WELCOME

Welcome to UniLodge Melbourne Flagstaff

On the lands of Wurundjeri Woi Wurrung people, of the Kulin Nations, and whose elder's past, present, and emerging we acknowledge.

We trust that your stay here will be both enjoyable and productive. We understand that you are here not just to study, but also to enjoy yourself and be at ease. We hope to alleviate some of the pressures you will face, through our Residential Life Program, which includes a variety of social events, life skills and links to the University's extensive student services.

The Resident Handbook is designed to enhance everyone's understanding of the building and to understand your obligations in observing the "House Rules" in relation to the Residential Tenancy Agreement. The aim is that through a better understanding, all residents can enjoy their stay.

Most of the issues in this Resident Handbook are based on common sense and outlined during the initial sign-up process, and subsequent orientation. The regulations are designed for your comfort, safety, security, and wellbeing.

We hope you find this guide useful in answering any questions you may have - but should you still have any queries, please feel free to ask – we are here to help!

UniLodge management is committed to developing an atmosphere and environment that provides students with the support you need, and the best possible opportunities to maximise your potential to achieve success and an all-round student experience.

A very warm welcome to UniLodge Melbourne Flagstaff!

The UniLodge Melbourne Flagstaff Team

Enjoy your stay!

ARRIVAL AND SETTLING IN

This handbook contains the 'Rules of Tenancy' which forms an addendum to your 'Residential Tenancy Agreement.' You must read these documents and, once understood, sign the acknowledgment form issued to you, as agreement to abide by the building rules and contract obligations. You are also entitled to a copy of the signed Residential Tenancy Agreement.

The items you will receive upon check in are:

- A security swipe card
- An electronic copy of the Entry Condition Report for your room

Most students arriving from overseas experience a certain amount of 'culture shock.'

The people, the weather, the food, and the buildings may be new, and it may take a little time to get used to the new surroundings.

Many new students, including Australian students, are living away from their family and friends for the first time. So, we encourage you to become involved in our Residential Life Events, where you can make new friends and begin to feel more 'at home.'

If you are having difficulty settling in, our staff are here to help you! We also have many students from different countries that are going through the same experiences as you. Please see us - if only for a chat! UniLodge wants your stay to be a happy and prosperous one.

Issues outside of office hours? Please contact our
Residential Advisor – a student and resident just like you,
who is on duty when the office is closed – on
0466 165 248.

INDUCTION PROGRAM

To introduce you to our building, we run an induction program that tells you more about who we are, what we do, and how you can make the most of your time here.

All residents are required to complete this induction program within three days of moving in – but in good news, most of it can be completed before you even arrive, which will mean you will be ready to fully embrace your new home as soon as you arrive.

The first part of our induction program is a set of online modules. These modules will only take a few minutes to do for each module, and each is followed by a short quiz.

All residents are required to complete these modules within three days of moving in – but as they contain handy information like video tours of the building and hints for getting around Melbourne, we recommend you complete them before you even arrive. You never know, it might just help you adjust what you pack to bring with you!

How to complete the modules:

- Go to <https://unilodge.adesaaustralia.com/>
- Register, selecting **Melbourne Flagstaff** as the organisation username, and using the password **UniLodge**.
- Complete all modules.

The second part of our induction program is after you arrive. During intake periods, we run one to two Welcome Evenings a week, where you will get to meet an RA, learn more about your new home, go on a tour, and share a meal with your fellow residents. This is the best way to start to meet your neighbours, so make sure you get along to the first sessions that you are available for when you arrive!

Outside of our main intake periods, our reception team will advise you on how to arrange to meet with a Residential Advisor for a personalised tour around the building and induction session.

LOOKING AFTER YOUR ROOM

Floors

You can borrow a vacuum cleaner from Reception to vacuum your floors. We recommend you vacuum at least once a fortnight. Vacuums are available from reception from 8.00 am – 5.30pm. You can borrow the vacuum for 30 minutes at a time. Penalties apply for late returns.

Departure Cleaning

Your room has been professionally cleaned and fitted with a new mattress protector prior to your arrival. As a condition of your lease, you must leave your premises in the same condition as when you entered them. To take some of the stress out of your exit process, UniLodge has been able to negotiate volume rates with a bond cleaning company that delivers a service that we believe is of an extremely high standard which meets our expectations.

Please do not remove from your room any item or equipment that has been provided by UniLodge.

Ensuite bathrooms

Keep the grout and silicone clear of mould and stains through regular (we recommend weekly) cleaning using water, a cloth, and a shower cleaner or natural alternative.

Heating / Cooling

Heating and cooling in your room is managed via a split system. It comes with a remote control. If you are having issues with its operation, please file a maintenance report via Residential Portal.

Cleaning

A wipe over with a clean, soft damp cloth should be enough to keep all Laminex surfaces clean. Soiled surfaces or light stains are best removed with warm soapy water or with a common detergent, such as Mr. Muscle, Nifty Solvent, or bathroom cleaner. Wax or other polishes are unnecessary and should not be used.

Scratches and Cuts

Chopping and cutting directly onto the surface can damage Laminex surfaces. To prevent this from happening, use a cutting or chopping board. Sliding heavy objects can cause scuffing of the surface. Residents will be charged for replacement of the surface if severe cuts and scratches occur. Residents are asked not to remove from their apartment/room any item or equipment that has been provided by UniLodge.

Microwave Oven

Your apartment/room is provided with a microwave oven located in the kitchen. The microwave is connected to a 240V single-phase electric power supply.

Refrigerator

Your apartment/room is provided with an electric refrigerator connected to a 240-volt electric power supply. On arrival check that the fridge is plugged in and switched on, you may need to adjust the cooling setting within the refrigerator. To be effective the refrigerator should be constantly left on. If you are living in a multi share apartment, please be mindful of your roommates and only use your allocated space.

Roller Blinds

You will find a chain on the side of the window. Pull the chain gently and smoothly from directly underneath to either raise or lower your window blinds. Should you pull the chain off, it will be at your cost to have it re-attached.

Smoke Detector

Your apartment/room has been installed with a smoke alarm. They are located on the ceiling in the living/bedroom areas. Each one is connected to a 240V power supply via your apartment/room switchboard. **If you attempt to tamper, cover, or remove your smoke alarm you may be fined more than \$3,000 by Fire Rescue Victoria.**

Stains – Removing Stains

DO NOT use any powders or abrasive liquid cleaners. A light application of METHYLATED SPIRITS or cleaning liquid that does not contain solvents can be used.

Tiled Surfaces

Do NOT clean the tiles with ACID or with any abrasive materials.

Do NOT place potted plants directly onto tiled surfaces – remove any residue immediately before staining occurs. Use specifically designed tile-cleaning detergents only.

Hanging items on walls

Please be careful of what you stick onto the walls. The walls could become damaged or chipped if care is not taken, and a charge will apply if this does occur. You can buy special hooks from Supermarkets or Hardware Stores, which are designed not to damage the walls once removed; however, there is no guarantee that damage will not occur. These are 3M Brand adhesive/removable hooks. Please ensure you remove these hooks at the end of your tenancy. Any damage caused because of removing these hooks will be your responsibility and repair will be at your cost. No sticky tape is to be used. No blue tac is to be used as it can damage the walls.

Hard floors (ensuite rooms only)

Use a light floor detergent mixed with water. Make sure the flooring is dry to avoid slipping when you walk across it.

Hard surfaces (desks, cupboards etc.)

A wipe over with a clean, soft damp cloth should be sufficient to keep all Laminex surfaces clean. Soiled surfaces or light stains are best removed with warm soapy water or with a common detergent, such as Mr. Muscle, Nifty Solvent, or bathroom cleaner. Wax or other polishes are unnecessary and should not be used.

Mattress

Please ensure that you use the provided mattress protector on your bed between the mattress and your sheets to prevent stains or damage to your mattress. Any stains on your mattress protectors will be your responsibility and steam cleaning will be at your cost.

Windows and mirrors

Clean your windows and mirrors with a soft, lint-free cloth and water, white vinegar, or a window cleaner – please do not use abrasive cleaners, scouring pads or anything else that's abrasive on glass. Scouring pads or other harsh materials must not be used to clean windows or other glass products.

Apartment/room Repairs

A UniLodge facilities manager is there to repair any damages or problems that occur on the premises. The resident is liable for any damages or loss caused by negligence or misuse and will be charged for labor and any associated costs. For any damage caused, UniLodge Melbourne Flagstaff will utilise the facilities manager for quality of work, legislative compliance, and site inductions. If the resident sources a suitable tradesperson, it must meet the requirements stated above.

YOUR SHOP

UniLodge residents do not have to worry about bringing sheets, pillows, pots or pans, and electrical appliances with them. Our online shop, called “Your Shop,” is a fabulous way to ensure that everything you need is sitting ready and waiting when you arrive. Items are available for purchase throughout your stay with us at Melbourne Flagstaff.

Here is what one of our current residents had to say about Your Shop:

“I am satisfied with my product. It was particularly substantial value for money & having everything already in my room when I moved in was a great relief.”

– Tom, UniLodge Resident

Please note that it will take up to ten business days for your order to arrive. Please take this into account when placing your order.

BE SUSTAINABLE

We are trying to ensure life at Melbourne Flagstaff is as environmentally friendly and sustainable as possible, which is why we have a range of energy and water saving initiatives in the building, as well as aim to keep as much waste out of landfill as possible.

But to do this we need your help! Some things that you can do to help us include:

- Keep your showers short – use a timer to keep your shower length to four minutes.
- Say 'no' to single use plastic – have a set of re-usable bags for your shopping, and keep a set of reusable cutlery, straws, and a reusable coffee cup in your bag for takeaway. You can even get reusable takeaway containers that flatten down and you can get your takeaway food put into it!
- Got some clothes or homewares you no longer need, but are too good to throw out? Take them to the laundry and put them in our charity donations bins – they will go to Diabetes Victoria, who will sell them in their charity shops and put the profit to good use.

GETTING HELP

We promote a culture of mutual respect, inclusion, and celebration of diversity. We aim to provide opportunities for the building of intercultural understanding and friendship. This means everyone feels respected, looks out for everyone else, and shares a sense of family, friendship and belonging.

UniLodge strives to provide community-based support. One of the big advantages of living in a community is that there is always someone to help. Do not keep your worries to yourself – the sooner we get on to them, the sooner we can help you to resolve the problem. Confidence is kept, and you can be assured of a sympathetic ear regardless of the size or nature of your problem.

Things that can take time to adjust to include:

- Transitioning school to tertiary/university life
- A different education system with different demands
- Living away from home, family, and friends, and looking after yourself
- Settling into city life, a new state, or a new country
- Language barriers and lifestyle and cultural changes
- The administration involved in setting up life in a new place, such as signing up to bank accounts, tax file numbers, superannuation and more.

UniLodge staff are here to assist you with all these issues and more. Feel free to visit reception and we will be happy to give you the information you need or direct you to other people and services who can assist further.

If you, or a fellow Melbourne Flagstaff resident is affected by illness, accident, death of a relative, or any other challenges, please contact our Residential Life Manager or General Manager. If necessary, we can refer you to the appropriate counsellors for further support. We are here to help in any way we can.

Complaints

Life in a community can sometimes create challenges that are difficult to manage on your own. You might have a problem with a fellow resident or a staff member, or a decision that has been made by UniLodge management. If you do come across some difficulty in your life at UniLodge Melbourne Flagstaff, do not hesitate to raise it with the Residential Life Manager or the General Manager. LIVING TOGETHER AT UNILODGE MELBOURNE FLAGSTAFF

Living in a close community like Melbourne Flagstaff can be a lot of fun, but it will take effort and compromise. Follow these escalation steps if conflicts arise.

If you have an issue with a fellow resident, try first to talk about that issue with the person concerned. Try to talk about it before the issue becomes a major problem and try to come to an agreement.

If you feel that you are unable to produce a suitable solution, you can call the Residential Advisor to discuss your problem. If needed, the Residential Advisor will arrange a meeting with all relevant residents to discuss concerns and help resolve the problem.

If these steps have been followed and you find that the conflicting issues are still present, please contact the Residential Life Manager or the General Manager for further assistance with dealing with the matter.

Your privacy is important to us. Should you wish to discuss any matter in private, simply ask.

Sexual Harassment

Sexual harassment is both unacceptable and against the law. It occurs where:

- a person subjects another person to an unrequested act of physical intimacy; or
- makes an unrequested demand or request (whether directly or by implication) for sexual favours from the other person; or
- makes a remark with sexual connotations relating to the other person; or
- engages in any other unwelcome conduct of a sexual nature in relation to the other person.
- Also, if the person engaging in the conduct described above does so:
with the intention of offending, humiliating, or intimidating the other person; or in circumstances where a reasonable person would have anticipated the possibility that the other person would be offended, humiliated, or intimidated by the conduct.

UniLodge is a friendly and supportive community, and it is expected that members will be proactive in ensuring that it remains this way. Anyone at UniLodge Melbourne Flagstaff who indulges in any form of discrimination or sexual harassment will be asked to leave.

The Anti-Discrimination Act makes discrimination unlawful on grounds including **gender, race, age, sexual orientation, religion, political belief, or activity**.

If you think you have been subjected to any form of discrimination, please contact the Residential Life Manager or General Manager and the appropriate steps will be taken.

Social Support

We will organise events and activities throughout the year as part of the Residential Life Program. We encourage you to participate in these activities as they provide the ideal opportunity to get to know the staff and most importantly other residents within the building. Participating in the organised social events will help you make friends and develop long lasting relationships that will enrich your experiences here at Melbourne Flagstaff and your time spent as a student.

Workplace Health and Safety

Under the Workplace Health and Safety Act, UniLodge is recognised as a workplace and, as such, this puts responsibilities on both management and residents. As a resident, you must not cause or contribute towards an accident, such as by preventing easy access or exit from the building by leaving personal articles or rubbish blocking the exits or interfering with any fire safety notice or equipment.

GENDER-BASED VIOLENCE

At UniLodge, we are committed to fostering safe, respectful, and inclusive environments across all our student accommodation properties in line with the [National Higher Education Code to Prevent and Respond to Gender-based Violence 2025](#).

Gender-based violence (GBV) includes any form of harm, coercion, or control rooted in gender dynamics, including (but not limited to) sexual assault, harassment, stalking, coercive control, and technology-facilitated abuse. Recognising that GBV disproportionately affects women, and is compounded by intersectional factors like cultural background, disability, or diverse sexual orientation and gender identity, our whole-of-organisation approach prioritises primary prevention through evidence-based strategies that challenge gender inequality, promote cultural change, and ensure trauma-informed support for residents and staff.

Our Strategic Plan comprehensively addresses GBV prevention and response, tailored to the specific requirements of Standard 7 of the Code. Our Plan integrates dynamic policy, continuous education programs, and a 'No Wrong Door' disclosure process that empowers community with choice and agency, while working to mitigate systemic risks, barriers and enablers.

To learn more about our initiatives and how we are driving long-term change, view our full [**Strategic Plan**](#) [here](#).

UniLodge adopts a proactive, evidence-informed, and risk-based approach to the prevention and response of Gender-based Violence, prioritising the safety, dignity, and autonomy of those impacted.

Gender-based Violence in any form is unacceptable and will not be tolerated in the UniLodge community.

Through strong leadership, clear policies, ongoing education, accessible support, and robust accountability, UniLodge maintains a culture of respect, equity, and responsibility across our student accommodation portfolio.

4. **Person-Centred and Trauma-Informed Systems:** All processes are designed to be trauma-informed, person-centred, and culturally safe. The agency and confidentiality of the person who has experienced harm are upheld, and procedural fairness is maintained for all parties. Through collaboration with universities and the UniLodge community, our systems are designed for transparency, integrity, and impactful consultation.

It may also fall under the relevant Code of Conduct, UniLodge Grievance and Complaints Procedure, Workplace Health and Safety Policy, or the relevant Resident Handbook, as applicable.

Any reports of non-compliance with this policy must be made in writing to feedback@unilodge.com.au.

This Procedure supports UniLodge's compliance with the National Higher Education Code to Prevent and Respond to Gender-based Violence 2025.

YOUR AGREEMENT WITH US

Condition Report

At the commencement of the Residential Tenancy Agreement an electronic Entry Condition Report will be completed and acknowledged by both the resident and a UniLodge representative. This electronic Condition Report will be used at the end of the Residential Tenancy Agreement to assess any damage to the room, its furniture and equipment.

The Condition Report must be **completed within 7 business days** of you receiving the emailed report. Failure to do so, means any changes you feel are necessary cannot be included in the report if it is not returned; or if you turn it in late.

Eviction

UniLodge Rules of Tenancy promotes tolerance, courtesy, and care for others and the diverse needs within the community. If any resident chooses to ignore or violate these guidelines, he/she shall receive written warnings from the UniLodge management. Residents, who have received warnings and continue with unacceptable behaviour, will be issued with a "Notice to Vacate" and an application will be made for eviction.

In addition to the termination provisions, "Notice to Vacate" will be given to any resident who:

1. Is found to be carrying, using, or distributing illegal drugs or other illegal substances.
2. Is found to be involved in the harassment of or discrimination against another resident, staff member or person.
3. Is found to be involved in the sexual/physical abuse of another resident, staff member or person.
4. Is found to be involved in theft of another person's property.
5. Significantly interferes with the peace, comfort or privacy of another resident or staff member.
6. Is found smoking in their room or in any other area of the building.
7. Is found to have tampered with or removed the smoke alarm in their room.

These practices are against the law. Residents must note that these practices lead to immediate expulsion and possible prosecution.

Bond

The Bond is sent to the **Residential Tenancy Bond Authority (RTBA)** – a government organisation. There it is held in trust for the term of the tenancy. The bond cannot be used for rent at any time. The cost of any repairs or excessive cleaning may be deducted from the bond upon departure.

Termination of Tenancy Agreement

A Residential Tenancy Agreement may be terminated if:

1. The resident fails to pay the rent within fourteen (14) days of the due date. Also, if the resident fails to pay all outstanding expenses within seven (7) days after receiving their account. Eviction notices require the resident to vacate the property within fourteen (14) days.

2. The resident permits or allows any breach or fails to comply with the Terms and Conditions of the Residential Tenancy Agreement or Rules of Occupancy.

At the termination of a Residential Tenancy Agreement, the resident's private property must be removed. Any property left in the room will be disposed of in accordance with the Residential Tenancies Act 1997.

The Residential Tenancy Agreement is a legally binding document. If broken, you will incur penalties. Where a resident believes that they cannot continue to stay in the room, they must notify UniLodge Melbourne Flagstaff management in writing as soon as possible.

Breaking the Residential Tenancy Agreement

When considering the early termination of your Residential Tenancy Agreement, it is your responsibility to:

- Continue to pay all rent charges until a new resident can be secured or the Residential Tenancy Agreement ends, whichever comes first.
- Pay all associated costs including applicable advertising and break lease fees as set out in your Residential Tenancy Agreement. In all cases, a departure cleaning fee applies.

You are required to give us 28 days' notice if the reason for the early termination falls under "special circumstances". However, it is in the resident's best interest to give as much notice as possible.

Cancellation of confirmed booking prior to arrival

The payment of the first two week's rent and bond is required in advance of your arrival and to secure the booking. This is on a non-refundable basis. Only in special circumstances (with appropriate support documentation) would a refund be considered, subject to the Residential Tenancies Act 1997. In such an instance a cancellation/administration fee equivalent to two week's rental plus GST will apply.

RULES OF TENANCY

These rules form part of your Residential Tenancy Agreement with UniLodge. Please read these rules, and if you have any questions or need a translator, advise reception.

Absent from your Room

If you intend to leave your room for any length of time, please complete the vacation form at Reception. This will help us to locate you in an emergency. Please note if you are away over a rental instalment date, it is your responsibility to ensure that your rent is prepaid at all times.

Access to other rooms

Entering another resident's room without authority is not permitted. Offenders may be detained and charged with trespassing by the appropriate authorities. If you are invited into a room, and subsequently asked to leave, you must do so immediately. To prevent trespassing and, theft, all residents should keep their doors closed and windows locked regardless of whether they are in their room.

Access to the Building

The automatic foyer doors are programmed to operate without the use of a swipe card during reception hours. Outside of the reception hours, it is necessary to use your swipe card to open the automatic sliding doors.

Additional Furniture and Appliances

The installation of other furniture and appliances into a resident's room is not permitted unless a written application is submitted to and approved by UniLodge management. Every request will be looked at separately depending on the size of the room and furniture required. This includes items such as fridges, freezers, portable aircons, etc.

Alcohol

Management promotes a responsible attitude towards the use of alcohol. Alcohol is NOT permitted in communal areas, hallways, or at the entrance of the building. Alcohol may be consumed, if you are over the age of 18, in the privacy of your own room.

Under 18s are strictly NOT allowed to consume alcohol on the UniLodge premises.

Behaviour

Residents must agree to abide by the code of conduct. Acceptable behaviour includes not interfering with another person's living conditions or personal security. Unacceptable behaviour will be dealt with by management. Repeated offences could constitute grounds for early termination of your Residential Tenancy Agreement. Residents can contest any disciplinary action by first contacting UniLodge Australia Head Office (07) 3233 3700 and secondly Consumer Affairs Victoria 1300 558 181.

Building Security

All residents and visitors agree to be bound by the security regulations and as instructed by management.

- Residents must always carry ID and, if requested, show it to management, security, or staff.
- Under no circumstances are residents to loan out their security swipe card.
- Residents must not let non-residents enter behind them. If in doubt, they must call the RA on duty or notify reception.

Children

The property has not been built with the safety of children in mind, and therefore children are not permitted to reside within the building.

Cleaning and Inspections

You are responsible for the day-to-day cleaning of your room. In addition to this, your room will be inspected every six months after the initial first inspection of your room. We will notify you in writing before we come to inspect your room for cleanliness and property damage. Residents who fail these inspections will be required to rectify any issues and a further inspection will be arranged.

Common Property

You must not interfere with or damage any common property, nor leave anything on or obstruct the use of common property. The resident is liable for all damages caused. You must not remove furniture (chairs, beanbags) from communal areas. When vacating, do not leave unwanted items in communal areas to give away. If your items are in good condition, you can leave them in our charity bins on the Ground Floor Bin Room or give them directly to friends. If not, please dispose in the bins in the Bin Room.

Cooking

To ensure the safety of yourself and other residents, and avoid a false fire alarm, never leave your food unattended. Always keep the rangehood exhaust fan on high. The rangehood is located above the cooktop. Make sure it switched on (you will be able to hear a faint sound) at all times – even when you do not anticipate smoke.

If your cooking triggers the smoke alarm, Fire Rescue Victoria will come to Melbourne Flagstaff. If this happens, there may be charges passed onto you associated with this callout.

Drugs and illegal Substances

The use of/or being under the influence of any illegal substance in the building is forbidden. This means under NO circumstances are any illegal substances permitted within the complex, including possession or use of equipment associated with the use or manufacture of illegal drugs/substances. Failure to comply with this rule can result in eviction. If you or someone you know is struggling with drug use, please speak to our team so that we can help connect you with appropriate support services.

Furniture and Equipment

The furniture, and other items provided in the rooms are to be used for the purposes for which they are made. You will be liable for damage to this property.

You are not permitted to make alterations or additions to the room or the furniture and equipment within the room unless the request has been given in writing and approved by management.

Gambling

Gambling is not permitted on the premises.

Guest Policy

Residents are responsible for the behaviour of their visitors and must understand that visitors are also bound by all the Rules of Tenancy whilst in the building. Residents are responsible for personally letting their guest/s out of the building after hours. The issued swipe card must not be given to the guest/s to exit the building by themselves.

Guests are not permitted to stay overnight. The maximum occupancy under the building fire regulation is ONE. Guests who are found to be staying overnight will be asked to leave immediately.

Identification

Identification should be always carried as it allows management and security to determine if a person is a resident at Unilodge Melbourne Flagstaff. It also allows after-hours access should you lose your swipe card. You should always keep your swipe card and ID separate.

Lockouts

A lockout fee of \$30.00 during business hours and \$75.00 for after hours will apply each time you lock yourself out of your apartment (by forgetting your card) If you have lost your swipe card, you will be issued with a new swipe card – Note, a fee of \$55 will be charged for replacement. Make sure your key card is not in your room when you request a new card; we cannot refund you if you find your card later. Please remember to always keep your room key with you, including during fire alarms.

All residents must observe consideration for their neighbours. In correspondence to the Environment Protection (Residential Noise) Regulations, no excessive noise is permitted during the following hours: Monday to Thursday before 7:00am and after 10:00pm; Friday, Saturday & Public Holidays before 9:00am and after 11:00pm; Sunday before 9:00am and after 10:00pm. Please use **common sense** and **consideration**. Special curfew hours may apply during exam times.

Neighbours

Please keep noise down when entering and exiting the building, or when at the entrance to the building, especially at night. Please be respectful to our local neighbours, who can be bothered by loud noises residents make coming home late at night. Residents who do not respect this may receive a breach. A breach notice is a formal warning that one of the parties is not fulfilling their obligation. The notice details what must be done for the party to be compliant and how much time is allowed for the party to respond.

Parties

Residents are not permitted to have parties in their rooms or any public areas and management reserves the right to shut down a party if necessary.

Pets

Under no circumstances are you are permitted to bring any pets or animals into the building. This includes fish.

Requests by UniLodge management/administration for face-to-face meetings with residents, are not optional, cannot be rejected, and must be complied with - as they are always especially important. All reasonable efforts will be made to find a mutually convenient meeting time and location.

Residents aged under 18

If you are a resident aged under 18, you must check in with the Residential Advisor each night by 10pm. If you are going to be away, you must ensure you let the reception know in advance, as well as seeing any other required permissions to be away. You must not consume alcohol.

Security and Swipe Card

- You are issued with a swipe card when you check in. The swipe card will give you access to the main entrance door of the building, after-hours access to eligible areas, your room, and the recreation areas.

Health Information

Overseas Student Health Cover

International students on a study visa must have Overseas Student Health Cover (OSHC). Your OSHC is usually for a six- or twelve-month period. On arriving in Australia, you will need to confirm your OSHC with the insurance company and complete an Application for OSHC. Residents will be required to present their Confirmation of Enrolment form as proof of their status.

If you allow your membership to lapse, the company may notify the Department of Immigration, which could result in your student visa being cancelled.

- You must renew your cover each time you re-enrol to study or every 12 months. To do this you will need your membership card, passport and a letter from your college, university etc. confirming you re enrolment.
- Under OSHC, you are covered for accommodation and/or treatment in Public Hospitals. This applies whether you need to stay in hospital or are a patient at the hospital's outpatient clinic or in the emergency/casualty department.
- Your OSHC does not cover ambulance, dental, pharmaceutical, glasses and/or contact lenses. If you or your parents want you to be covered for these items, you will be required to pay extra for this type of insurance cover.

Ambulances in Australia

Ambulance services in Australia are extremely expensive and ambulance insurance cover is recommended if it is not already included in any insurance you have. Ambulance insurance cover is included in most forms of health insurance (either Overseas Health Cover or standard health insurance plans that your parents may have you listed on if your parents live in Australia) – please make sure you check your health care plan before you need it for this information. If you are an Australian on a Health Care Card, and you are also covered for clinically necessary transport. For more information on ambulance cover go to the [Ambulance Victoria website](#).

Please note that there is no cost if you or someone else calls an ambulance – costs are only charged if someone is transported (taken to hospital) in an ambulance. You should never hesitate to call an ambulance for yourself or someone else in a life-threatening situation.
