

## Dada Bar + Lounge Open Mic Night

---

### **How do I sign up to perform?**

You may sign up before the event through our online form. Please note:

- You may request up to two songs.
- Signing up in advance does not guarantee a performance slot, but it allows the hosts to be well-prepared with your requested song, which increases the likelihood of a successful performance.

Upon arrival at the venue, please confirm your attendance with the host to be placed on the final performance list.

---

### **How do I know when it is my turn to perform?**

Whether you signed up in advance or not, please connect with the host upon arrival to join the performance queue. Participants will be called in order by the host, who will ensure that each person gets an opportunity to perform 1 - 2 songs, depending on the queue length.

---

### **Am I guaranteed a chance to perform?**

The host will make every effort to ensure you can perform at least one song, especially if it is your first time attending.

---

### **How long do I have to wait to perform?**

The waiting time depends on the number of participants. The event typically features around 30 songs per night. To minimise your waiting time, we recommend arriving early and signing up promptly. While waiting, you can enjoy the vibrant atmosphere and savour our food and beverages.

---

### **Are backing tracks allowed?**

As this is a live music event, backing tracks are not allowed.

---

### **Can I perform solo or with a group?**

Both solo and group performances are welcome. If you are performing as a band or a fixed group, please inform the host in advance. Group performances are also limited to two songs.

---

You are welcome to bring your own equipment, but the venue provides the following instruments:

- Microphones
  - Digital piano
  - Full drum kit
- 

### **Is there anything else I should know?**

We kindly ask all participants to respect the performers and their music. Some participants may be performing for the first time, so your encouragement and support are greatly appreciated.

The hotel may capture photographs and video footage of the event, including performing guests and attending audiences, for promotional and marketing purposes. These materials may be published across the hotel's official social media platforms, website, and other communication channels.
