Your arrival in Bangkok

We are happy to offer a 'Meet and Greet' fast track service for guests arriving at Bangkok's Suvarnabhumi International Airport. We meet you at the point of disembarkation and escort you through Immigration using the exclusive Fast Track lane. We then assist you in locating all checked luggage. After you pass through Customs we escort you to your pre-booked limousine. The 'Meet and Greet' fast track service fee is Baht 2,943 net per person.

Limousine Service

The Okura Prestige Bangkok is pleased to offer private chauffeured limousine transfers to and from both airports serving Bangkok.

Our competitive rates are:

- Mercedes-Benz E220s: Baht 2,800 net /car/way (Two passengers maximum, plus luggage)
- Mercedes-Benz S300d CDI: Baht 3,700 net /car/way (Two passengers maximum, plus luggage)
- Mercedes-Benz V250d: Baht 4,200 net /car/way (Four passengers maximum, plus luggage)

By Taxi

Guests may take a metered taxi from either airport to The Okura Prestige Bangkok. Fares begin with a flat rate of Baht 35 (at time of print) on the meter and there is Baht 50 airport surcharge. The fare from either airport to the hotel should be in the region of Baht 350-400, depending on traffic conditions. Toll fees (Baht 65 from Don Muang; Baht 70 from Suvarnabhumi) are not included in the taxi fare. Please be aware that many Bangkok taxis run on natural gas and the gas tank is located in the trunk. This reduces substantially the amount of space available for luggage and taxi drivers often have no option but to place large suitcases on the front passenger seat.
