PEST CONTROL EXERCISE, 7 AND 8 SEPTEMBER 2026

Our appointed pest control contractor will be carrying out the monthly pest control treatment in the guestrooms and corridor areas on **7 and 8 September 2026, between 9 am and 5 pm daily.**

We would like to assure you that the chemicals used are safe, designed for effective pest control, and have been approved for use by the local authority, the Singapore National Environment Agency, and will not cause any adverse health problems.

ISLAND-WIDE SOUNDING OF PUBLIC WARNING SYSTEM , 15 SEPTEMBER 2026

In line with the Singapore Civil Defence Force's (SCDF) continuous efforts to familiarise the public with the different types of Public Warning System (PWS) sirens, the SCDF will be conducting an annual island-wide sounding of the signal on **Tuesday, 15 September 2026, at 6.20 pm.**

The signal will also sound on all smartphones that have the SGSecure mobile app downloaded and are not in silent or vibration mode. The signal will stop once the message is acknowledged or ceases after 20 seconds. This will be followed by a brief text on the PWS sounding.

Please do not be alarmed by the minute-long sounding exercise. Your participation is not required

GO GREEN INITIATIVES

EXCESSIVE NOISE AND PARTIES

To ensure maximum comfort and safety for all guests, the hotel upholds a zero-tolerance policy toward commotion, excessive noise, and parties.

The permissible group size in the room shall not exceed the maximum occupant capacity of the respective room type as per the hotel's policies.

Any guest found to be creating excessive noise, exceeding the maximum occupancy, or hosting a party will be asked to leave the hotel immediately without a refund.

IN-ROOM SMART FILTERED WATER DISPENSER

As part of our Go-Green journey and plastic-free journey, we no longer offer single-use plastic bottles. Guests are encouraged to use the in-room smart filtered water dispenser.

Equipped with a Nano filter, this dispenser not only effectively removes impurities and softens hard water, making it safe and healthy for drinking, the filtered water also helps to improve the taste of beverages.
