Mixology Cocktail 25

Alexandra's Allure
Honey and Butter Fat-washed Bourbon, Rosemary-infused Orange Liquer and Homemade Grapefruit Star Anise Syrup, finished with Cinnamon Smoke.

For the assertive diner, this is the perfect aperitif to ignite the palate. Its bold and aromatic herbal flavors will whet any appetite.

Fables of Faber
Hendricks, Orange and Rosemary-infused Gin, Grand Marnier, Cherry Brandy, DOM, Grenadine Syrup, Lime Juice, Pineapple Juice and Angostura Bitters.

Savour our homage to the classic Singapore Sling, refreshingly crafted with two types of gin for an exotic, sweet and aromatic burst of flavours.

Draught Beer

	1/2 Pint	*Pint*
THE 1925 Lager 4.8%	**10**	**14**
Crisp lager with a dry finish. Easy on the palate and good for all-day drinking, this lager goes well with fried, spicy dishes and seafood for the perfect combination. The inspiration behind this lager is the love for our local cuisine. Designed specially to pair well with the punchy flavours of Asian cuisine, the mildly herbal yet citrusy notes of this lager not only lifts the palate but also complements well with all food.		
Yellow Van Pale Ale 4.8%	**12**	**15**
Brewed primarily with Citra hops. Designed to be a session beer, the pale ale seeks a delicate balance between both hops and malt. It brings familiarity, yet never fails to surprise the palate with subtle bursts of Citra. Pours well with a fully formed head of foam and is probably the most versatile beer in our selection.		
Small Monster IPA 4.8%	**12**	**15**
Sessionable IPA brewed with a mixture of Amarillo, Cascade and Centennial hops. A robust ale with a smooth mouth feel which finishes with the lingering notes of hops and mild dryness. Despite it's style, the Small Monster is an IPA designed to quench the thirst of any avid drinker.		
Yuzu Lager 4.8%	**12**	**15**
Using the peels and juice from premium yuzu fruit, this lager presents a bright and fruity aroma with a citrusy and dry refreshing finish. Highly versatile for pairing with all sorts of cuisine.		
Guinness Microdraught		**16**
