

Evergreen Resort would like to announce the reopening of our resort on Wednesday, May 20th. See below to see what you can expect, and what is to be expected of you as a customer:

- Staff will be required to wear masks at all times.
- Stayover service has been suspended (amenities available upon request)
- Rooms are being cleaned 24 hours after the room checks out.
- Hand sanitizer stations have been put up throughout the common room areas.
- We have put up signs asking guests to wear a mask in the main building if they are medically able and promoting safe social distancing.
- A hot plated breakfast is available each day during breakfast hours, served in the dining room. We also have Breakfast To-Go bags available.
- Housekeeping service has added several steps to their cleaning process to allow for thorough disinfection of guest rooms and common areas specifically including high touch points.
- We are going above and beyond our normal sanitary and cleaning procedures, both in frequency and detail, throughout the entire resort – including the hotel, bar, restaurant, pro shop, and golf course.
- We have placed signs throughout our building promoting the 6 foot rule of social distancing.
- Our staff has received additional training for safe practices dealing with Covid-19.
- We have a Covid-19 preparedness and response plan consistent with OSHA guidelines.
- We are conducting daily entry self-screening of employees as they come into work
- Curly's Bar & Grill is open for dine-in service at 50% capacity with a limited menu. Carryout and room service are also available.
- Our pool, hot tub, and sauna are open at limited capacity for our guests only – pool towels are now available at the front desk only.
