MARQUIS LOS CABOS
ALL INCLUSIVE RESORT & SPA

“Thermae sanctuarium, corpus, anima et mente”

We create memorable experiences via a wellness concept focused on the senses and combining the anima, corpus et mente. Our carefully selected treatments combine natural ingredients with the master skills of your therapists.

We dare you to reconnect with your inner-self. Feel the comforting harmony of the desert and the reinvigorating energy of the restless waters of the Sea of Cortez.

HOW TO SPA?

The spa is located two levels below the lobby;
it can be accessed only by elevator.

A spa experience coordinator will be available to assist with service
recommendations and treatments' sequence.

You should arrive 30 minutes prior your appointment to fill out our Special
Request Form and enjoy the áreas before your treatment.

We suggest you bring your swimsuit.

You should not take any treatments with a full stomach.

We will not provide the treatments to any guests under the influence
of alcohol or drugs.

Your spa services bill can be paid by room charge or by charging a credit or debit
card directly at the Spa Marquis.

You may cancel up to 4 hours before your appointment to avoid a 50% charge of
the service price. In case of no-show the charge will be 100%

Access to our fitness center is complimentary to all guests. Reservations are
required and we request you to wear shoes and shirt
on at all times.

MARQUIS FOR YOU

Signature treatments

Our signature massage completely personalizes your experience. Select one or more of the following universal techniques to combine and create a tailor-made treatment to relax, energize or stretch the body.

Swedish

Achieve a deep state of relaxation as your therapist performs effective techniques to help you de-stress and fully unwind.

Deep Tissue

Allow your therapist to release you from tension as they focus on removing your muscle knots to achieve full relief.

Aromatherapy

Awaken your senses with this technique based on essential oils that your therapist places on key points of your body to harmonize, relax and drain toxins.

Back, Neck & Shoulders

Embrace relaxation as your therapist focuses on the areas that commonly retain the most stress and tension
