

FOR IMMEDIATE RELEASE

**SUNWAY PUTRA HOTEL SUPPORTS UNDERPRIVILEGED ORPHANS
DURING RAMADAN**

Kuala Lumpur, 21 April 2022 – As the world begin to pick-up slowly from the pandemic, there are many who are still struggling and in need of a help. During the holy month of Ramadan, Sunway Putra Hotel organised two ‘buka puasa’ sessions where a total of 100 children aged 7 to 12 years and their caretakers from two (2) orphanage homes namely Pusat Jagaan Anak Yatim Dan Saudara Baru An-Najjah and Pertubuhan Rahoma Darul Fajir, both located in Kuala Lumpur, were treated to nutritious food boxes and RM2,500 worth of essential groceries for their homes.

Through the group’s #SunwayForGood corporate social responsibility (CSR) initiatives, Sunway Putra Hotel’s CSR efforts focuses on food security following the global pandemic and the prolonged movement control orders in Malaysia. Many of these charity homes were hit hard by the previous lockdowns and various movement control order (MCO) – with donations declining and volunteers finding it more difficult to extend help – Sunway Putra Hotel, through its own #SunwayPutraHotelPeduli efforts and supportive staff transported groceries from the Hotel to both homes on the 20th and 21st April 2022.

“We pray that our contribution has brought the message of hope to the Children and caretakers at both homes,” said Sunway Putra Hotel Senior General Manager Wilfred Yeo.

In addition, Sunway Putra Hotel also distributed thousands of packets of *bubur lambuk* to the B40 communities during the Ramadan month in support of the Group’s yearly festive CSR initiative.

At Sunway, all of our CSR initiatives are aligned with our core values of integrity, humility and excellence in our commitment to the United Nations 17 Sustainable Development Goals (SDGs). We acknowledge that it is the responsibility of everyone to make it a reality, and together we can do so much more.
