

The background is a solid light beige color. Overlaid on this are three stylized white line-art flowers. Each flower has a long, thin stem and a cluster of petals. The petals are defined by simple white outlines and some internal lines suggesting texture. One flower is on the left, another is in the upper center, and the third is on the right, slightly lower than the others. The text 'THE FULLERTON SPA' is centered horizontally and partially overlaps the central flower.
