

SANCTUM 2026

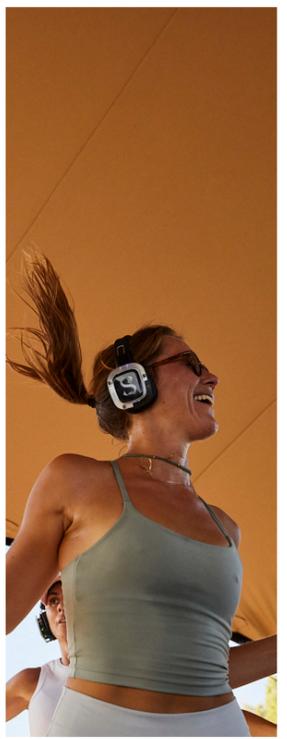

A long-term partnership rooted in community and real, visible change.

Sanctum returns with a year-round programme of music-led movement sessions held on the Yoga Deck at Finca Ana María, an incomparable setting framed by the Mediterranean Sea and La Concha mountain.

Blending ritual, Kundalini yoga, qigong, quantum energy work, breathwork and high-intensity training, each session builds strength, clarity and connection in a powerful communal format.

Sanctum is where physical power meets spiritual depth and leads you forward.
