Bay Gardens Resorts Completes First Phase of Multi-Year Property Enhancement Program

Bay Gardens Resorts, Saint Lucia's largest locally owned and operated hotel group, has successfully completed the first phase of its multi-year property enhancement program, marking a significant milestone in the company's continued commitment to elevating the guest experience.

Over the past two years, Bay Gardens Resorts has invested an estimated US\$13 million in renovations, new dining concepts, and property enhancements across its portfolio, including the debut of Sapphire Sands Villas, with additional phases planned through 2028.

- Bay Gardens Beach Resort & Spa

Guests can now enjoy a redesigned lobby and a renovated Hi-Tide Restaurant, alongside new dining experiences including Driftwood Pizzeria, offering artisanal pizzas in a relaxed beachfront setting, and Bay Bites, a solar-powered beachfront food truck serving casual island favourites.

- Bay Gardens Hotel

The lobby has been transformed into a bright, contemporary gathering space, complemented by the renovation of the buffet room and restaurant, and a refresh of all Standard Rooms. The redesigned guest rooms feature light wood furnishings, woven textures, and soft blue accents inspired by Saint Lucia's natural beauty.

- Bay Gardens Marina Haven

Guests can experience a reimagined lobby, upgraded guest rooms, a redone buffet, and new restaurant furniture, along with Knots Bar, a poolside bar designed for relaxation and connection.

- Bay Gardens Marina Inn

Lobby enhancements have created a refreshed and more welcoming arrival experience, featuring a newly designed front desk area, stylish new lobby furniture, and a dedicated guest baggage storage area.

Looking Ahead

These upgrades complement Bay Gardens Resorts' broader investment strategy, which includes the recent opening of Sapphire Sands Villas, the company's new luxury villa-hotel offering featuring a new spa, a new restaurant concept, and dedicated butler service for guests. Additional enhancement phases are planned through 2028, including upgrades to the group's conference facilities beginning next year.

Through these ongoing improvements, Bay Gardens Resorts remains committed to creating memorable experiences for guests while showcasing the warmth, authenticity, and hospitality that have become hallmarks of the Bay Gardens brand.

Bacchanal Palace Delivers the Ultimate Carnival Experience

Carnival season reached a whole new level of unforgettable with the Bacchanal Palace Experience, Bay Gardens Resorts' exclusive accommodation package hosted at Bay Gardens Marina Haven, Bay Gardens Hotel, and Bay Gardens Inn. Designed for revelers seeking the perfect blend of comfort, convenience, and celebration, this year's experience was elevated even further through an exciting collaboration with Bounty Rum, which kept the energy and island vibes flowing from beginning to end.

The festivities kicked off in style as guests checked in and received exclusive Bacchanal Palace goodie bags filled with Carnival essentials and keepsakes. Each bag included alcohol minis, carnival rags, sunscreen, keyrings, and other thoughtful items to help guests stay refreshed, and ready to enjoy every moment of the festivities.

Throughout the Carnival weekend, guests were treated to a variety of complimentary experiences that kept them energized for the road ahead. A local snack station, courtesy of Abby's Exotic Blends, offered authentic island flavours, while a hydration station sponsored by The Supplement Store Ltd. ensured revelers stayed refreshed. A breakfast station prepared by Cadasse Bakery, provided the perfect start before Carnival excitement.

The grand finale came on Carnival Tuesday, when guests returned from the road to the highly anticipated Bacchanal Palace Cool Down Pool Party at Bay Gardens Marina Haven. From 7:00 p.m., the resort came alive with music, laughter and celebration as guests relaxed by the pool with refreshing Bounty Rum cocktails, delicious snacks from Food Center, and culinary delights from us an atmosphere that perfectly captured the spirit of Carnival. It was the ideal way to unwind after a day of revelry while enjoying the comfort and hospitality that defined the Bacchanal Palace experience.

Bay Gardens Resorts extends sincere appreciation to the incredible sponsors whose support made this year's experience possible: Bounty Rum, Leona's Liquor, The Supplement Store Ltd., Irie Blue, Abby's Exotic Blends, Cadasse Bakery, and Food Center. Their generous contributions helped create a premium Carnival experience that guests will remember for years to come.

As another spectacular Carnival season comes to a close, Bacchanal Palace once again proved why it remains one of the most sought-after Carnival accommodation experiences in Saint Lucia. We look forward to welcoming guests back next year for the 2027 Bacchanal Palace Experience.
