We care about your safety and dining experience.

Please inform your server of any allergies or dietary restrictions.

- Sodium content higher than daily recommended limit (2,300 mg).
- High sodium intake can increase blood pressure and risk of heart disease and stroke.

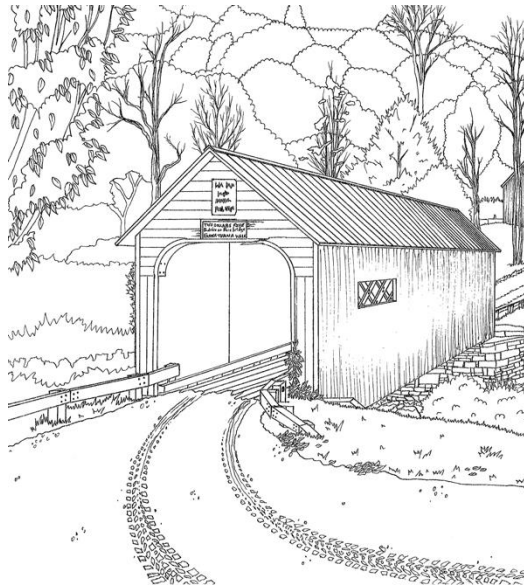

About 150,000 visitors a year visit the Cascades. Without question, Cascade Falls is one of the most beautiful waterfalls in Virginia and possibly on the entire East Coast.

Did You Know?

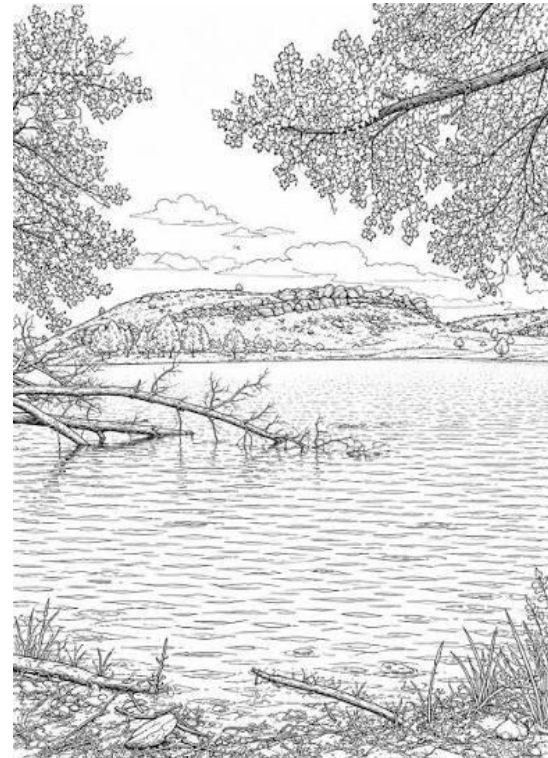

Part of the beautiful Jefferson National Forest is located within Giles County. This forest is a great place for outdoor activities.

The Sinking Creek Bridge is located in Newport. The bridge has been standing since 1916, making the bridge 110 years old! The bridge is 70 feet long, and a bright, beautiful red color. Because of its beauty, it has been the subject of many photographs and paintings throughout the years. It is open to the public for you to enjoy.

 *Mountain Lake*
Virginia

Unlike most natural lakes, Mountain Lake was not formed by glacial activity. It is believed that several thousands of years ago, a rockslide dammed a narrow valley in which cool mountain springs filled to form a lake.
