SETTLING IN

Most students coming from overseas experience a certain amount of 'culture shock.'

The people, the weather, the food, and the buildings may be new, and it may take you a little time to get used to your new surroundings.

Many new students, including Australian students, are living away from their family and friends for the first time so we encourage you to become involved in our Residential Life Events, so that you will make new friends and begin to feel more 'at home.'

If you are having difficulty settling in, our staffs are here to help you! We also have many students from different countries that are going through the same experiences as you.

Please see us if only for a chat! UniLodge wants your stay to be a happy and prosperous one.

WE CARE ABOUT YOU!

UniLodge strives to provide community-based support. One of the big advantages of living in a community is that there is always someone willing to help. Do not keep your worries to yourself – the sooner we get on to them, the sooner we can help you to resolve the problem. Confidence is kept, and you can be assured of a sympathetic ear, regardless of the size or nature of your problem.

New residents often have trouble adjusting to:

- The transition from school to tertiary/university life
- A different education system and different demands
- Living away from home, and fending for themselves
- Being away from the support of family and friends
- Settling into city life, a new state, or a new country
- Language barriers
- Lifestyle and culture changes, this may come as a shock, and may include:
 - Finding their way around i.e., transport, clubs, churches etc.
 - Basic establishment tasks e.g., bank accounts etc.

UniLodge staff are here to assist you with all these issues and more. Feel free to pop into reception and we will be happy to give you the information you need.

Anyone affected by illness, accident, or death of a relative, should talk to the Residential Life staff or General Manager. If necessary, we can refer you to the appropriate counsellors for further support. We are here to help in any way we can.

UniLodge is proud to offer a pastoral care network. When you join our community, you will find there is always something to do and someone to talk to.

Our Residential Advisors are available during the night however, they are always available for a chat and to offer advice and sometimes referrals to other services.

Connecting you to services, people and places is just one of the important roles to play here at UniLodge. So, whether you want to connect with other residents, the local community or just want to know the best places to 'hang out' we can help you.

We want to assist you wherever possible to fit into your home away from home as quickly, safely, and securely as possible so you can get on with the job of studying and enjoying your time here.

Academic Support

If you have an academic problem, talk to us as soon as it arises – do not leave it until it is too late! Should you be experiencing any concerns regarding course and subject selection, preparation for examinations, dealing with tutors and lecturers, applying for special consideration due to sickness or family troubles, we can help to refer you to the relevant department or faculty that will be able to address any issues. As a resident you will experience differing levels of stress at various times, particularly around examination time. We are here to provide a climate in which you can maximise your academic achievements. If you are experiencing noise related problems that are affecting your study, please advise us immediately by calling the RA on duty.

ADES

Prior to check-in you would have received an email from us regarding our ADES modules! UniLodge is committed to provide a safe and friendly environment for our residents and for this reason we have developed a series of modules covering everything from local tips and tricks to safety and security to a whole lot of other valuable information!

If you have not received this email or had a chance to complete the modules, please send us an email at melbournecentral@unilodge.com.au as soon as possible.

LIVING TOGETHER @ UNILODGE MELBOURNE CENTRAL

Living in a close community like UniLodge can be a lot of fun, but it will take effort and compromise. Follow these escalation steps if conflicts arise.

If you have an issue with a fellow resident, try first to talk about that issue with the person concerned. Try to talk about it before the issue becomes a major problem and try to come to an agreement.

If you feel that you are unable to produce a suitable solution you can call the Residential Advisor to discuss your problem. If needed, the Residential Advisor will arrange a meeting with all relevant residents to discuss concerns and help resolve the problem.

YOUR AGREEMENT WITH US

Condition Report

At the commencement of the Residential Tenancy Agreement, an Entry Condition Report will be completed and signed by both the Resident and a UniLodge representative. This Condition Report will be used at the end of the Residential Tenancy Agreement to assess any damage to the apartment/room, its furniture and equipment.

The completed Condition Report must be **returned to the office within 3 business days** of you receiving the report. Failure to do so will result in the precondition report forming the basis for any bond claims at the end of your tenancy.

Bond

The Bond is sent to the **Residential Tenancy Bond Authority (RTBA)** – a government organisation and held in trust for the term of the tenancy. The bond cannot be used for rent at any time. The cost of any repairs or excessive cleaning may be deducted from the bond upon departure.

Termination of Residential Tenancy Agreement

A Residential Tenancy Agreement may be terminated if:

- The Resident fails to pay the rental within fourteen (14) days of the due date. Also, if the Resident fails to pay all outstanding expenses within seven days after receiving their account.

Eviction notices require the resident to vacate the property within fourteen (14) days.

- The resident permits or allows any breach or fails to comply with the Terms and Conditions of the Residential Tenancy Agreement or Rules of Occupancy.

At the termination of a Residential Tenancy Agreement, the Resident's private property must be removed. Any private property left in the apartment will be disposed of in accordance with the Residential Tenancies Act 1997.

The Residential Tenancy Agreement is a legally binding document, which if broken, will incur penalties. Where a resident believes that they cannot continue to stay in the apartment, they must notify UniLodge Melbourne City management as soon as possible.

When considering the premature termination of your Residential Tenancy Agreement, it is your responsibility to:

- Continue to pay all rent charges until a new resident can be secured or the Residential Tenancy Agreement ends, whichever comes first.
- Pay all associated costs including applicable advertising and break lease fees as set out in your Residential Tenancy Agreement.

In all cases, a departure cleaning fee applies if you have not had the apartment/room cleaned.

Cancellation of confirmed booking prior to arrival

The payment of the first month's rental and other upfront charges is required in advance of your arrival and to secure the booking. This is on a non-refundable basis. Only in exceptional circumstances (with appropriate support documentation) would a refund be considered, subject to the Residential Tenancies Act 1997. In such an instance a cancellation/administration fee equivalent to two week's rental plus GST will apply.

Disciplinary Action

We would always attempt to resolve any issues by mutual consent. However, your tenancy is under Victorian Law and covered by the Residential Tenancies Act 1997 and there are responsibilities for both parties.

We will discuss face to face and explain what the issue is. A note will go on your file.

A caution letter may be issued depending on how serious the issue is.

A Breach Notice may be issued, explaining what part of the Residential Tenancy Agreement is not being complied with and an opportunity and timeframe to rectify.

A Notice to vacate the apartment by a certain day.

OPERATING & CARING FOR YOUR APARTMENT/ROOM

Departure Cleaning

Your apartment/room has been professionally cleaned and fitted with new mattress protectors prior to your arrival and as a requirement of your lease you must leave your premises in the same condition as when you entered. To take some of the stress out of your exit process, UniLodge has been able to assist and recommend a cleaning company that delivers a service that we believe is of an extremely high standard which meets our expectations.

Departure Cleaning Fee - \$240 [Needs to be paid during your check-in to the property]

Glass and Aluminum

Please note the following suggested points for the care and maintenance of the glass in your apartment including the maintenance of the cooktop.

WHAT NOT TO DO

- Do not store or place items in contact with the glass (this can damage the glass or create a heat trap leading to thermal breakage).
- Never use abrasive cleaners on glass. Scouring pads or other harsh materials must not be used to clean windows or other glass products. Powder based cleaners are to be avoided.
- Avoid causing extreme temperature changes as this may lead to thermal fracture of the glass (i.e., Do not splash hot water on cold glass, or freezing water on hot glass). Some tapes or adhesives can stain or damage glass surfaces. Avoid using such materials unless they are known to be easily removed.

Joinery Items **Cleaning**

A wipe over with a clean, soft damp cloth should be enough to keep all Laminex surfaces clean. Soiled surfaces or light stains are best removed with warm soapy water or with a common detergent, such as Mr. Muscle, Nifty Solvent, or bathroom cleaner. Wax or other polishes are unnecessary and should not be used.

Scratches and Cuts

Chopping and cutting directly onto the surface can damage Laminex surfaces. To prevent this from happening, use a cutting or chopping board. Sliding of heavy objects can cause scuffing of the surface. Residents will be charged for replacement of the surface if severe cuts and scratches occur.

Residents are asked not to remove from their apartment/room any item or equipment that has been provided by UniLodge.

Microwave Oven

Your apartment/room is provided with a microwave oven located in the kitchen. The microwave is connected to a 240V single-phase electric power supply.

Mirrors

The manufacturer recommends gently wiping with a damp, lint-free cloth.

Refrigerator

Your apartment/room is provided with an electric refrigerator connected to a 240-volt electric power supply. On arrival check that the fridge is plugged in and switched on, you may need to adjust the cooling setting within the refrigerator. To be effective the refrigerator should be constantly left on. If

you are living in a multi share apartment, please be mindful of your roommates and only use your allocated space.

Roller Blinds

You will find a chain on the side of the window. Pull the chain gently and smoothly from directly underneath to either raise or lower your window blinds. Should you pull the chain off, it will be at your cost to have it re-attached.

Smoke Detector

Your apartment/room has been installed with a smoke alarm. They are located on the ceiling in the living/bedroom areas. Each one is connected to a 240V power supply via your apartment/room switchboard. **If you attempt to tamper, cover, or remove your smoke alarm you may be fined in excess of \$3,000 by Fire Rescue Victoria.**

Stains – Removing Stains

DO NOT use any powders or abrasive liquid cleaners. A light application of METHYLATED SPIRITS or cleaning liquid that does not contain solvents can be used.

Tiled Surfaces

Do NOT clean the tiles with ACID or with any abrasive materials.

Do NOT place potted plants directly onto tiled surfaces – remove any residue immediately before staining occurs. Use specifically designed tile-cleaning detergents only.

Walls

Hanging items on the walls

Please be careful of what you stick onto the walls. The walls could become damaged or chipped if care is not taken, and a charge will apply if this does occur. You can buy special hooks from Supermarkets or Hardware Stores, which are designed not to damage the walls once removed; however, there is no guarantee that damage will not occur. These are 3M Brand adhesive/ removable hooks. Please ensure you remove these hooks at the end of your tenancy. Any damage caused because of removing these hooks will be your responsibility and repair will be at your cost. No sticky tape is to be used. No blue tack is to be used as it can damage the walls.

Apartment/room Repairs

A UniLodge facilities manager is there to repair any damages or problems that occur on the premises. The resident is liable for any damages or loss caused by negligence or misuse and will be charged for labour and any associated costs. For any damage caused, UniLodge Melbourne City will utilise the facilities manager for quality of work, legislative compliance, and site inductions. If the resident sources a suitable tradesperson, it must meet the requirements stated above.

EMERGENCY PROCEDURES

UniLodge will provide residents with emergency assistance in the event of:

- Personal, physical, or mental emergencies (e.g., theft, assault, harassment, vandalism, lost and found items, accidental or self-inflicted injury or medical condition)
- Build infrastructure emergencies (e.g., fire or storm damage)
- Maintenance emergencies (e.g., loss of power, loss of heating, flooding due to plumbing blockages or breaks, malfunctioning locks, damage to doors or windows)
- Tenancy rule breaches (e.g., excessive noise, trespassing, other disturbances)
- Lockouts – where a resident lock themselves out or misplaces their key.

Assembly Location Point - Evacuation

If you are instructed to evacuate the building, make your way to the nearest **FIRE EXIT**, and continue down the stairs to Ground Level. Please assemble at the assembly point (as outlined in the Evacuation Diagrams throughout the building) and await further instructions from the UniLodge staff. Before re-entering the building, please wait until instructed to do so by the fire department authority and/or UniLodge staff, as it may not be safe to automatically re-enter the building.

Fire Sprinklers and Smoke Detectors

Never cover or attempt to remove the smoke detector in your room as these are connected to the main fire alarm system and these actions may cause a system fault and or a false alarm. In the event of a false alarm that is caused by interference with a smoke detector, the Metropolitan Fire Brigade has within its powers to levy fines and commence prosecutions (current fines exceed \$3,000). You may also be responsible for the cost of repairs to the system that this damage may cause.

In the event of excessive cooking fumes in your apartment/room that cause your alarm to activate (without a fire) please do not attempt to clear these into the building communal areas as this will automatically call the Fire Brigade who have it within their powers to levy fines for “False” Alarms.

****False Alarm Callouts by Metropolitan Fire Brigade can exceed \$3,000 fees for you to pay!!!**

Please open your windows and “fan” the fumes away from your detector which will then cease its alarm once clear. **DO NOT OPEN YOUR MAIN DOOR TO RELEASE FUMES**

Each kitchen is fitted with a Smoke Alarm.

In the event of a fire, you should always remove yourself and others (if safe to do so) from the immediate danger closing the doors behind you.

The building has fire rated doors and advanced systems for your safety.

DO NOT TOUCH THE SMOKE DETECTORS AND SPRINKLERS

DO NOT HANG COAT HANGERS THROUGH THE SPRINKLER DEVICE

Touching the sprinkler head may result in it being activated causing hundreds of liters of water to gush into your apartment/room, which will flood not only your apartment/room but also those below. Severe damage costs will be imposed upon anyone who interferes with a fire sprinkler or a smoke detector!

In the event of Fire

- Assist any person in immediate danger only if safe.
- Close doors to stop oxygen fueling the fire.
- Call the Fire Brigade (000).
- Attack fire if safe to do so.
- Evacuate to assembly area using the stairs, assist anyone else, only if safe to do so.
- Remain at assembly area and await all clear or roll call.

REMEMBER: DO NOT USE LIFTS IN A FIRE EMERGENCY

Overseas Student Health Cover

International Students on a study visa must have Overseas Student Health Cover (OSHC) unless you fall in one of the exemption categories. Your OSHC must cover the length of your course at a minimum. Before applying for your visa, you will need to confirm your OSHC with the Insurance Company. Residents will be required to present their Confirmation of Enrolment form as proof of their status.

If you allow your membership to lapse, the company may notify the Department of Immigration, which could result in your student visa being cancelled.

- You must renew your cover each time you re-enroll to study or your OSHC expires. To do this you will need your membership card, passport and a letter from your college, university etc. confirming your re enrolment.
- Under OSHC you are covered for accommodation and/or treatment in Public Hospitals. This applies whether you need to stay in hospital or are a patient at the hospital's outpatient clinic or in the emergency/casualty department.
- Your OSHC provides limited ambulance cover and does not cover dental, pharmaceutical, glasses and/or contact lenses. If you or your parents want you to be covered for these items, you will be required to pay extra for this type of insurance cover.
