**RESIDENT
HANDBOOK**

WELCOME

Welcome to UniLodge at Visage

We trust that your stay here will be both enjoyable and productive. Management is aware that you are not only here to enjoy yourself but also to study, and we understand that at times you will be under pressure to complete assignments.

The Resident Handbook is designed to ensure that everybody understands the building and observes the Rules of Occupancy so that all residents can enjoy their stay. It also forms an important part of your lease terms and obligations.

Most of the issues in this Resident Handbook are based on common sense and many have already been explained during the initial sign-up process. The regulations are designed for your COMFORT, SAFETY and SECURITY.

We hope that this Handbook will be useful to you in answering any questions and in assisting you with the most common problems that may occur.

UniLodge Visage management wants to develop an atmosphere that provides students with the greatest opportunity to maximise their success, enjoyment and experience from their time studying in Brisbane.

Enjoy your stay!

SETTLING IN

Most students coming from overseas experience a certain amount of ‘culture shock’. The people, the weather, the food, and the buildings and it may take you a little time to get used to your new surroundings.

Many new students, including Australian students, are living away from their family and friends for the first time so we encourage you to become involved in our Residential Life Program, so that you will make new friends and begin to feel more ‘at home’.

If you are having difficulty settling in, our staff are here to help you! We also have many students from different countries who are going through the same experiences as you. Please come and see us even if only for a chat! UniLodge wants your stay to be a happy and prosperous one.

What is the Residential Life Program?

The Residential Life Program is an integrated, contemporary, residential life program, run by UniLodge for our residents. It is designed to support and bring out the best in each resident through the duties and activities carried out by Residential Advisors, the Customer Service Coordinators and the Property Manager – Operations.

UniLodge’s multicultural vision

We promote a culture of mutual respect, tolerance and celebration of diversity. We aim to provide opportunity for the building to engage in cross-cultural understanding and friendship. So everyone feels respected, looks out for everyone else, belongs and shares a sense of family, friendship and belonging, interacts with, learns from, and values - all people.

What does the program aim to achieve?

It offers a balanced program of activities that supports resident life across many dimensions such as: standard of living and quality of life as a whole, mental and physical health, academic and personal achievements, personal and social relationships, safety and security and community connectivity.

What types of activities underpin the community spirit program?

- Socially responsible activities such as getting residents involved in raising much needed funds for a charity such as “Movember”, or participation in community activities.
- Barbeques and nights full of entertainment which encourages integration, fun and friendship.
- Trips to Aussie fun spots - go surfing, indoor rock-climbing, bike riding to great Australian icons.
- Educational and special interest forums, seminars and focus groups.
- Life skill sessions such as budget workshops, interview skills, and resume writing workshop.
- Games nights and movies nights.
- Sporting activities such as netball, basketball, footy, cricket – it’s up to you!
- International parties and cultural activities.

Attending events

Attending and signing up for events is easy, just go to UniLodge St Lucia Facebook page for information and then sign up with reception! Please be advised that the community spirit membership is optional and is not included in your rent. Contact reception for more information.

UPON ARRIVAL

This handbook contains vital information which works in conjunction with your tenancy agreement. You must read these documents and, once understood, sign the acknowledgment form when you check in, as agreement to abide by the building rules and contract obligations. You are also entitled to a copy of the signed tenancy agreement and this is generally given to you on your arrival.

The items you will receive on checking in are:

- A unit key
- A copy of the entry condition report for your unit
- A copy of your tenancy agreement
- RTA renting in QLD fact sheet
- Fire Safety Instructions

Security and Unit Key

You are issued with a unit key when you check in. The key will give you access to the front door and your apartment. The key should be carried by residents at all times. Your key must not be given to any other person.

Should you lose your key or be locked out of your unit, you must contact the reception immediately. Prices for the replacement of lost keys & lockout fees are as follows:

Unit Key	At cost
Lock out fee:	\$75 each

If you get locked out of your unit after hours, please note entry is given by onsite staff and is not immediate. You may need to wait up to several hours for access.

Identification (ID)

Your ID should be carried at all times as it allows management to determine if a person is a resident at the property. It also allows afterhours access should you lose your key. **You should always keep your keys and ID separate.**

Office

The office for Visage is located on the First Floor of Linear on Gailey, 18 Gailey Road, St Lucia QLD 4067 and our friendly staff will not only assist with questions and queries regarding the property, but have a range of knowledge concerning the local area, food, travel and general information. The office is open Monday to Friday 9am to 4pm.

Access to other units

Entering another resident's unit without authority will result in the same action as a member of the general public entering a home without approval. That is, offenders may be detained and charged with trespassing by the appropriate authorities. To prevent trespassing and, in particular theft, all residents should keep their doors closed regardless of whether or not they are in their unit, and always escort guests/visitors to the property.

Absence from your unit

If you intend to leave your unit for an extended period of time, please ensure you advise our staff. We will note this on your file in case we need to contact you in an emergency. If you are away over a rental instalment date, it is your responsibility to ensure that your rent is prepaid.

Additional furniture

The installation of other furniture into a resident's unit is not permitted unless a written application is submitted to and approved by UniLodge management. Every request will be looked at separately depending on the size of the unit and furniture required.

YOUR AGREEMENT WITH US

Bond

A bond equivalent to four (4) weeks rent is required. The bond is lodged with the Residential Tenancies Authority on behalf of the resident for the term of the tenancy and/or for any further period in which the resident may occupy the unit.

The bond cannot be used for rent unless authorised by the Property Manager - Operations. The cost of repairs or excessive cleaning may be deducted from the bond.

Entry Condition Report

At the commencement of the Tenancy Agreement, an Entry Condition Report will be completed and signed by both the Resident and the UniLodge Property Manager - Operations. HEALTH

Overseas student health cover

International Students on a study visa must have Overseas Student Health Cover (OSHC). Your OSHC is usually for a six or twelve month period. On arriving in Australia you will need to confirm your OSHC with the Insurance Company and complete an Application for OSHC. Residents will be required to present their Confirmation of Enrolment form as proof of their status.

If you allow your membership to lapse, the company may notify the Department of Immigration, which could result in your student visa being cancelled.

You must renew your cover each time you re-enrol to study or every 12 months. To do this you will need your membership card, passport and a letter from your college, university etc confirming your re enrolment.

Under OSHC you are covered for accommodation and/or treatment in public hospitals. This applies whether you need to stay in hospital or are a patient at the hospital's outpatient clinic or in the emergency/casualty department.

Your OSHC does not cover ambulance, dental, pharmaceutical, glasses and/or contact lenses. If you or your parents want you to be covered for these items, you will be required to pay extra for this type of insurance cover. Please note that emergency services in Australia are very expensive and ambulance cover is recommended.

General health care

In case of an emergency dial 000

Do not go to the emergency centre of a Queensland public hospital if you have a minor illness. This should only be used for an emergency. You could call 1300 HEALTH or 1800 IM SICK, a government sponsored medical helpline available 24 hours per day.

The University of Queensland also provides free health services to its current students. St Lucia campus clinic operates from Monday to Friday, 8.30am – 5.00pm. You must make an appointment with the clinic in advance by calling 07 3365 6210 to see the doctor. Please bring your student ID and Medicare/OSHC card when you visit.

CARING FOR YOUR UNIT

Maintenance

Please follow the procedure below upon discovery of an item requiring attention.

1. Identify the problem and prepare to give the associated details.
2. Contact reception and fill in the maintenance work order / authorisation form.

Appliances and Fixtures

a) Microwave

Your kitchen is provided with a microwave located in the kitchen. The microwave is connected to a 240V single-phase electric power supply. Do not place metal items inside the microwave.

b) Refrigerator

Your kitchen is provided with an electric refrigerator connected to a 240 volt electric power supply. On arrival check that the fridge is plugged in and switched on, you may need to adjust the cooling setting within the refrigerator. To be effective the refrigerator should be constantly left on.

c) Dishwasher

Your kitchen is provided with a dishwasher for your convenience. An appropriate detergent/tablet is required when using the dishwasher, and using Rinse Aid is strongly recommended.

c) Smoke Detector

Your unit has been installed with a smoke alarm. Generally, they are located on the ceiling in the bedroom and kitchen areas and outside in the common area hallways on each floor. Each one is connected to a 240V power supply via your unit switchboard. Please see page 9 for more information.

d) Glass and Aluminium

Please note the following suggested points for the care and maintenance of the glass in your apartment.

WHAT NOT TO DO

- Do not store or place items in contact with the glass (This can damage the glass or create a heat trap leading to thermal breakage).
- Never use abrasive cleaners on glass. Scouring pads or other harsh materials must not be used to clean windows or other glass products. Powder based cleaners are to be avoided.
- Avoid causing extreme temperature changes as this may lead to thermal fracture of the glass (i.e. Do not splash hot water on cold glass, or freezing water on hot glass). Some tapes or adhesives can stain or damage glass surfaces. Avoid using such materials unless they are known to be easily removed.

f)

Removing Stains

DO NOT use any powders or abrasive liquid cleaners. A light application of methylated spirits or cleaning liquid that does not contain solvents can be used. Notify the reception immediately if this cannot be removed.

g) Tiled Surfaces

- Do NOT clean the tiles with ACID.
- Do NOT clean tiles with any abrasive materials.
- Do NOT place-potted plants directly onto tiled balconies – remove any residue immediately before staining occurs.
- Use specifically designed tile-cleaning detergents only.

h) Mirrors

The manufacture's recommended cleaning method is as follows: Gently wipe with a damp, lint-free cloth.

i) Laminex and tile cleaning

A wipe over with a clean, soft damp cloth should be sufficient to keep all laminex surfaces clean. Soiled surfaces or light stains are best removed with warm soapy water or with a common detergent, such as Mr. Muscle, Nifty Solvent or bathroom cleaner. Wax or other polishes are unnecessary and should not be used.

j) Scratches, cuts and burn marks

Chopping and cutting directly onto the surface can damage laminex surfaces. To prevent this happening, use a cutting or chopping board. Sliding of heavy objects can cause scuffing of the surface. Do not leave hot pans on the bench directly. Residents will be charged for replacement of the surface if severe cuts, scratches or burns occur.

k) Hanging Items on the walls

Please be very careful of what you stick onto the walls. In the event that paint is damaged when removing posters or other hanging items we are required to paint the whole wall and you will be responsible for the cost. No sticky tape is to be used. No blue tack is to be used as it can stain.

l) Periodic inspections

UniLodge inspects every tenanted apartment biannually to ensure that the unit is in good care and condition. Photos will be taken during this process and an inspection report will be sent to the owner of your apartment. It is strongly recommended to clean and tidy your unit regularly.

Extra inspections may be organised, breaches issued and fines placed on your account should your room not be kept in a hygienic state.

m) Foods with strong Odours

We ask that all our tenants are mindful of other residents when it comes to cooking and consuming foods with strong smells. We need to remember that not everyone has the same tastes or even sensitivity when it comes to smells. While we don't want to discourage you from enjoying your favourite foods here is a list of things to be careful of.

- Some herbs and spices
- Some fruits (such as Durian)
- Some seafoods – especially seafood waste
- Some curries

Please be mindful that some of these smells may cause issues for some residents especially if you can smell this in the hallways. Also be aware that some strong odors can linger in your apartment and in some cases may require extra cleaning or in extreme situations could require carpets to be replaced when it's time to move out.

REFUND POLICY

Deposit and Advanced Rent - Total Refund

In the event that an applicant has fulfilled all obligations as defined by UniLodge but the offer of accommodation at UniLodge is withdrawn, or if UniLodge management is unable to provide accommodation in accordance with our obligations, all deposit payments and advance rent instalments will be fully refunded. However, whilst UniLodge representatives will try to offer applicants the rooms or units of their choice, this may not always be possible. If applicants are offered similar alternative accommodation within the same UniLodge facility before commencement of their Tenancy Agreement, or upon their arrival to take up residency but wish to decline this offer, a cancellation fee will apply.

The bond is refundable at the end of a Tenancy Agreement, which is not renewed. The conditions for this are: Rent is paid in full, all furniture and equipment is accounted for, there is no damage to any UniLodge property for which the Resident is liable. Any costs related to damage, rubbish removal, or excessive cleaning costs will be deducted from the bond.

Partial Refund

In the case where a resident wishes to withdraw from their application, who after accepting the offer of accommodation and has paid a holding and/or security deposit and/or rent, must give at least **28 days written notice** prior to either the commencement date of their tenancy agreement or the UniLodge Semester start date, whichever is the earliest. Where appropriate notice is given, then a portion of the security deposit may be refunded **at the discretion of UniLodge management**, dependent on the subsequent re-letting of the apartment to another party.

No Refund

In the event of a resident being evicted, the resident will not be eligible for refund of any Rent paid until another resident is found.

At the end of a tenancy agreement, where damage has been caused to UniLodge property and the security deposit is not enough to cover the cost of rectification, the bond will be claimed and the Resident will remain liable for any additional costs.

Where a Resident breaks a tenancy agreement without cause, the Resident is not eligible for any refund of advanced rent and payment must be made until another resident is found.

Breaking the Tenancy Agreement

The tenancy agreement is a legally binding document, which if broken may continue to attract costs for the tenant. Where a resident believes that they cannot stay in the unit or continue to pay the rent, they must notify UniLodge management in writing as soon as possible.

There is no set amount of notice a resident can give if they wish to break the tenancy agreement early for exceptional reasons. However, it is in the resident's best interest to give as much notice as possible and, as a guide, four-week notice should be the minimum time.

When considering prematurely terminating your tenancy agreement, it is your responsibility to do one of the following:

- Continue to pay rent as per the agreement until the unit is re-let. We will refund any monies owed to you if and when the unit is re-let. Reletting can be done in two ways:
 - (1) Find another suitable person to take over your unit so there is a continuation of payments to the unit owner OR
 - (2) UniLodge will find a suitable replacement to take over the lease agreement.
- In either case, rent must be paid until the suitable replacement is found. The unit must be returned to the same standard that it was at the commencement of the lease.

- Suitable replacement means the person must be a university student, not currently living in any UniLodge property and is willing to stay until the end date of the lease agreement (with option to extend the lease).

You have entered into a legally binding agreement and you are responsible for the payment of the tenancy fees under this agreement for the agreed term. UniLodge reserves the right to seek recovery of these monies should you fail to meet your legal requirements. We have the resources to recover monies owed to us inside or outside of Australia.

BUILDING/ROOM FACILITIES

Laundry

Each apartment is equipped with a front loading washing machine and dryer as well as a laundry sink with underneath storage. For effective cleaning and drying, do not overload the machines.

Bicycles/Storage

In order to preserve floor coverings and other fittings and fixtures, bicycles are **not** to be brought into the building including your unit. Contact reception for bicycle storage.

Parking

One car parking space is allocated to each Unit. Visitors parking spaces must not be used by residents for long term parking.

SECURITY

Insurance and security for your unit

All residents are strongly advised to take out insurance cover on their personal belongings and items such as stereos, computers, CD players, bicycles, clothing etc as they are **not covered** by UniLodge insurance policies.

Any large complex is vulnerable to petty theft, and UniLodge On Gailey is no exception. We suggest that you **keep your door locked at all times.**

Intruders

Although we take all possible precautions, intruders may occasionally gain entry. If you see anyone behaving suspiciously, call central office immediately and watch the person or persons from a distance, but do not put yourself at risk.

Be aware that people have been known to walk around a complex with a clipboard pretending they are on official business of some kind.

- Do not show any person to a resident's unit, or tell them where they live - the Resident concerned may not wish to see the visitor.

If in doubt - call Management on 3726 1700
