

We are happy to announce that Retro Suites Hotel was selected for the My Main Street Business Sustainability stream. With this generous support, we have upgraded several of our suites to enhance the guest experience. Nantucket and First Class suites now feature new carpet, while Refresh, Manhattan, and Town & Country suites have received upgraded bathrooms. These improvements are part of our ongoing commitment to providing a comfortable and modern stay for all our guests.

This project is supported by the My Main Street program, the Canadian Urban Institute, and the Government of Canada through the Federal Economic Development Agency for Southern Ontario (FedDev Ontario).
