## **HOTEL GRAND CHANCELLOR LAUNCHES GAME-CHANGING 24-HOUR STAYS: REDEFINING THE HOTEL EXPERIENCE**

In a bold move to put guests first, **Hotel Grand Chancellor** has launched a unique new package offer: **24-Hour Stays**. This innovative concept lets guests enjoy a full 24 hours from their time of arrival, removing the usual stress of early morning check-outs and rigid schedules. Now available at both the newly opened **Hotel Grand Chancellor Auckland** and **James Cook Hotel Grand Chancellor Wellington**, this offering is a hospitality game-changer in New Zealand.

### **Your Stay. Your Way.**

For years, hotels have followed inflexible check-in and check-out schedules, with guests often feeling rushed to leave their rooms. Hotel Grand Chancellor is breaking this mold, becoming one of the first in New Zealand to offer a fully customizable 24-Hour Stay.

With the **24-Hour Stay**, Hotel Grand Chancellor allows guests to say goodbye to manic mornings and early check-outs, and invites them to unwind and explore at their own pace. Check-in at 4pm, and you can enjoy your room and the hotel's amenities until 4pm the next day. Arriving at 10pm? Then linger longer and check out 10pm the following day. Whether you're flying in late, looking to savour a leisurely morning, or simply want to enjoy the comforts of your room for longer, the **24-Hour Stay** package adapts entirely to your schedule.

### **Revolutionizing the Hotel Experience**

"Traditional check-out times have always been a challenge for guests. We wanted to remove that stress and offer more freedom," said Steve Martin, Area General Manager for Hotel Grand Chancellor. "Our 24-Hour Stay package gives guests complete control over their schedule—whether they want to sleep in, explore the city, or enjoy a quiet morning without worrying about the clock ticking down. It's the perfect solution for travellers who value flexibility."

### **The Perfect Base for Exploring Auckland and Wellington**

Hotel Grand Chancellor's two participating properties are ideally located to help guests make the most of every minute. The newly opened Hotel Grand Chancellor Auckland puts guests at the centre of the city's cultural and culinary treasures—from the vibrant K Road to the Auckland Art Gallery and waterfront attractions. In Wellington, the James Cook Hotel Grand Chancellor offers easy access to the Wellington Cable Car, Te Papa Museum, and the city's thriving dining scene, making it the perfect base for both work and play.

## **A New Standard in Hospitality**

Unlike limited-time promotions, 24-Hour Stays are here to stay, with only a few blackout periods throughout the year. Whether it's a weekend getaway, a business trip, or a spontaneous escape, guests can book knowing that their schedule won't be dictated by the usual check-in or check-out times.

Hotel Grand Chancellor invites you to ditch the early alarms and embrace the freedom of a stay that fits around you. Book now at **Hotel Grand Chancellor Auckland** or **James Cook Hotel Grand Chancellor Wellington** and discover a new way to travel—one where you set the rules and the day is yours.
