

Sustainability Environmental Policy

At Eastin Grand Hotel Phayathai, we are committed to protecting the environment and promoting sustainable hospitality by minimizing ecological impact, conserving natural resources, and fostering environmental responsibility among employees, guests, and partners.

Our Environmental Commitment

Regulatory Compliance

Full compliance with environmental laws, regulations, and international standards.

Continuous Improvement

Monitoring, training, and innovation drive our environmental performance forward.

Green Certifications

Achieved **LEED Gold** and **TSEMS – Advanced Level**, and maintaining **Green Globe Certification**.

Integrated Management

Environmental awareness is integrated into our operations, encouraging teamwork and shared responsibility for a greener future.

Key Environmental Focus Areas by 2030

Performance & Engagement

Monitoring & Improvement

Environmental performance reviewed monthly and quarterly through departmental monitoring, internal audits, and management reviews.

Progress measured against key indicators: energy, water, waste, and greenhouse gas emissions.

Target: 15% reduction in overall environmental footprint by 2030.

Act Green, Live Green

Our campaign encourages employees and guests to take meaningful actions:

- Reduce single-use plastics
- Reuse linens and towels
- Switch off unused lights

Regular staff training and Green Team initiatives ensure environmental awareness remains integral to our culture.

Leadership & Accountability

Green Team Oversight

Oversees policy implementation, monitors compliance, and ensures that environmental goals are achieved.

Departmental Action

Department representatives translate policies into practical actions within their respective areas.

Sustainable Future

True hospitality goes hand in hand with environmental care for a greener tomorrow.

"This Environmental Policy reflects our belief that true hospitality goes hand in hand with environmental care, ensuring a greener and more sustainable future for all."
