

Human Rights Statement

Amsterdam Manor Beach Resort and MVC Eagle Beach are committed to upholding and promoting human rights across all aspects of our operations and supply chain. We maintain a zero-tolerance approach to any form of human trafficking, exploitation, forced labor, or abuse.

We expect all employees, contractors, suppliers, and business partners to adhere to these principles. Any indication or suspicion of human rights violations, including exploitation or abuse, will be taken seriously. Where such concerns are identified, appropriate action will be taken, including the termination of working relationships and, where applicable, reporting the matter to the relevant authorities.

We are dedicated to raising awareness among our staff by providing guidance on how to recognize the signs of human trafficking and abuse, as well as clear procedures for reporting concerns. Employees are encouraged to report any suspicions in a safe and confidential manner, without fear of retaliation.

Through these commitments, we aim to contribute to a safe, respectful, and ethical environment for all individuals connected to our operations.
