###

About Silverton Christmas Market:

This event has become a beloved family tradition over the past decade, but it was not always called the Silverton Christmas Market. In 2021, the event had its first year named the Silverton Christmas Market, and the year before, it was called Lights at the Oregon Garden Resort and prior to that, the event was held in The Oregon Garden's Rediscovery Forest as Christmas in the Garden. Since the Resort's parent company, Moonstone Hotel Properties, no longer manages The Oregon Garden, the event now resides on the grounds of the Oregon Garden Resort. This has been a positive change for the event, bringing a longer and more intimate walking path, a one-way path to ease the flow of traffic, and varied landscaping to make one million lights even more spectacular. The new Silverton Christmas Market aims to focus on its German heritage and gathers inspiration from authentic German Christmas Markets, with collectible mugs; traditional lebkuchen (gingerbread hearts) and

gluhwein (mulled wine); artisan vendors; a booth selling imported handcrafted German nutcrackers, smokers and ornaments; and a light section dedicated to Krampus - the wicked German counterpart to St. Nicholas.

The Silverton Christmas Market aims to support the community of Silverton through donations to the school district, local non-profits, and discounted admission for Silverton residents to experience the magic. We're proud to have been awarded Silver for the [Best Charity Event](#) by the **Best of the Willamette Valley 2022 Awards**. If your non-profit organization is interested in partnering with the Silverton Christmas Market, you're encouraged to reach out to the Marketing Specialist, Heather Collora at heatherc@moonstonehotels.com.
