Climate: Mediterranean Climate

Distance: 30 km (20 minutes) from Antalya Airport

The nearest residential districts 3 km from Kadriye - 6 km from Belek

LOCATION

Located only in 20 minutes away from Antalya and the International Airport, Belek has become a favoured region in the middle of Turkish Mediterranean Coast Line and preserves lots of historical and natural treasures in its region. Being a golf-oriented place Belek has deserved a reputation of the best place to play golf and it is preferred by golf fans around the world because of its well-maintained golf fields with highly developed infrastructure covering large areas. Belek is one of the best places to start an exploration of the region's historical legacy.

Belek is a touristic holiday destination, and also an important region harbouring natural life species of the Mediterranean Region.

There are 574 different plant species, 29 of which are endemic and grow only in that peerless environment in the region. At the same time 109 different bird species are presented in the region, and the barn owl *Tyto Alba*, which can be seen all year round, has become the symbol of Belek. Furthermore Belek is one of the seventeen locations which are preferred by the turtles *Caretta Caretta* to lay eggs.
