PARADOX
VANCOUVER

A BOUTIQUE HOTEL WITH A PULSE

Paradox Vancouver is downtown's only independent luxury hotel to earn a Forbes Travel Guide Four Star rating for two consecutive years. But that's not why you'll remember us. You'll remember us because genuine, effortless hospitality still exists here. Luxury that welcomes you. Not luxury that performs.

You feel it the moment you step into our lobby. Edgy, curated spaces. A dynamic, social energy. An approachable team with cultured sophistication and witty Canadian character. We take hospitality seriously, but we never take ourselves too seriously. Confident, never loud. Energized, never rushed.

Whatever brings you here, you leave feeling better than you arrived.
