national sales team

Coast Hotels' national sales and business development programs immediately and significantly increase your property's exposure. Dedicated to building and strengthening our business-to-business sales relationships, our national sales team targets, solicits and manages top accounts for the brand throughout Canada, the USA and, in the case of wholesale tour and FIT markets, internationally.

Our strength in the corporate travel and group convention and meetings segments helps provide a consistent year-round base of business and drives market share growth.

Sales and brand-wide stays are stimulated through our national and hotel-based sales teams who cross-sell business to drive room nights and revenue across our network.

central reservations

Our Central Reservations System (CRS) is the heart of Coast Hotels' network of hotels and resorts. We handle over 300,000 calls annually based on an 18 hour a day, 7 day a week basis. Based in Vancouver, British Columbia, Canada, CRS recruits, trains and retains the best sales associates to increase sales and revenue for our hotels. **Coast Hotels' CRS production is significant, contributing more than 50.0% of property room revenues.**

CRS on average converts over 40.0% of calls to sales. The success of CRS is partly due to our ability to cross-sell all Coast hotels on every call. Agents offer alternatives when a property is sold out or doesn't meet a customer's needs.

The rooms inventory of the entire Coast Hotels network, including day-to-day rates and availability, is dynamically managed and stored in the reservation system so that guests and agents are able to book rooms quickly and efficiently. All reservations are captured and confirmed within the CRS, helping ensure your property achieves maximum occupancy rates and revenues. CRS is an extension of, or is your hotel's reservation department.

insightful reporting

Each month-end, every Coast Hotels property receives a reporting package outlining volume and revenue by source, conversion rates by channel, average rates, the average length of stay and average lead time, with year-on-year comparisons.

These reports and insights allow you to leverage data to drive decision-making and gain a competitive advantage, reduce business costs and increase profit.

distribution

Coast Hotels branded properties are supported by a robust distribution platform that delivers high-value guests through several channels.

Guests can conveniently make reservations via:

- Online at coasthotels.com
- Telephone & Chat through our Central Reservations
- Email
- Third-party vendors through our Global Distribution System (GDS) including Travel Agents, Consortia, E-commerce, Corporate Travel Managers and Online Travel Agencies (OTAs)

Coast Hotels offers a private label WX chain code for its hotels. The WX code allows agents to find booking information for all Coast Hotels properties in one location on the GDS.

Additionally, consortia and negotiated rate solicitations can be submitted for the entire brand via our Cvent-Lanyon platform.

revenue management

Coast Hotels' revenue management team is dedicated to driving revenue to our hotel partners through a dynamic approach to revenue management. A vital part of effective revenue management is the process of understanding, anticipating and influencing consumer behaviour through the strategic distribution of hotel inventory.

Leveraging sophisticated systems such as IDeaS G3 Revenue Management Solution, we execute pricing strategies and inventory management that align with our forecasting tools to enhance your property's competitiveness, increase market share and maximize hotel revenue.

We provide appropriate levels of collaboration, ensuring you're fully engaged in decision-making and continue to own revenue performance and profitability.

revenue management

flexible & creative

Coast Hotels' revenue management approach addresses the unique needs of each property. From technical support to strategic recommendations regarding inventory and pricing, Coast Hotels' revenue management supports each hotel's needs. We work with Coast Hotels properties to create customized solutions that capture share and optimize profits.

driving results with integrity

Coast Hotels values the loyalty of every traveler and practices aggressive but ethical revenue management. Our goal is generating short term growth that builds toward long term success, by earning the trust of travelers.

strategic priority

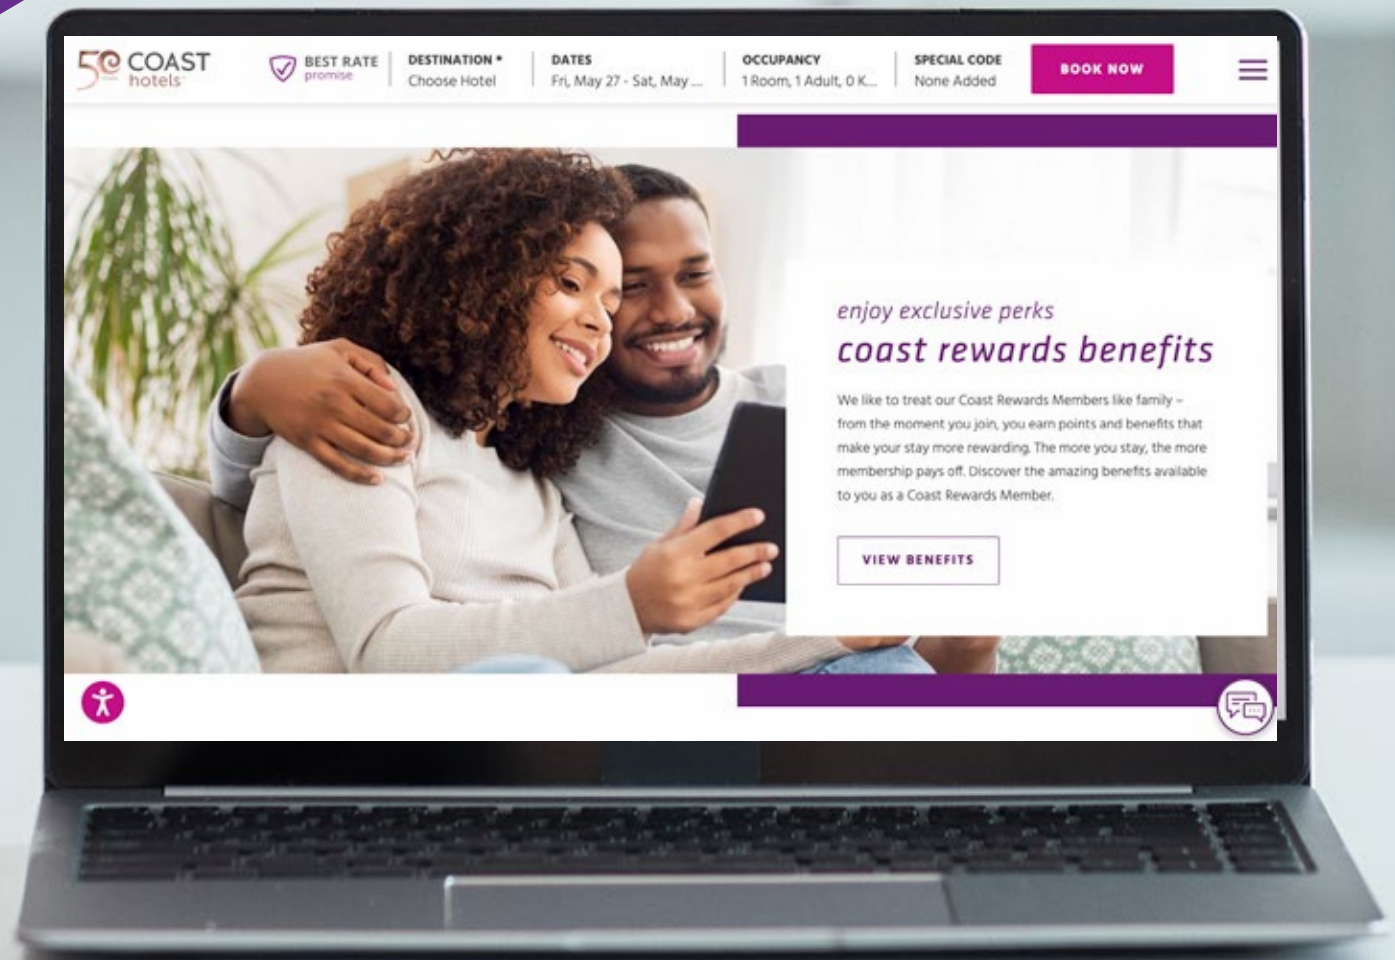

Coast Hotels' revenue management focus is to determine the optimal selling strategy for each property. Analytical tools are utilized to develop strategies with confidence. In-house expertise drives achievement of those strategies through complex management of multiple channels. Our revenue management is market driven and pro-active rather than reactive.

ota management

At Coast Hotels, we manage the OTAs, as part of a complete channel management program. Our outstanding relationships with the major OTAs in North America gives Coast access to the resources we need when we need them, optimizing exposure, while minimizing cannibalism of our Coast Hotels booking channels.

marketing & communications

positioning the brand

Coast Hotels recognizes that the strength of a brand is a key success factor in today's competitive marketplace.

Within the hotel sector, creating brand differentiation and brand affinity is critical. That's why we are building on our brand equity by promoting, enhancing and protecting the Coast Hotels brand to ensure our positioning continues to be relevant and distinctive.

public relations & social media

The Coast Hotels communications and social media team creates and delivers engaging press releases, blogs, paid and organic social media posts and influencer marketing tactics to create brand awareness and brand affinity.

Communications strategies and tactics are designed to support the introduction of new hotels, marketing promotions, property and brand programs and initiatives, and to encourage user-generated content to achieve top share of voice (SOV) rankings in all of our key markets.

The Coast Hotels marketing team will deliver a branded custom website and landing pages for your hotel that utilizes our powerful booking engine. We will also provide you with a custom Google Analytics account where you can view visits, popular rate types booked, geographic origin of visitors to the website, online revenue generated through paid search, and more.

crm - guest satisfaction surveys & online reputation management

We will create a post-stay guest satisfaction survey for your property that will be automatically triggered by the CRM to each guest upon check-out. The survey measures customer advocacy, brand loyalty, cleanliness, guest services and more.

*Online reputation has emerged as one of the most important factors behind a hotel's performance. It is directly linked to the hotel's image, which, in turn, is related to the financial performance of the hotels. Hence, it has become important for hoteliers to take steps to ensure that the online reputation management for hotels is addressed and maintained appropriately.

In order to manage our properties' reputation in the virtual domain, we have implemented an effective and intuitive online reputation management platform that can be used by everyone within the hospitality ecosystem, at both the property level and corporate, to quickly capture guest feedback, analyze results, engage with guests, drive sales and improve hotel and restaurant operations.

how coast hotels delights guests

how coast hotels delights guests

As part of our strategy to realize our goal of becoming a brand of choice in North America, Coast Hotels has identified a number of select Brand Touch Point (BTP) standards.

Our goal is to ensure consistent offering and delivery of these BTP's at each and every Coast hotel. We know that guests value experience and they value consistency.

These BTP's encompass items guests tell us they care about the most, and include standards like triple sheeting, amenities and more.

Coast Hotels provides a Director of Brand Engagement as a key resource for properties to help them with the implementation and consistent delivery of these brand standards.

brand graphic standards

The Coast Hotels Brand Inspirations and Standards Manual identifies expected brand standards for usage of the brand logo and visual identity. Adherence to these standards helps us collectively build a consistent and strong brand in the marketplace.

information technology

Technology is an important component of improving internal processes and enhancing the guest experience.

The strategy is built on the following principles:

- Building the foundation
- Maximizing applications
- Improving guest experience

reduce your costs*

central purchasing

Backed by the purchasing strength of our properties, Coast Hotels has negotiated the best possible prices directly with manufacturers and suppliers, providing the opportunity for cost savings for your property.

Coast Hotels has established long-term relationships with our vendors, who in turn extend preferential pricing to Coast Hotels. Distributors stock the items we specify so that they're easily accessible to all Coast Hotels properties.

Prices are net, with no mark-up or rebate to Coast Hotels which adds up to better bottom-line results for you. Any negotiated rebates flow back to the property based upon your individual buying history.

annual strategic planning & budgeting process (for managed hotels)

The **annual strategic/operating plan** is a detailed document that acts as a roadmap toward helping our managed properties achieve their strategic objectives. The hotel's marketing plan is also included in the annual strategic/operating plan and once approved, is funded by the approved budget.

The annual budget plan is a detailed document that allows each managed hotel to review and formulate the hotel's expected financial performance for the upcoming year as well as capital expectations.

Both the operating and budget plans will be delivered not less than 60 days prior to commencement of each year during the term.

franchise & management fees

Coast Hotels has low initial start-up fees, making your transition to a Coast Hotels property effective and easy.

Each month we charge a flow through marketing fee that helps fund marketing of the brand, a flow through reservation fee that is more than competitive, a flow through revenue management services fee that covers our cost for revenue optimization services, and a royalty fee that helps cover our overhead and provide our company with profit. If you select Coast Hotels as the management company, we include a monthly management fee.

You will find that Coast Hotels delivers programs at a fraction of the cost that other hotel companies charge to franchises. All of the fees are based on a percentage of Gross Room Revenue. The Management Fee is based on a percentage of Total Revenues.

2.0% Royalty Fee

2.0% Brand Marketing Fee

1.5% Reservations Fee

1.0% Revenue Management Services Fee

6.5% Total Franchise Agreement Fee

3.5% Management Fee
