Brand New Lexis Shop – Your Ticket to the Best Lexis Experience

Life can be complicated, but your next escape shouldn't be. Guests can now purchase and secure best priced Lexis room e-vouchers with maximum ease in the all-new Lexis shop: shop.lexis.my

The new Lexis shop comes in the most user-friendly interface and features hassle-free payment solutions, allowing your relaxing Lexis experience to begin even before you check into your favourite Lexis hotel or resort.

With this new Lexis shop, guests will automatically receive their Lexis room e-vouchers safely in their email account upon approval of their payment, compared to the old Lexis Store (vouchers.lexis.my) that requires them to set up an account through which they need to log-in after each transaction to retrieve their Lexis room e-vouchers. This is just one of the many improvements that the Lexis team has updated based on actual user feedbacks from loyal Lexis fans. Lexis fans and loyal guests who still have unutilized and valid e-room vouchers in their previous Lexis Store accounts, also still have full access to retrieve them for their next Lexis getaway, as long as they aren't expired.

Another thoughtful new feature that has been included in the new Lexis Shop is allowing guests to have the Lexis room e-vouchers directly emailed to the recipients of their choice with a personalized message. Because what says "I want you to be happy" more than the gift of a rejuvenating vacation!
