

Chatrium Comfort

We provide the comfortable pillows in your room. For better tailor your pillow experience, we have selected these alternatives for your sleeping pleasure.

Ultra Soft Micro Fiber Pillow

Gives the comfort of a “down-like” feel. An alternative for sleepers who prefer a synthetic fiber-filled pillow

Non-Allergic Pillow

Suitable for those who prefer a medium firm support pillow and are allergic to down & feather products.

Buckwheat Pillow

Helps eliminate headaches, back pain and neck pain. It is highly malleable, breathable, conforms to your body and provides cool, comfortable, all-natural support.

The Snore-No-More Pillow

The first step to a good night’s rest starts with your pillow. The Snore-No-More Pillow is a comfy solution to help you achieve restful sleep!
