FLAMINIA

Renowned Chef Giovanni Pilu and the Pilu Team proudly introduce Flaminia - overlooking Sydney Harbour. Flaminia brings a taste of Italy's coastal towns to the city - a place to gather, eat well and enjoy 'la dolce vita'. Whether you're planning an intimate celebration, a business lunch or a cocktail gathering, our team will work with you to create something that feels easy and memorable. With harbour views, great produce and a space that suits the occasion, our team looks forward to welcoming you.

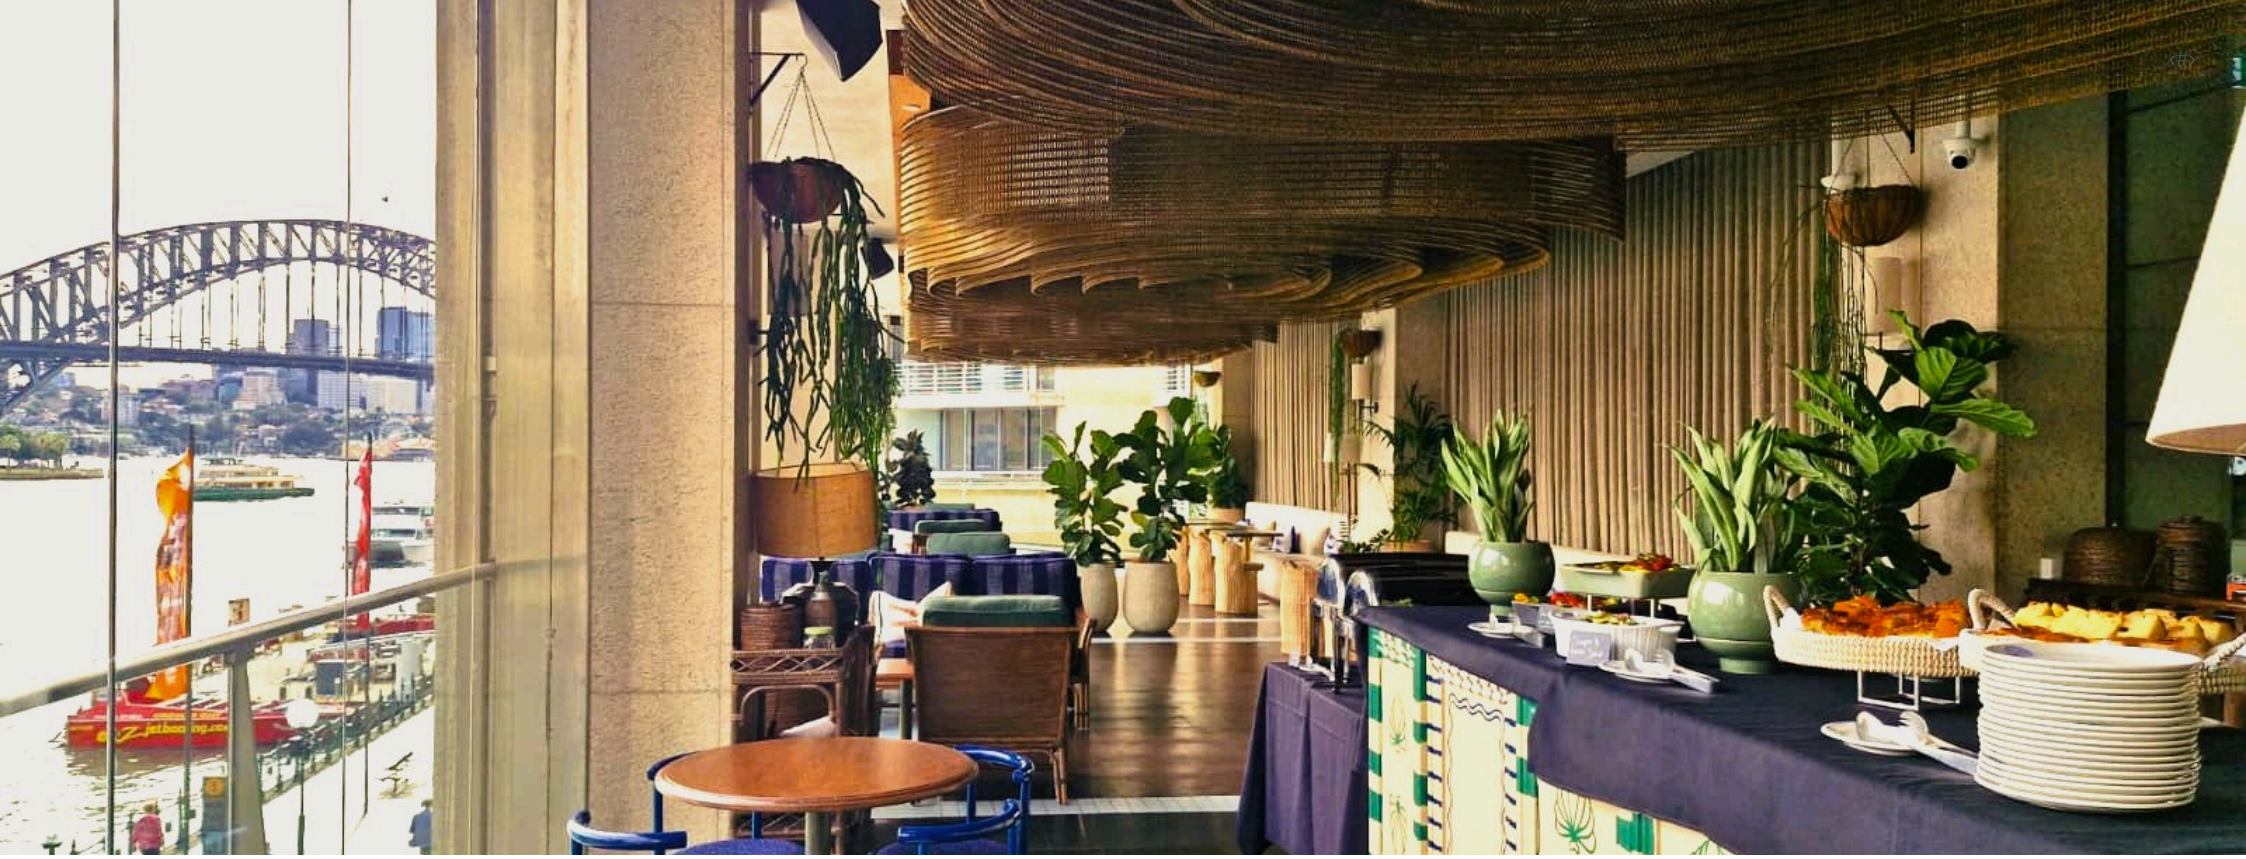

Our spaces—open and welcoming, or quietly tucked away—invite your group to pause, connect, and experience the joy of a table shared. From intimate meetings to lively celebrations, each event is woven together with care.

Lunch arrives—simple, generous, alive with the flavours of the coast. A catch from the sea, a twist of citrus, a memory of childhood. Sunlight dances on glass. Laughter lingers. This is not just another business lunch; this is an escape, a brief journey to a place where every bite carries the taste of discovery.

We believe the best moments are the ones you can feel long after they're gone. At Flaminia, every gathering is a celebration of now—sensory, authentic, and just a little bit magical.

Let us craft your next event. The table is set, the sea is calling.
