The Whisky Room

We are proud to be a Whisky Ambassador certified property. If you have questions about whisky please feel free to speak with one of our Whisky Ambassadors.

The Eldorado Whisky Room was created to fulfill a need in Kelowna for its own Whisky Bar where friends can meet over a dram of their favourite whisky and spin tales between themselves. The Eldorado has a storied history and whisky is all about stories. From the pioneering spirit of Countess Bubna to the flights of whisky from around the world stories are created and told amongst friends.

We have established a haven for the whisky lovers in town and for those who visit us from around the world. We have established the finest whisky collection in town with over a hundred whiskies; single malts along with blends, Canadian, Irish, Bourbons and Ryes and a list of whisky flights! These offerings along with Whisky based cocktails and our barrel aging programme are the smoothest whisky cocktails you will ever have the pleasure of tasting!

Come take a seat and relax after an active day and let the tensions of the day wash away under the elixir known as “Uisge Beathe” The Water of Life.

A medley of apricot and peach complement this cereal-forward single malt, with a subtle maritime note nodding to the whisky's all Islay harvest, distillation and maturation.
