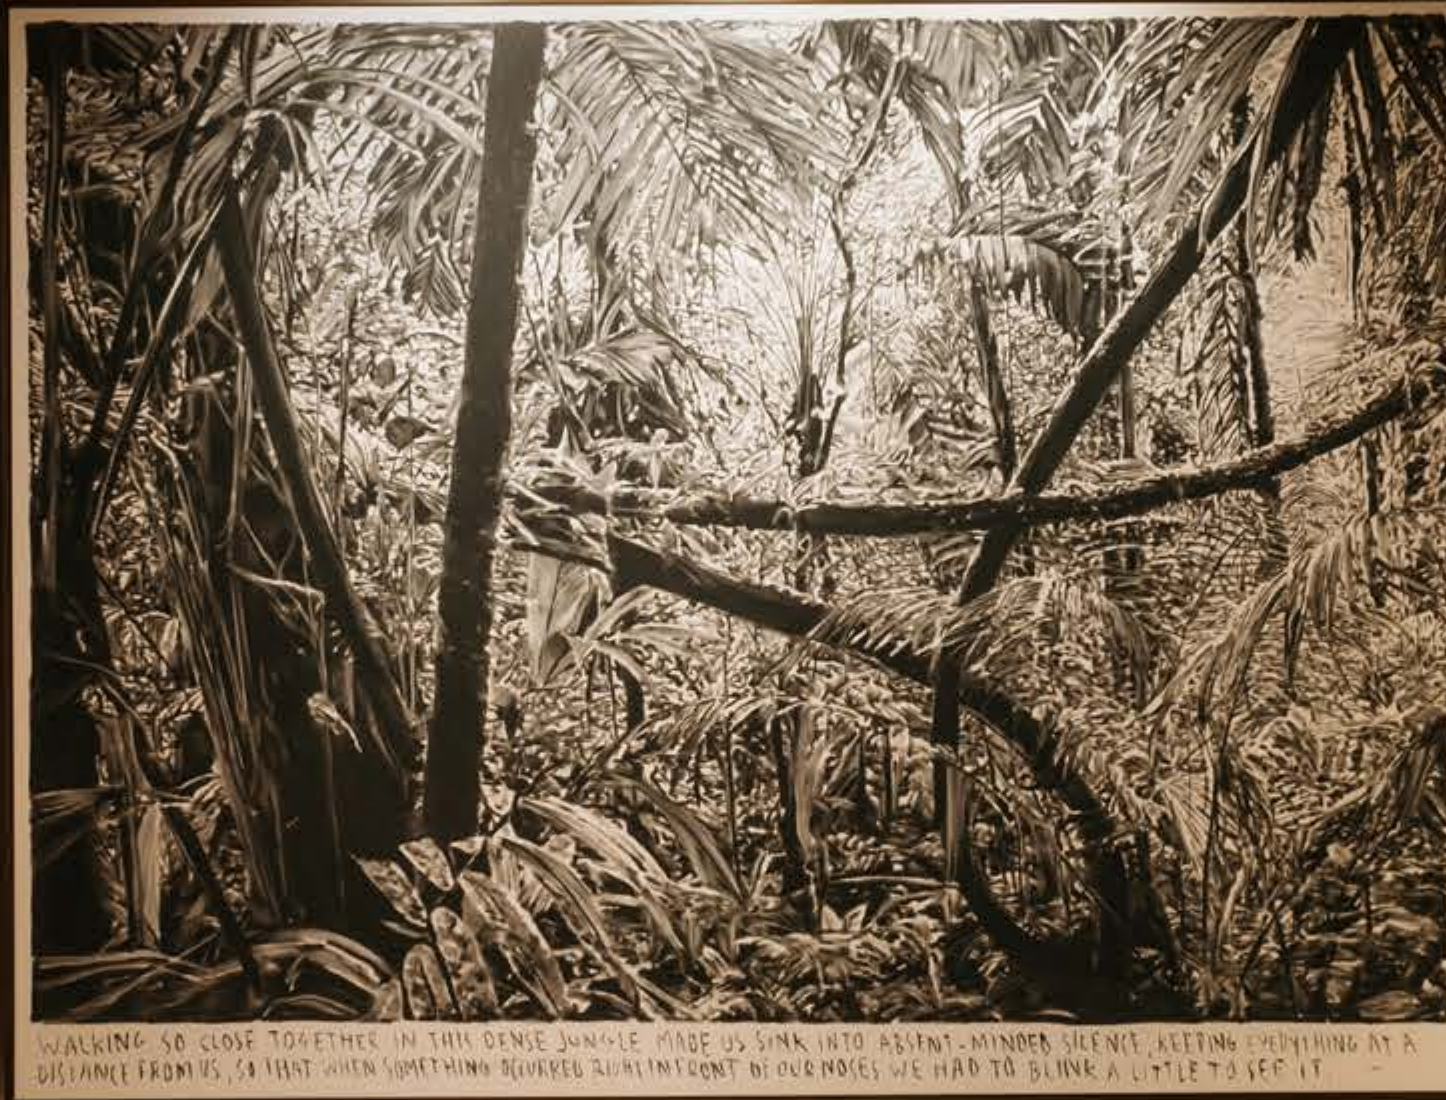

The inspiration for this mesmerising room comes from the man himself, Sergio Herman. A brand of its own, the suite embodies his timeless sense of class and is the largest, most luxurious of all private dining rooms at Le Pristine Singapore.

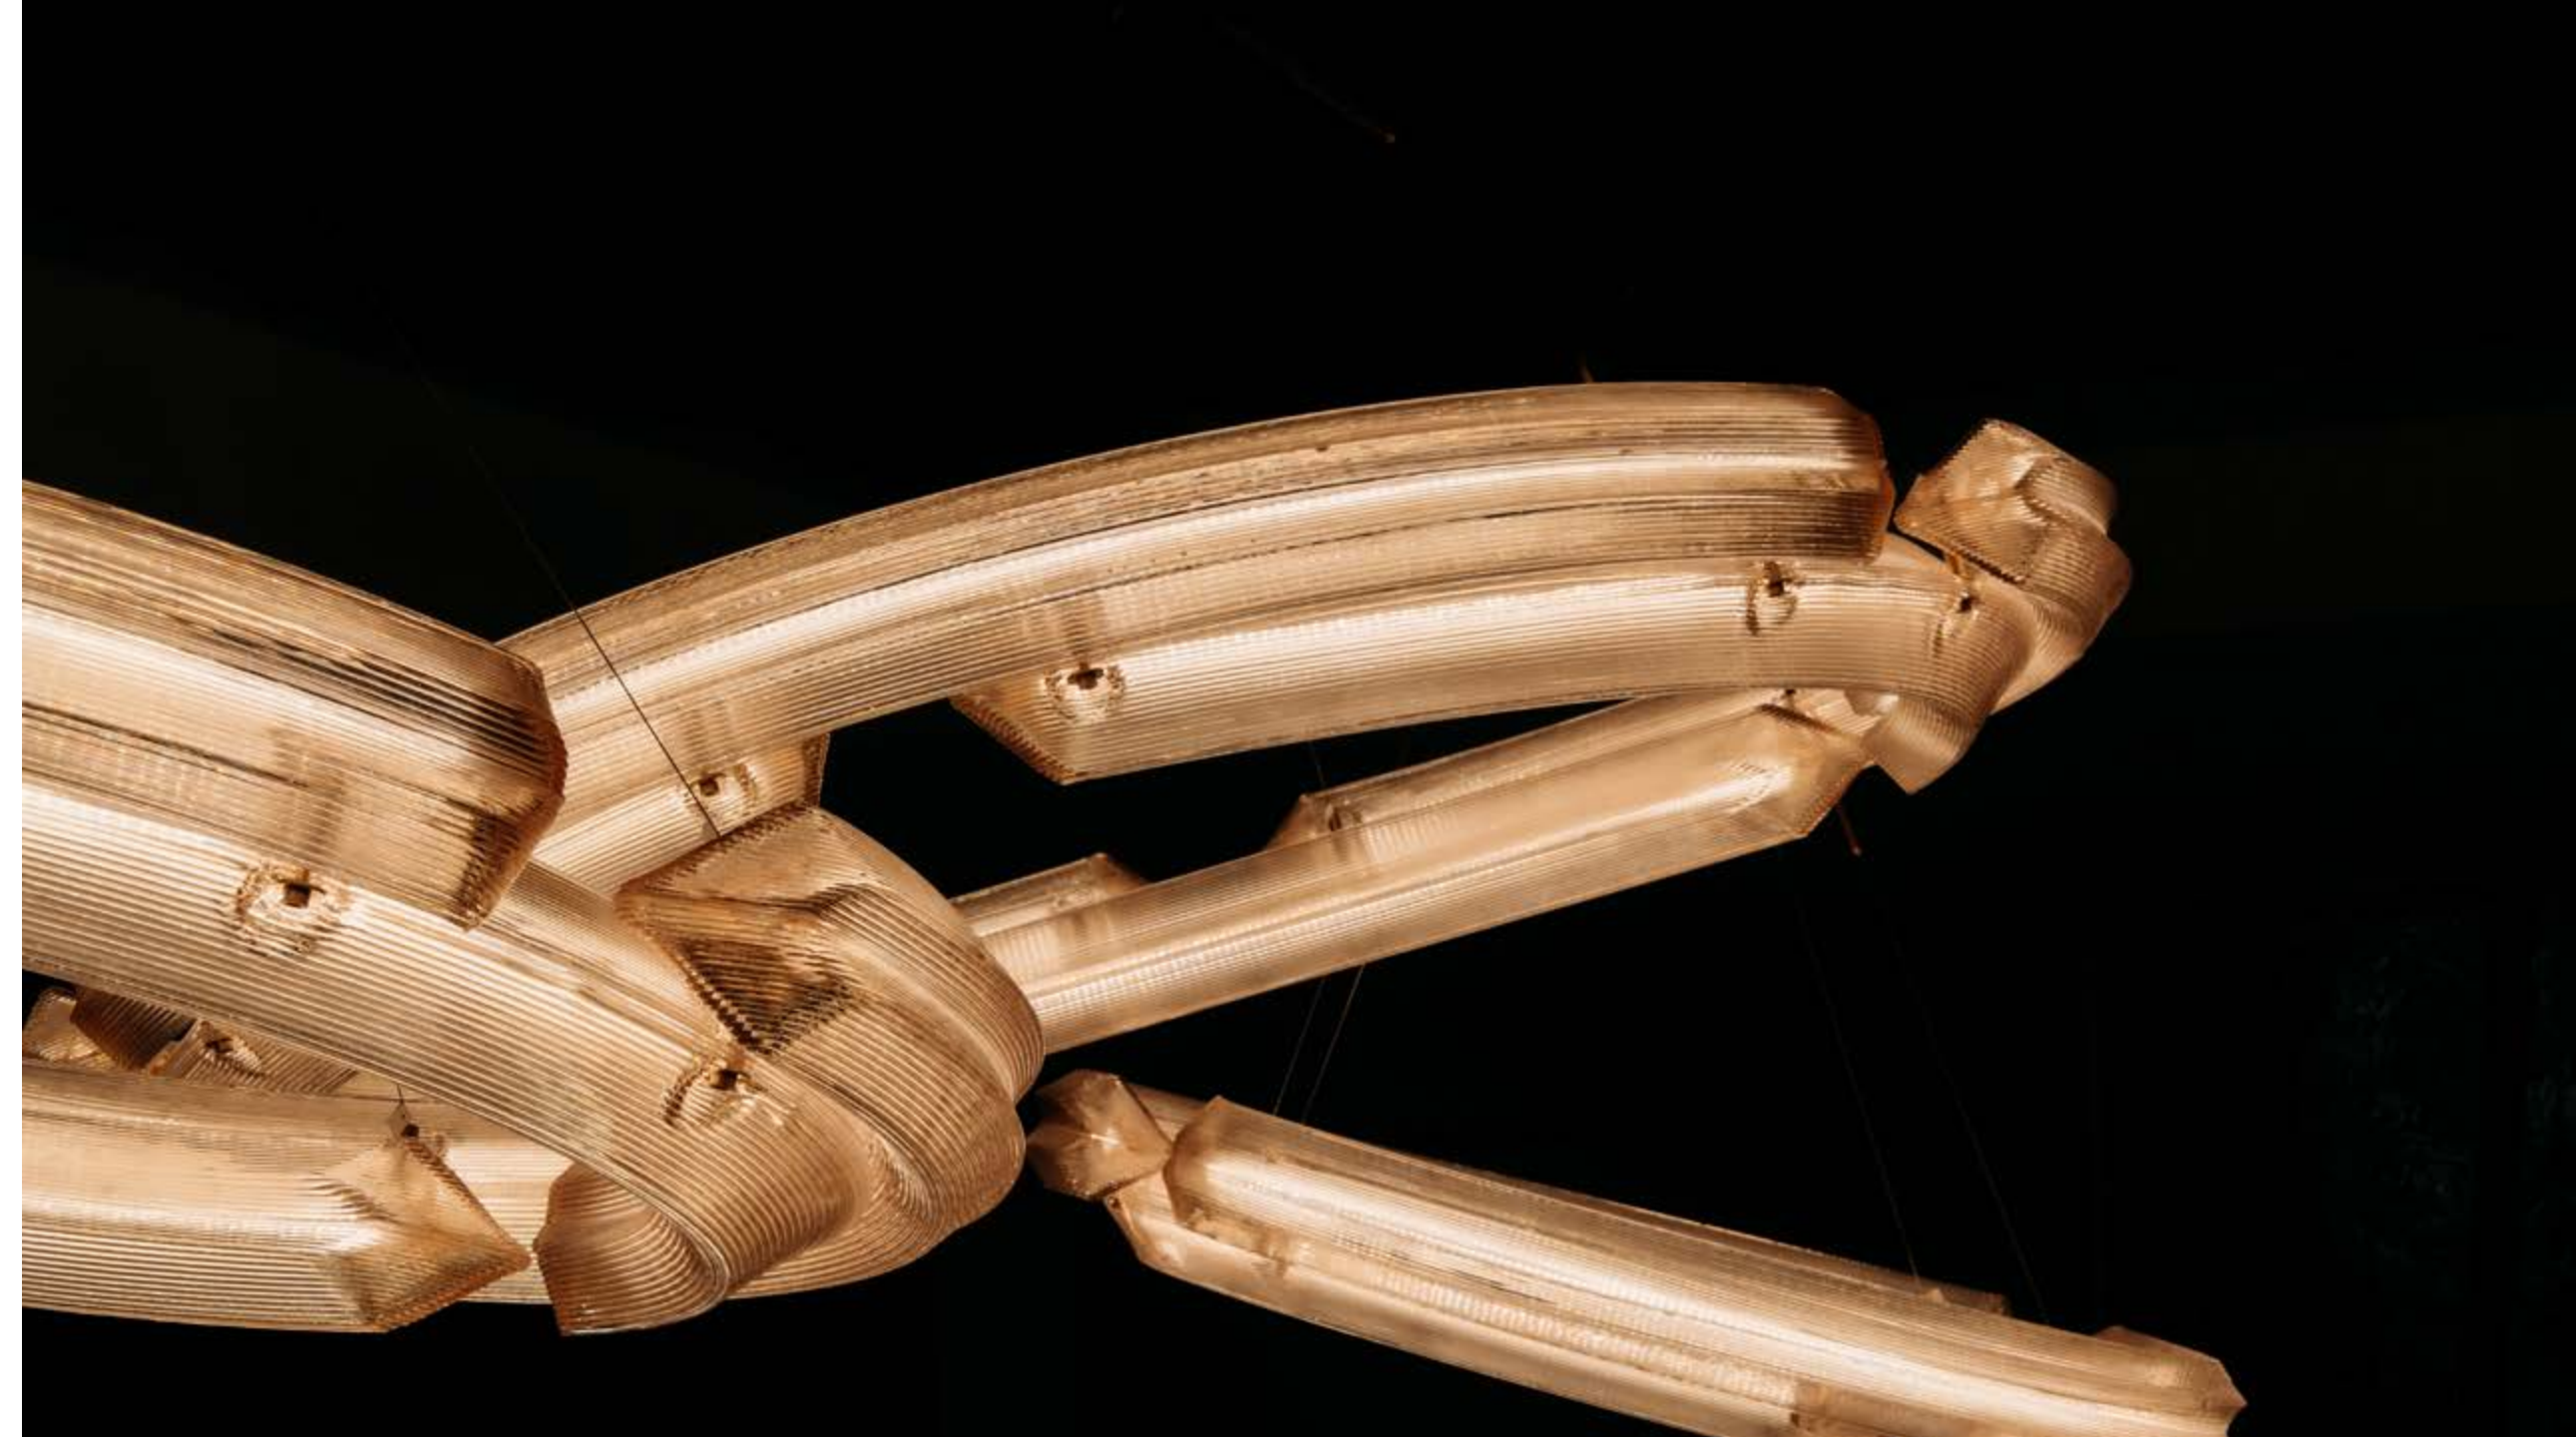

Every detail reflects Sergio's personal favourites, from the furnishings to the atmosphere, creating a space that feels both intimate and iconic. Complete with a Marrone kitchen and a grand table for 12 guests, Sergio's Suite offers the rare privilege of dining in a chef's private world.

At the back of Sergio's Suite lies an intimate aperitif space. Anchoring the room is a vintage Mario Bellini sofa upholstered in his favourite shade of green, set before the striking Inhale Table by Belgian designer Ben Storms.

Guests are immersed in artistry, facing a bespoke piece by Rinus Van de Velde that evokes Singapore's lush greenery. Above the dining table, dramatic circular lighting installations crafted from recycled chocolate molds by Dutch artist Dirk van der Kooij cast a warm golden glow, transforming the space into a setting where design, lifestyle, and culinary excellence converge.

LA FÊTE

CAPACITY UP TO 10 GUESTS (SEATED)

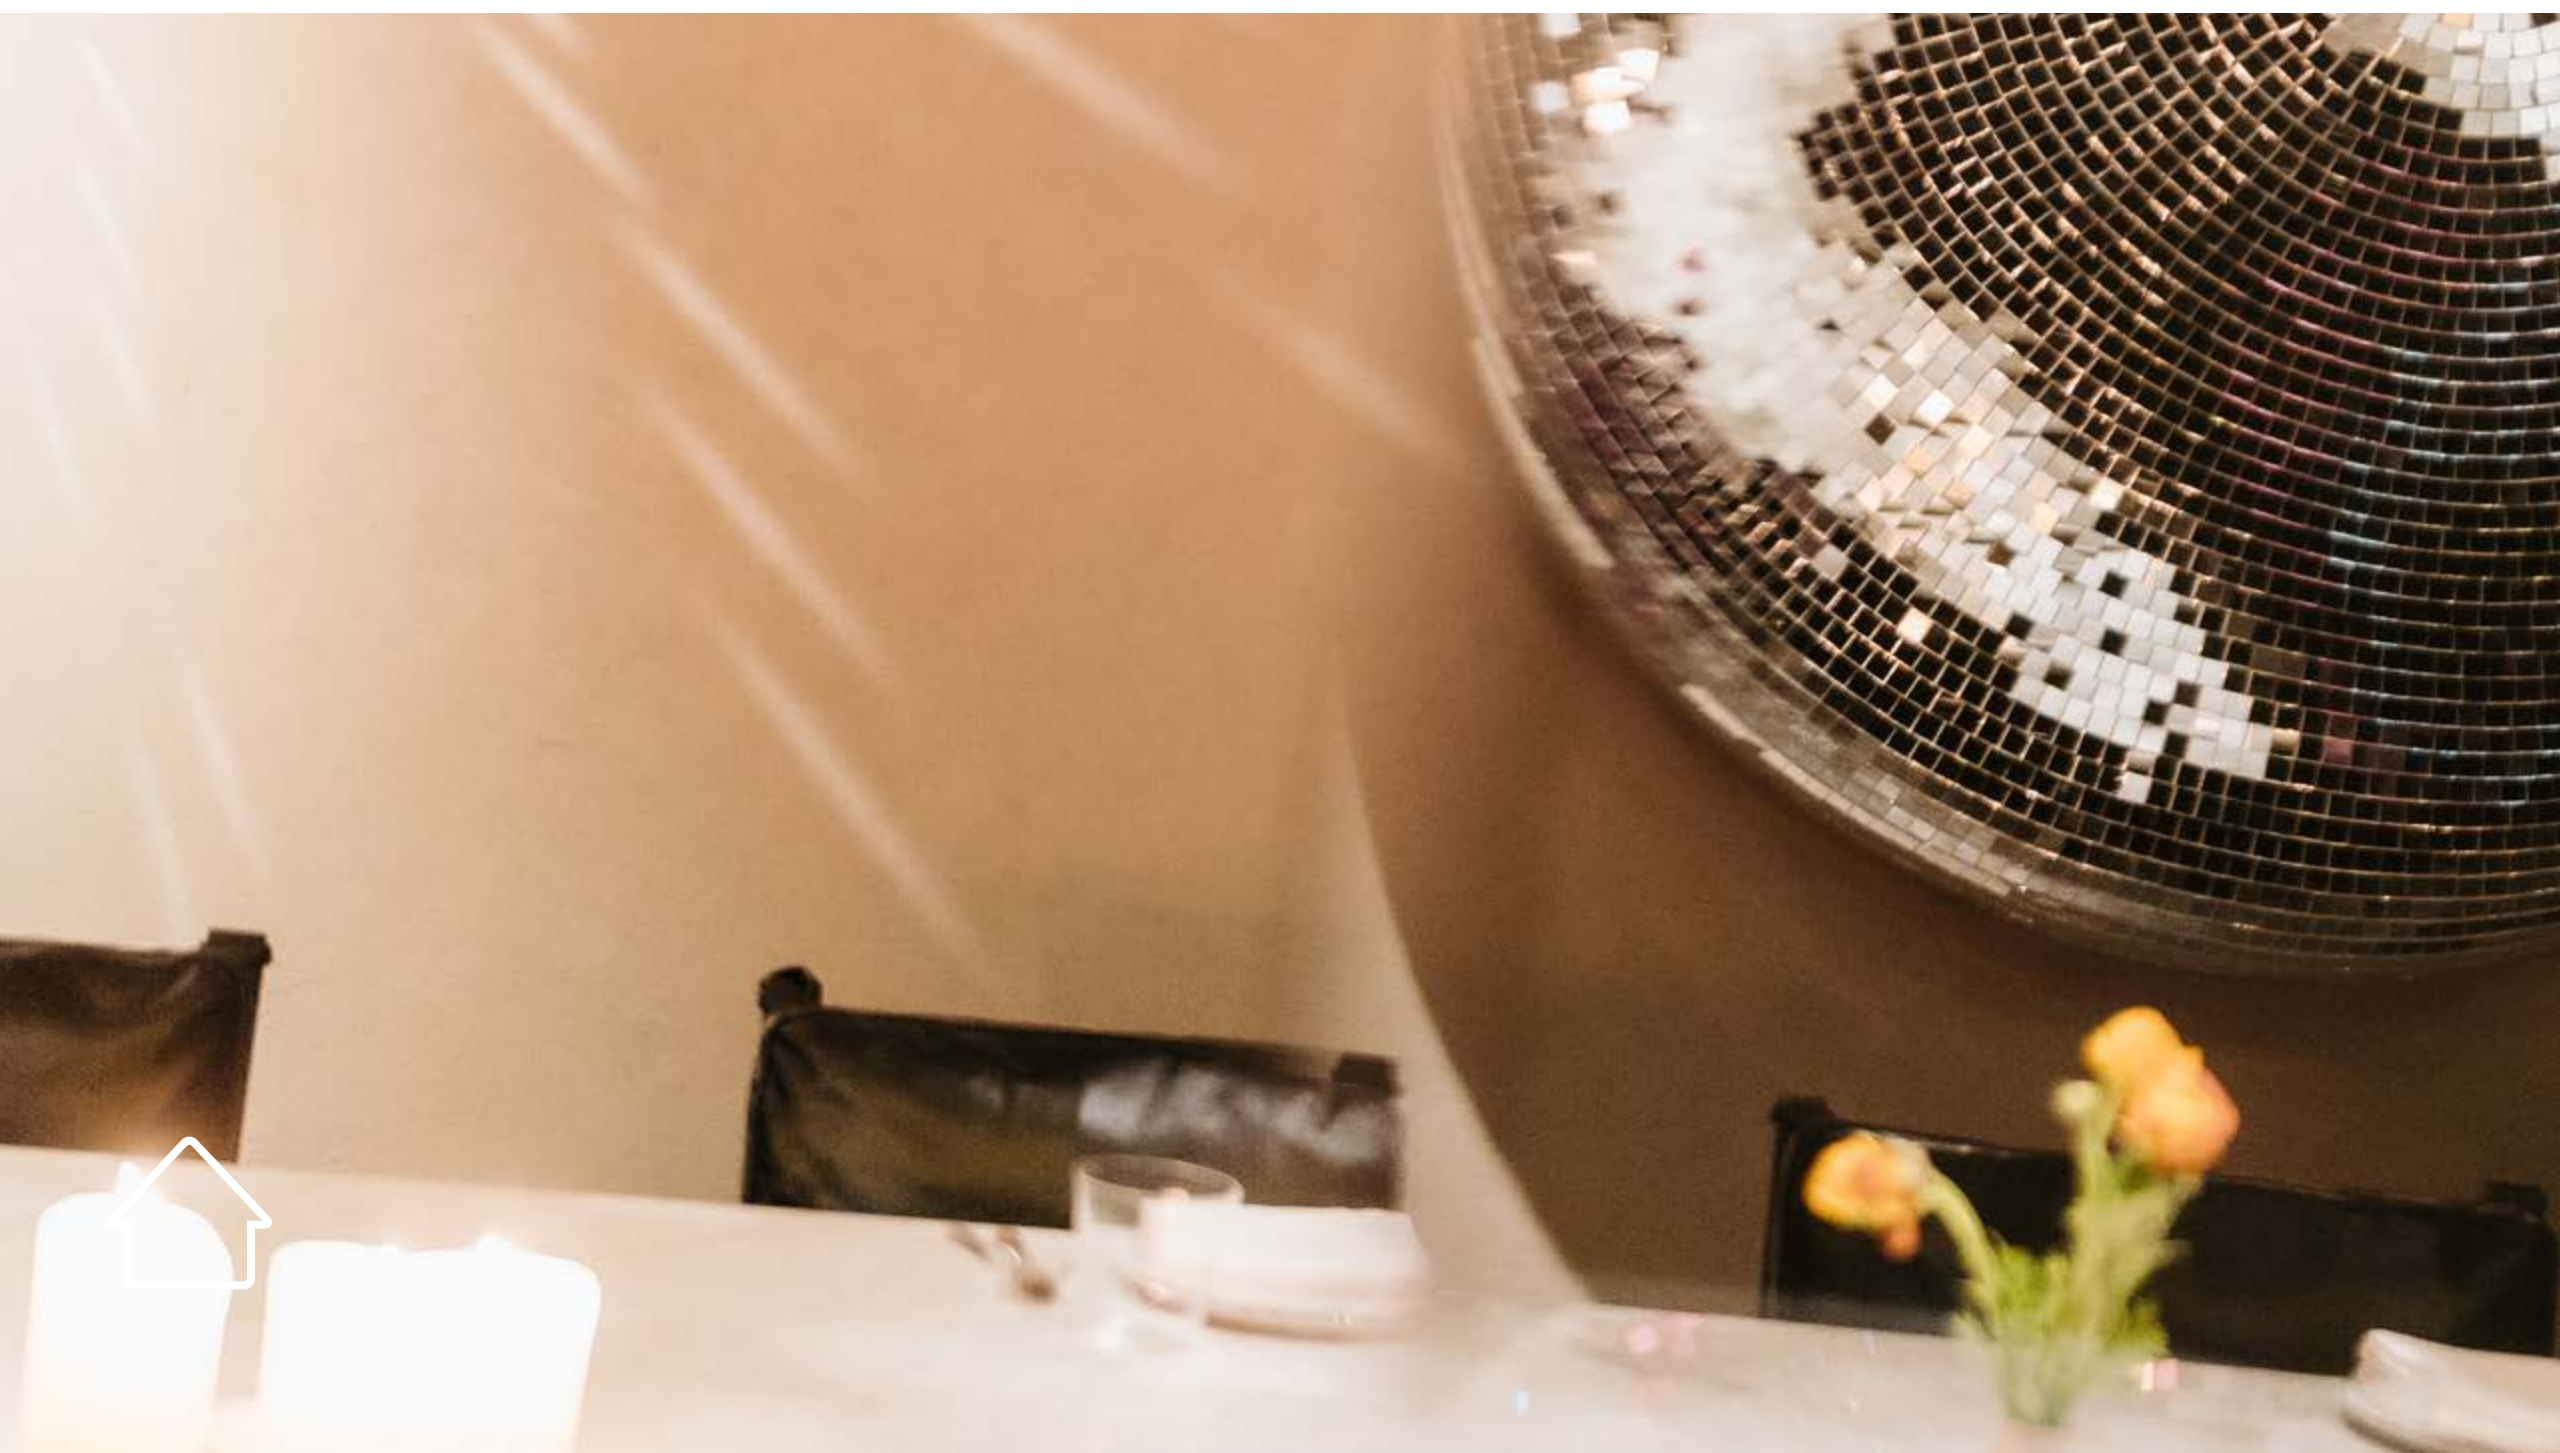

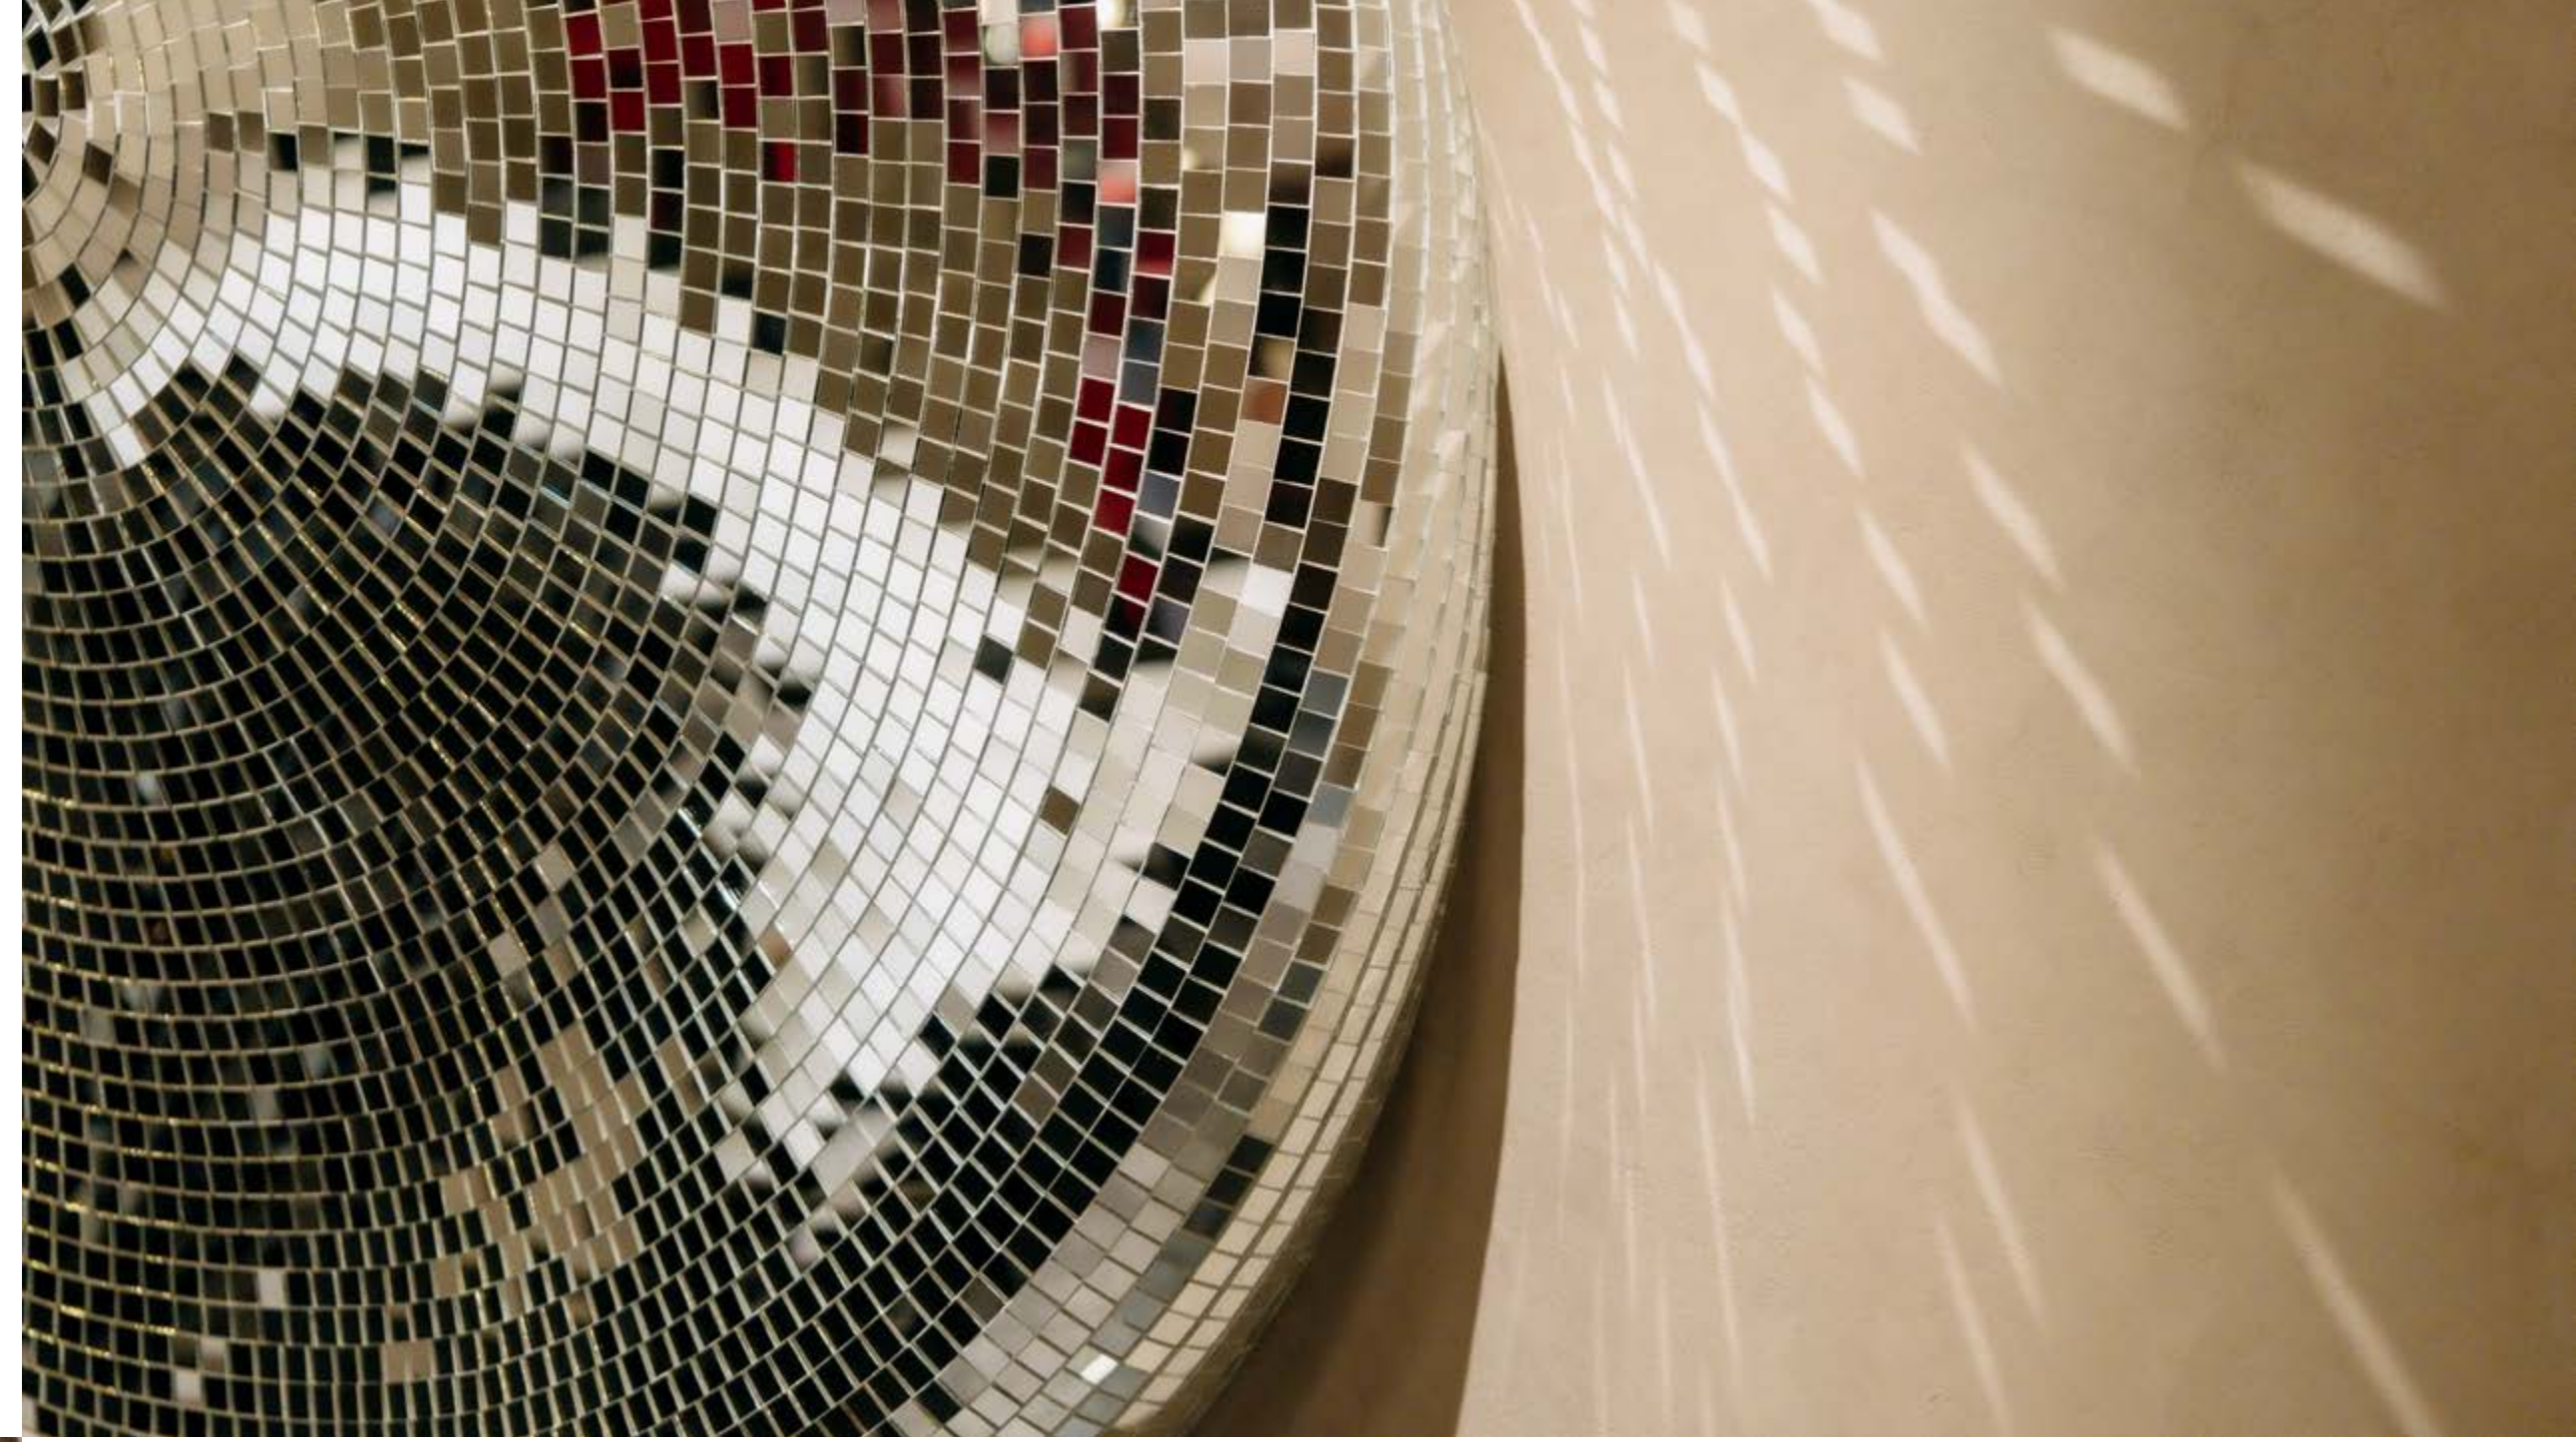

Let's bring on the smiles!

This private dining room takes its name from the La Fête artwork by Rotganzen, a signature piece that graces the walls of every Le Pristine around the world. Here in Singapore, the largest installation of its kind lights up the space, creating a joyful centerpiece for up to 10 guests.

A giant conversation piece, the artwork embodies the festive spirit so distinct to the Le Pristine brand. Whether you are sharing an intimate meal with friends and family or hosting a brainstorming session with partners, the La Fête room offers a vibrant setting for memorable celebrations.

The room also features a television, thoughtfully included to enhance your private dining experience.

LE PETIT PRISTINE

CAPACITY UP TO 8 GUESTS (SEATED)

This 6 to 8 cover private dining room is designed for intimate dinners, private conversations, and exclusive culinary experiences with a personal touch.

Cosy yet refined, Le Petit Pristine offers a discreet hideaway where guests can enjoy the very best of Le Pristine Singapore in complete privacy, free from distraction.

LE PRISTINE BAR

CAPACITY UP TO 12 GUESTS (SEATED)

Beyond the Grand Staircase, Le Pristine Bar reveals itself as a glowing intimate space for private events. The bold red-lit counter and warm ambience invite guests to linger over signature cocktails and a curated wine list, turning every gathering into a crimson celebration.
