# U SATHORN BANGKOK

U Sathorn Bangkok is located in a peaceful part of the capital, where natural beauty sits alongside the hustle and bustle of this busy and exciting Bangkok district. The overall design of this urban resort was conceived in a French Colonial style with a contemporary twist. The design breaks down the barriers between the inside and outside and between interior design and landscaped architecture, which reduces the buildings to a series of delightfully conceived spaces separated by natural features.

As our guests, you can be a part of this programme. U Sathorn Bangkok will contribute USD 1 for every night a guest stays at our resort.
