### GREEN TEA RHUBARB

an elegant sparkling beverage with a refined "brut" character.

### BERGAMOT OOLONG

hits with bright citrus, subtle Japanese blend of black and green tea

### LAVENDER CHAI

This Sparkling Tea brings together the spiced depth of chai with a cool hint of lavender.

## TEA MENU

### GREEN TEA

#### Eco Sencha

Green tea from China. The leaves are steamed, which allows them to retain their fresh green taste.

### BLACK TEA

#### Grand Hotel Grandiosa

A classic with fruity papaya and creamy vanilla flavor, with scents of rose petals, cornflower and marigold.

### EARL GREY

The world's most appreciated black tea blend. Flavoured with oil of bergamot orange.

### YUNNAN SUPERIOR

Great quality tea that highlights the soft, sweet and spicy flavour in the brew. The tea is grown on the hills up to 2100 meters altitude which create the optimal conditions for this collection.

### RED TEA

#### Organic Rooibos Natural

Natural Rooibos from Cederberg in South Africa.

Completely free of caffeine and rich in antioxidants.
