ALAIA BELIZE - A SHORT FLIGHT. A SCENIC RIDE. A WORLD AWAY.

Between the Caribbean Sea and the Belize Barrier Reef lies Ambergris Caye, a place where time slows down and every horizon makes you feel alive. Your escape to this secluded island paradise begins with a short flight or a scenic boat ride, carrying you into the rhythm of island life in charming San Pedro Town. Our resort is located on the south-end of San Pedro Town which is a short 15-minute flight or a 90-minute boat ride from Belize City.

OPTION 1 - LOCAL HOPPER FLIGHTS

This is the fastest, most convenient way to reach us. We can coordinate the 15-minute flight transfer from Belize International Airport (PGIA – BZE airport code) to San Pedro Airport (John Greif II Airport – SPR airport code). For this option kindly send your international flight itineraries, date of birth, country of birth, and names of persons as they appear on the passports. The cost is \$225 USD round trip per person or \$125 USD one-way per person.

OPTION 2 - WATER TAXI

This is a longer ride via boat/pontoon. We can coordinate the 25-minute ROAD taxi transfer from Belize International Airport (BZE) to the water taxi terminal located at the Belize City Marine Terminal (fee varies by # of guests). Tickets are additional and purchased directly by guests at the terminal for a cost of approximately \$75 USD round trip per person. The boat ride to San Pedro is approximately 90-minutes. For this option please provide the airline name, flight number, time of arrival and number of persons.

TRANSFERS TO/FROM HOTEL

To ensure a seamless arrival and departure into San Pedro, the resort offers one complimentary round-trip shuttle service per room from the San Pedro Airstrip or Water Taxi Pier to the resort. Please provide your arrival information if we are not coordinating the hopper flights or water taxi transfers for you.

**WE LOOK FORWARD TO
