LOCATION

Located on a peninsula, Bodrum is surrounded by the Aegean Sea in the North, West and South. In the ancient era Bodrum was known as Halicarnassus. The Mausoleum, one of the Seven Wonders of the World, was built in Halicarnassus city. The marble stones of the mausoleum which was demolished in time have been used in the construction of Bodrum Castle. The Castle today has become the second Biggest Underwater Archeology Museum. Bodrum Castle is the best preserved monument in the Eastern Mediterranean.

Bodrum, being a world famous holiday destination has advanced transportation opportunities and is host to social and cultural events every year. Bodrum's international airport Milas – Bodrum makes the city attractive and convenient.

Being in a 15 km distance from Milas-Bodrum International Airport and 25 km distance from Bodrum Town Center, Güvercinlik is one of the most beautiful bays of Bodrum where green and blue are united together. Because of its view from above Güvercinlik Cove is a place well worth visiting (Güvercinlik means Pigeon Nest in Turkish language) and has the most beautiful, peaceful, unique and unexplored seaside of the peninsula...
