## Bay Gardens Resorts Donates to CHTA's "One Caribbean" Hurricane Melissa Relief Effort

Bay Gardens Resorts, a locally owned and managed Saint Lucian hotel group, has contributed US\$5,000 to the Caribbean Hotel and Tourism Association's (CHTA) "One Caribbean" Solidarity Initiative, supporting Jamaica's ongoing recovery from the devastation caused by Hurricane Melissa.

The "One Caribbean" pledge program invited hotels and tourism service providers across the region to contribute a set amount from bookings channeling the collective generosity of the Caribbean's hospitality sector toward a shared cause. Funds raised through the initiative are directed specifically toward small and independent tourism businesses, community-based operators, and workforce recovery needs in Jamaica, the segments most acutely impacted by the storm's aftermath.

For Bay Gardens Resorts, participation in the initiative reflects a long-held belief that the Caribbean's strength lies in its unity. As an independently owned group built on authentic hospitality and deep community ties, Bay Gardens recognizes that the resilience of any one Caribbean destination is inextricably linked to the resilience of the region.

The donation adds to a growing pool of regional contributions mobilized under the "One Caribbean" banner, drawing support from hotels, tour operators, and hospitality businesses across multiple Caribbean territories.

Bay Gardens Resorts continues to welcome guests to its four properties in the heart of Rodney Bay, Saint Lucia, and remains committed to the responsible, community-rooted approach to hospitality that has defined the group since its founding.

### **BAY GARDENS BEACH RESORT**

*“Well Located Resort”*

Reviewed by Rider269 (March 2026)

We had a great time at this beach front resort and enjoyed the All-inclusive deal. The room was excellent with a full sea view with and was serviced regularly. The onsite restaurant was excellent and a good quality, based in general on a buffet principle but backed up with a small menu option for all-inclusive, All the Staff were excellent very efficient and very friendly which added to the pleasure of the resort. Downside was the cruise ship crowds who arrived daily to overload the beach, a bit uncomfortable. Adjacent buildings works were a little noisy, but this should be completed mid-summer. All in all, a very pleasant holiday.

### **BAY GARDENS HOTEL AND INN**

*“Beautiful Relaxed Holiday”*

Reviewed by Monica C (March 2026)

Wonderful holiday at this hotel with use of facilities at their nearby sister hotels. Staff were welcoming and friendly. Relaxed atmosphere, food was lovely with mix of buffet and table service. Fabulous cocktails too! My first Caribbean trip and I loved it.

### **BAY GARDENS MARINA HAVEN**

*“Bay Gardens Marina Hotel, I’ll be Back!”*

Reviewed by Pauline G (March 2026)

Only 35 rooms so relatively small hotel but staff with big hearts. Wonderful 3rd floor ample bedroom location: from front watch beautiful sunset over the marina, from bedroom balcony view of swimming pool, pretty wrap round of hotel & hills in the distance. Genuinely friendly staff: helpful housekeeping, kind Jessie, entertaining Shem & amazing Arnold. Knowledgeable Ornica, the wonderful restaurant ladies, fantastic chef. Mwah, they ALL made our holiday so special: we were spoilt, nothing too much. Hotel shuttle to the 2 “sister” hotels so convenient. Local bus stop 5 min walk for a bus straight into bustling Castries town. Friday street party, easy 20 min max stroll. Holidayed with cousin & we are both ladies in late 60s. I would definitely stay again and would be happy to go solo.
