Extraordinary Offers

*Exclusive Aroma Pillow Mist · Blissful Aroma Mixology · Scented Soul Cocktail Workshop*

**Hong Kong, 9 February 2024** – As spring approaches, The Luxe Manor, a boutique hotel located in Tsim Sha Tsui, joins hands for the first time with CHU Aromatherapy, the renowned Taiwanese aromatherapy brand that is known for its natural hypoallergenic products, and proudly present a series of extraordinary offerings created from spirit-inspired Aroma Pillow Mist Collection by CHU Aromatherapy. These include imaginative “Dreamland Forest” afternoon tea with a complimentary bottle of Cedarwood Palmarosa Vodka Aroma Pillow Mist (50ml), the Scented Soul Cocktail Workshop, and more, allowing guests to immerse themselves in an ambience of scent and find a soothing remedy for their mind and soul.

Let the forest atmosphere surround you as you enter FINDS with silhouettes of tree trunks, wooden deer heads, and more. Aligning perfectly with CHU Aromatherapy, which also shares the same value of treasuring nature in its most natural form, the two brands teamed up for a new afternoon tea set, inspired by CHU Aromatherapy's signature spirit-inspired Aroma Pillow Mist Collection. Taking the key ingredients from the three pillow mists such as bergamot, neroli, honey, coconut, lavender, and chamomile, FINDS has created a “Dreamland Forest” afternoon tea set that will guide our guests on a leisurely stroll through the dreamy forest. Each item is elegantly presented, and thoughtfully served on a dark green afternoon tea stand, the iconic colour of CHU Aromatherapy, creating a graceful and luxurious design that is the most impeccable for besties to come and check-in.
