KUPU WHAKATAKI | WELCOME

Nau mai, tauti mai, ki UniLodge Waitaha | Welcome to UniLodge Canterbury

Kai ngā ihoiho o ngā maunga whakahī e tū kāwekaweka mai nā i ō koutou rohe houkura, nau mai, tauti mai! Tēnā koutou katoa.

On behalf of the entire UniLodge Waitaha | Canterbury whānau, I would like to welcome you to your home for 2026! Living in a Hall of Residence means you are part of a community that looks after each other. Moving away from whānau and the familiar can be quite daunting. Rest assured alongside all other ākonga | students and your Taurima | Residential Advisor, we are here to facilitate a smooth transition and manage the rhythms of the academic year in a safe and supportive residential setting.

Our team is aware that you are here not only to enjoy yourself but also to study, and we understand that at times you will be under pressure to complete assignments, we will work with our residents to help teach you all how to prepare for success here at the University of Canterbury. The Aratohu Kainoho | Resident Handbook (this document) is designed to ensure that everybody understands and observes the requirements and rules so that all ākonga can enjoy their stay.

As a cohort, you may not only be from Aotearoa but from all around the world. You study a variety of subjects, have a wide range of interests and talents, and have diverse cultural backgrounds. We will embrace diversity and similarities to produce a tight-knit and vibrant community, one in which we have confidence you will be able to make lifelong friendships and memories.

Most of the information in this handbook is based on common sense and has already been explained during your initial sign-up process. Our requirements and rules ensure the COMFORT, SAFETY, HEALTH, and SECURITY of all students.

We hope that this handbook will also prove useful in answering any questions and in assisting you with the most common issues that may occur. We have team members on duty 24 hours a day, should you not find the answer you are looking for here, please give us a call.

The whānau of UniLodge commit to create an atmosphere that provides ākonga with the greatest opportunity to maximise their success, enjoyment and experience from their time studying in Ōtautahi Christchurch at Te Whare Wānanga o Waitaha | University of Canterbury.

Please read through this guide thoroughly to help you settle in. It is a useful reference tool to come back to throughout the year if you have any uncertainties.

We wish you an exciting year of self-discovery, success, and memory-making.

Mauri Ora,

Jacob Waitere | General Manager Portfolio

MŌ MĀTOU | ABOUT UNILODGE

Our Whakataukī

Ka ora kāinga rua

This whakataukī acknowledges that this whare, Sonoda and Hayashi, will be your home away from home.

Our Vision

UniLodge's vision is: To create inclusive communities for inspired living.

Our Mission

UniLodge's mission is: To be the leading operator in the living sector.

Ngā Uara | Our values

At UC we value manaakitanga, whanaungatanga and tiakitanga. These values guide what we do and how we do things. They challenge and inspire us to empower others and to be the best we can in our work, our studies and our interactions with each other.

Underpinning our values are the attributes of:

- Tika doing what is right, being professional and maintaining high standards,
- Pono being honest, truthful and acting with integrity,
- Aroha being respectful, responsive and empathetic.

Kia tika, kia pono, kia aroha - doing what is right with integrity and empathy - This is how we check in on how well we are living the values.

At the centre of our attributes is utu - reciprocation and balance. Utu is linked to retaining mana and recognises the link between actions and reactions and that all actions require an appropriate response, whether positive or negative.

You can read more about our values on the UC website: https://www.canterbury.ac.nz/about/values/

Our History

The whenua | land that Dovedale Campus is situated on is that of Ngāi Tūāhuriri and Ngāi Tahu as the local hapū and iwi who are mana whenua. The land and rivers that the city of Christchurch now occupies has significance to the local iwi and we acknowledge this and their stories and narratives.

Sonoda Christchurch Campus was built in the 1990's as part of the then Christchurch College of Education. The building was done in partnership with Sonoda Women's University. Sonoda Women's University is a private women's college in Amagasaki, Japan, established in 1966. Sonoda was the first accommodation on the Campus. As a result of the partnership there is a Japanese inspiration throughout the Hall.

Hayashi was opened in 2018, adjacent from Sonoda Christchurch Campus. "Hayashi" translates to 'woods' in Japanese and is a reflection of the many trees in the area. Together the two Halls make on cosmopolitan community and are known as Dovedale Halls.

Code of Practice for Pastoral Care

Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021 will ensure that domestic and international tertiary students can succeed academically in a safe, healthy, and supportive learning environment in line with the International Student Code. UC and UniLodge are committed to supporting halls of residence to ensure they are following the Code.

At a check in station or reception, a member of the team will greet you, check you have completed your induction, direct debit and other prerequisites and then hand you your keys/swipe and check in information

Once you have your keys, then you are able to find your room and move in! Make the place feel like home and be sure to check in with your Taurima.

Immunisations

Living in a Hall means living with a large community of other students and staff. Immunisations help protect our community and UniLodge encourages all residents to be immunised (unless for a medical reason you cannot receive a vaccination).

It is recommended that all ākonga are fully immunised including against COVID-19, measles, mumps, rubella (MMR), meningococcal ACYW, meningococcal B and pertussis (whooping cough).

The varicella immunisation is also recommended for students who have not had chicken pox or who have not already completed a course of the varicella immunisation.

Meningococcal vaccines

Meningococcal disease is an infection caused by bacteria. It can develop in just a few hours and lead to two serious and potentially life-threatening illnesses – meningitis and septicaemia. People living closely with others are at high risk.

The UC Health Centre strongly recommends students are vaccinated **BEFORE** you arrive at the Hall – there are two vaccines available. Menactra/MenQuadFi protects against strains A, C, W and Y, and Bexsero protects against strain B – both are free for all domestic students up to 25 years who are entering halls of residence within the next 3 months UC Health recommends both vaccines for everyone in Halls, there are opportunities for funding for Hall of Residence student and we suggest you contact your primary health care provider for more information.

Contact your GP for more information or visit https://www.canterbury.ac.nz/life/support-and-wellbeing/uc-health-centre/health-centre-services/vaccinations

Medical

If you require a fridge for medication or a sharps bin, please let us know before you arrive. Please let us know of any medical conditions that may affect you while you stay with us, it will not affect your application!

Insurance

Before you arrive to stay at UniLodge we strongly recommend that you arrange insurance for all your personal belongings including, but not limited to, cars motorcycles, bicycles, computers, and personal effects. UniLodge and UC do not carry insurance for residents' belongings. We also recommend that you get cover to provide for any accidental damage to the property during your stay. Your whānau household policy insurance may cover children's personal belongings, but please check with your whānau first - never assume with insurance.

UniLodge accepts no responsibility for any damage, loss, or theft of students' possessions.

Car parking

We have limited parking at UniLodge Waitaha. We cannot guarantee that we will be able to provide facilities to every car-owning resident.

All cars onsite must have a current WoF and Registration and a valid UniLodge parking permit. Permits can be requested after the residential contract has been accepted.

The cost for car parking in 2026 is: \$620 per annum

UniLodge formally recommends residents to get a steering wheel lock for added security for your vehicles.

Setting up your flat with your flatmates

The great thing about living in a university flat is that we make it so much easier to set up your flat! We have taken care of all the tricky items like power, internet, and furniture! However, there are some talking points that you need to have with your new flatties! Below are some really important conversation starters for new flatmates:

Are we going to cook together and share food items?

- How are we going to pay for flat consumables? Do we need a flat bank account?
- What are our thoughts on having guests stay over?
- What are our thoughts on noise levels within the flat? Do we start our routines super early in the morning or stay up late at night?
- What do we want in our flat sharing agreement?

Your Taurima will assist you in having these conversations, and if there are any issues, please let us know.

Miscellaneous

- Please take care when putting items on the wall. Only use Blu-tac.
- The cost for repairing damage (other than 'wear and tear') will be invoiced to your account. We strongly encourage students to have their own insurance to cover any accidental damage.
- Any questions about room furnishing should be directed to your Taurima in the first instance.
- You are fully responsible for your room and the behaviour of visitors and happenings within, whether you are present or not.
- · Be considerate with noise
- There will be no room swaps, without permission from the Kaitātai or Residential Life Supervisor
- Please do not move furniture out of your bedroom or communal spaces.
- To ensure that your room is adequately ventilated, please open windows daily.
- Sustainability is a key part of our mission here at UniLodge. Please use the recycling bins located in your communal rooms whenever possible.
- Personal heaters, refrigerators, electric jugs/ coffee machines and toasters or anything used to cook are not permitted in bedrooms.
- All electrical appliances must be certified, if over a year old.

Residential Life is an integrated, contemporary, residential life programme, run by UniLodge for our Kainoho | Residents. It is designed to support and bring out the best in each Kainoho through the duties and activities carried out by Kaimahi | staff at UniLodge.

Bicultural Competence and Confidence

UC is working towards an education system that includes Te Ao Māori, Māori world views, and mātauranga Māori, Māori indigenous knowledge systems, the land and their relationships with Tangata Tiriti (non-Māori people living in Aotearoa). The UC Graduate Profile provides a framework for bicultural competence and confidence, which is the ability to interact confidently and appropriately with people from different backgrounds.

It goes beyond an awareness of, or sensitivity to, another culture to include the ability to use that knowledge in intercultural situations. It is focused upon the inclusion of mātauranga Māori and mātauranga Ngāi Tahu, Ngāi Tahu knowledge, within undergraduate degrees. The sense of belonging and commitment to Māori aspirations is made manifest for Māori.

UC is a committed bicultural university operating in an intercultural world. We not only recognise the role of, and partnership with Ngāi Tūāhuriri and Ngāi Tahu as the local hapū and iwi who are mana whenua, we also aim to embed a bicultural perspective in all our learning, teaching, research and in everything we do. We also acknowledge the unique connection we have in Aotearoa through shared narratives that reach across the Pacific.

Ākonga who reside at UniLodge Waitaha will be entering a whare that values, respects, encourages and normalises mātauranga, tikanga and te reo Māori (Māori knowledge, protocols and language) as the indigenous language and people of Aotearoa. UniLodge Christchurch is a whare that supports the use of all languages and is inclusive of all people from all cultures and backgrounds.

We value manaakitanga at UC and within our whare, UniLodge Waitaha. We promote a culture of mutual respect, tolerance, and celebration of diversity and will provide opportunity for the building of bicultural understanding, within an intercultural context. We aim to create an environment where everyone feels respected and looks out for everyone else. A community where residents feel they belong and can share a sense of whānau, and where friendship and whakawhanaungatanga are valued. We aim to provide opportunities for residents to interact with, learn from, and value everyone.

UniLodge Waitaha offers a balanced programme of activities that supports Resident life across many dimensions such as: standard of living and quality of life, cultural, mental and physical health and wellbeing, academic and personal achievements, personal and social relationships, safety and security and community connectivity.

Our Residential Life framework objectives

Our Residential Life framework focuses on 5 key areas. Each of these areas has key objectives. These are:

Academic Objectives - To support the student's University experience and their goal of achieving academic and personal success; including degree attainment, improved career prospects and future employability.

Social Objectives - To provide residents with lifelong friendships and connections through social interactions and local experience, whilst enabling community belonging.

Community Objectives - To promote a sense of community connection and responsibility and engage residents in a range of socially responsible and sustainable practices.

Cultural Objectives - To assist in the development of cultural competency - the understanding and appreciation of human differences - and to encourage social responsibility.

Health and Wellbeing - To encourage positive mental and physical personal health and assist with leisure pursuits amongst the broader community.

What kind of programmes will be on offer?

So, you are probably thinking, what kind of events will be run? Well, we have you covered with:

• Socially responsible activities that focus on whakawhanaungatanga (establishing and strengthening relationships) such as getting ākonga involved in raising much needed funds for charity initiatives like Movember, or participation in community activities.

There will also be opportunities to work with the Te Hunga Tūao | Student Volunteer Army and other student clubs

- Educational and special interest forums, seminars and focus groups
- Life skill sessions such as budget workshops, interview skills, and resume writing workshops
- Game nights and movie nights

We work hard to quickly resolve all maintenance jobs. Once you have logged a maintenance request, you can expect the following response times:

- Low 3 months
- Medium 5 Days
- High 24 hours
- Urgent 4 hours

However, sometimes it may take a bit longer than expected depending on the circumstances of the job. When that happens, we will always endeavour to keep you up to date. If you would like an update, you are more than welcome to enquire at reception.

Building-wide Maintenance

Throughout the year UniLodge Waitaha will undergo maintenance and checks to make sure our building is in decent shape. We will endeavour to notify all residents at least 48 hours before any maintenance occurs when it has a direct effect on the resident.

Damage investigations

Unfortunately, there might situations when damage occurs to our building, furniture and fittings, or items taken. When situations like these occur, your Kaitātai and kaimahi will lead an investigation for more information. This investigation will include:

It is in the best interest of our whole community if everyone respects and looks after our home and keeps it safe.

AHUMONI | FINANCES

Please contact a member of your UniLodge team if you are having financial difficulty so that we may advise and support you as needed, it is always easiest if you let us know sooner rather than later.

Paying your fees

You can pay your accommodation fees in two ways:

Direct debit: Completing a direct debit form for the regular fortnightly payments automatically from you nominated bank account.

Online payments: You can make payments via the UniLodge Resident Portal. This is suitable for catching up with missed payments, additional charges or to put your account into credit.

Copies of your payment schedule can be found alongside your Residential agreement

Bulk Payments: Contact our reception team directly if you would like to make a bulk Semesterly or Full year payment

Important information to consider

The period of the residential agreement is fixed. You will be required to pay for the accommodation for the full period you have agreed to even if you arrive later than the start date or leave prior to the end date. When looking at your room account online, 'Cr' stands for credit and indicates a positive balance where 'Dr' represents debit and indicates a negative balance.

Tips on taking care of yourself

Share thoughts and feelings with friends, whānau, or a counsellor. Talking your problems through as soon as they appear can really help relieve stress and anxiety.

Eat nutritious foods, get adequate sleep and exercise regularly. Doing these things can trigger a chain of healing affects - especially when you feel anxious or under stress.

Build and maintain your self-esteem. As you work on building your self-esteem you will feel better more often, enjoy your life more than you did before, and do more of the things you have always wanted to do.

Learn to relax and spend time doing the things you love to do! There are many relaxation techniques and other methods available to suit personalities and lifestyles, e.g., hobbies, reading and meditation.

Seek help. A problem can sometimes be too hard to solve alone - or with friends and family - so it is important to seek professional help. You can see your family doctor, a community group, a psychiatrist, nurse, occupational therapist, psychologist, social worker, or counsellor.

The University of Canterbury Students' Association (UCSA) is independent of the University and exists to support students – ākonga tū, ākonga ora. You can contact the Advocacy and Welfare Team via email, phone, or just drop into the UCSA offices to discuss your concern. The UCSA Student Advocate will be able to assist you in:

- Navigating the correct University appeals and complaints processes.
- Concern, complaint, and appeal letter writing.
- Locating and understanding important University regulations and policies

Personal space and boundaries

Strong communities who care about others are part of our values. It is important to remember that living in a communal hall environment does have challenges. There are behaviours we can all use to make life living on campus easier.

Respecting others' space and privacy

On campus, Hall life is very different from living at home with whānau | family and requires us all to actively consider how you approach and communicate with others. Everyone has different comfort levels, and it is important to respect these and be considerate.

Respecting others' personal space

There are differences in space preferences between relatives, friends, acquaintances, and strangers. Here is some basic guidance:

- Keep at least a metre between yourself and a stranger or someone you don't know well.
- Observe body language: If someone is leaning away from you or moving backwards, you are too close. If someone steps back, don't step closer—wait to be invited to move closer. If they don't invite you to move closer, this may be their way of communicating that they want more personal space.
- Never touch someone without their permission.
- Ensure that you are not blocking exits. This is important both for safety and to make people feel comfortable.
- If someone steps into your personal space, ask them to step back. You could move slightly to the side or backwards to regain the level of space that feels comfortable for you.

Visiting someone's bedroom

- Don't enter anyone's personal space without being invited in.
- If you are walking past someone's room and you see a group of people in there, it is not a general invitation to enter and join in. The same room entry rules apply.
- If a door is closed, knock and wait for an answer and invitation to enter.
- If a door is open, say hi and ask for permission before entering.
- Do not enter another student's room if they are not there, even if the door is unlocked.

Sitting on someone's bed

- There is limited seating in bedrooms. If you have been invited in, ask where you should sit. Don't assume that you can sit on someone's bed without their permission.
- If there is not enough seating and you don't want someone sitting on your bed, or if you don't want to sit on someone else's bed, suggest moving to a common area.

Knowing when to leave

- If conversation starts to falter, or the occupant of the room starts to busy themselves doing other things, it is probably time to leave.
- If a group of you are hanging out in a bedroom and the others leave, you should leave too unless you are invited to stay and you want to.
- If you are asked to leave, it is time to leave.

Asking someone to leave your room

- Some people find it more difficult to understand social cues. While being polite, also be direct in your request. For example, "It's time to go now. I have things to do."
- If you do not feel comfortable asking someone to leave your room, you could suggest moving into a common area instead.
- Contact staff by calling our free 0508 number if you feel unsafe or a person refuses to leave your room.

If you are uncomfortable with a guest that your roommate or flatmate has invited in, ask to speak to your flatmate privately. Let them know you are not comfortable with their guest and find out what their plans are and whether they may be able to meet elsewhere. You may choose to be away if the guest is going to be present or ask them not to return to your space. Ask your flatmate for advance notice next time they are bringing in a guest. If, at any time, you feel unsafe, contact a UniLodge team member.

Respecting other people's property

- Never go through someone else's personal belongings.
- Do not take or borrow anything without permission.

Consent

With over 230 kainoho at Sonoda and Hayashi and thousands of young adult students at Te Whare Wānanga o Waitaha | University of Canterbury, relationships will form between kainoho. These may range from casual friendships

to more intimate interactions. In all relationship matters it is essential that mutual respect and consent is followed by both parties. All kainoho of UniLodge must be very clear on the meaning of sexual consent. Prior to arrival you will receive a link to your on- line training platform for UniLodge, these courses are mandatory for all residents. Sexual activity without consent may be treated as serious misconduct and is likely to involve Te Whare Wānanga o Waitaha | University of Canterbury and Te Pirihimana o Aotearoa | New Zealand Police.

SEXUAL
CONSENT...
GET IT:

- The following are very good guidelines.
- Consent must be CLEAR. The absence of a no does not mean yes. Silence is not consent. No means no.
- Consent must be COHERENT People who are asleep or incapacitated by drugs or alcohol cannot give consent.
- Consent must be WILLING. It is never given under pressure, whether that is emotional or physical
 manipulation or threats being used.
- Consent must be **ONGOING**. If someone consents to one sexual activity, that does not mean consent to all or repeated activities. As a community you are also responsible for each other. Please look after your friends and be pro-active in supporting anyone who is in potential danger or harm.

WAIPIRO, TARUKINO, MOMI TŪPEKA, MOMI MAMAOA | ALCOHOL, DRUGS, SMOKING AND VAPING

Alcohol

We respect your right to drink, however we ask you follow our rules and guidelines. Drinking in the Hall must be in a safe, responsible, civilized manner so the rights of others are not compromised, and personal health and safety is ensured. The sensible use of alcohol using the health promotion agency standard drink guidelines is officially accepted at UniLodge Waitaha.

No glass bottles (excluding wine bottles*) these will be removed from site. This ban is strictly upheld across UC campus.

- Self-regulatory behaviour is expected around consumption and quantities purchased.
- Laws relating to underage drinking pertain to all aspects of on campus living.
- Host responsibility is important, and hosts will be held liable for guest damages to the flat/hall.
- The consumption of alcohol is NOT allowed in any non-designated public area (hallways, kitchens, TV lounges or on the grounds of UniLodge Waitaha).
- Spirits, kegs, crates, funnels, drinking games, casks, home-brewing kits, and liqueurs are not allowed anywhere onsite. The use of alcohol delivery services is strictly prohibited.
- Residents breaching the guidelines can expect to be brought to the attention of UniLodge Management who
 will then follow up.
- Empty vessels must be placed in recycling bins, not stored as trophies on your windowsill (kia kounga to noho! We have more class than this).
- Being grossly intoxicated on site is a breach of contract with severe consequences.
- Guests are not permitted to bring alcohol into UniLodge Waitaha.

Smoking and Vaping

Smoking and/or vaping are strictly prohibited on UniLodge Waitaha and University of Canterbury grounds. A breach of this will result in follow up from UniLodge Kaimahi | Staff.

If you find yourself struggling with a nicotine addiction, you can find support through:

Drugs/Drug Paraphernalia

Except in the case of medical prescriptions, the use of drugs and the storage of equipment to consume drugs is banned at UniLodge Waitaha and Te Whare Wānanga o Waitaha | University of Canterbury. Where a disciplinary process establishes that a resident has committed a breach of this policy, their contract will be terminated. This sanction may be reviewed through the appeals process outlined in the accommodation contract.

Legal Substances

At any given time, a substance can be classed as legal and yet it can have serious effects on your mental and physical health, some of which are not yet known. The legality of substances is something that can change suddenly because of the government passing laws. The fact that a substance has become illegal after you purchased it will not be accepted as an excuse by the law or by UniLodge or UC. While we recognise that some readily available substances are classed as legal, we cannot condone the use of these substances due to the unknown or potentially negative health effects they will have. Should any changes be made to current legislation relating to alcohol purchase and/or use, these will naturally apply automatically.

Cannabis is not permitted on site in any form.

^{*} Soju is not considered wine in this instance.

MAHERE OHOTATA | EMERGENCY PLANS

Safety, Security and Fire

Please ensure external doors are shut behind you after you come in. This is for the safety of you and your peers.

- To protect your belongings, it is crucial that you lock your door and windows whenever you are away from your room (even if just for a short time). It is also advisable that you lock your bedroom when you go to bed at night.
- Cleaners will lock your room once they have cleaned it, regardless of whether it was locked when they
 entered it.
- Fire safety requirements strictly prohibit the burning of candles or incense in the Hall buildings. All rooms are fitted with sensitive smoke alarms that can be easily set off by deodorant spray, hair straighteners and burnt toast, for example.
- Any fire callout caused through resident carelessness will be charged to the resident responsible.
- Fire Exits MUST NOT be used unless in an emergency. Any use will sound an alarm
- Students must not cover smoke detectors or sprinklers in their rooms/ common areas

Tampering with fire equipment/lifesaving systems in UniLodge Waitaha may result in cancellation of your residential contract.

Fire Alarms

It is a requirement that all students residing at UniLodge Waitaha know the fire evacuation protocol. Kaimahi will reinforce procedures at the start of the year. In the event of a fire alarm, leave the door of the room you are in unlocked but closed. Close your window if safe to do so. Calmly exit the building through the nearest emergency exit (know where the nearest emergency exit is). Assemble point and congregate with the members of your Kāhui. A roll call will be taken promptly.

- Do not re-enter a building with an alarm sounding once you have evacuated.
- Alert duty staff if anyone is sick and room bound or needs assistance exiting a building.
- If you know that someone is out of Residence, tell your Residential Advisor or a senior staff member.
- Please do not leave the evacuation area until the "all clear" has been given.

False Alarms

False fire alarms form the bulk of Whakaratonga Iwi | NZ Fire Service callouts. Each one has a cost to the taxpayer, UniLodge and UC. Whether accidental or malicious, there are circumstances where this can be charged to the individual who set it off. Some common activators of false alarms include Touching/tapping or knocking a detector in any way, steam from hair dryers and straighteners, excessive use of alcohol-based sprays and aerosols, smoke from burnt food.

Earthquakes

You may not be familiar with earthquakes; New Zealand does have a number of earthquakes per year, but these are usually small. However, you do need to be familiar with what to do in the event of an earthquake. You should drop, cover, and hold until the shaking stops and it is safe to leave the building. If you are out in the open move away from buildings or trees.

Lockdown

In the rare event of a lockdown at UniLodge Waitaha:

Remain indoors, draw curtains if can, keep away from windows, out of sight and low to ground, turn off lights, lock, and barricade door, stay quiet but alert, put cell phone on silent, calm breathing, await instructions and all clear. If possible, all key access will be suspended until lockdown has been cleared. Please make sure you download the UCGO app. https://www.canterbury.ac.nz/ucgo/

Emergency Preparedness

Kia rite, kia mataara - you should be prepared for an emergency. It is recommended that all residents have a small personal emergency kit that is kept in their room, containing the following.

- Emergency contact details
- Torch and spare batteries
- Sturdy pair of shoes Medications
- Hand sanitiser gel
- Bottles of water
- Snack
- Jacket or something warm
- Cell phone
- Mask

PŪRONGO TIAKI | CARE REPORTS

We are a community that cares!

Living in a Hall of Residence means you are surrounded by others on a similar journey to you. We look out for one another, respect one another and call out concerning behaviour. UniLodge will work with you to ensure our community is ok and foster a sense of mahitahi, togetherness.

MATES LOOK OUT FOR THEIR MATES!

Our Pūrongo Tiaki | CARE reports are an online form. You will see posters of QR codes linking you to this form around the Hall. This form is for reporting a concern about a current Resident in UniLodge

Waitaha. CARE reports should only include objective, observable, and information. We ask that you avoid labels, stereotypes, and reporting based on hearsay or mere assumptions. A staff member will review the information within two (2) business day and take appropriate action, which may or may not include contacting the student, you, and any witnesses identified. If you have questions about a report you filed, please call us. CARE reports are not reviewed outside of business hours or on university holidays.

Please note that in most cases we are UNABLE to provide an update to the person/s lodging this report due to several reasons.

All CARE reports are routed to the UniLodge management team and residential life staff.

Does the person you are creating a report pose a threat of harm to self or others? If yes, please call emergency services (111) and then the on-duty staff member.

If no, please proceed with the report below.

Resident Care Report

Are you worried or concerned about a fellow resident?

There are times where you might be worried or concerned about a fellow resident, friend, or community member. We encourage you to start a conversation. You don't need to be an expert to reach out - just a good friend and a great listener.

Start a conversation with these four steps:

- 1. Ask R U OK?
- 2. Listen
- 3. Encourage action
- 4. Check in*

Supporting you through health issues

UniLodge cares deeply about your health and wellbeing. If you present with health issues while you are living on campus, UniLodge will support you in assessing the issue and determining the best way forward in partnership with you and assist you in making those appropriate connections you need to get well.

The support we can offer ranges from ensuring that you have meals in your room to connecting you with external support or calling an ambulance. There are times where it is not possible for UniLodge staff to join you on your way to a health provider, but where possible we will contact a nominated person and see if they will support you.

Flat agreements

We strongly encourage you to work with your flatmates on creating a flat sharing agreement for the semester/year. This will lay out your expectations for each other for the year. Your Taurima will work with you on this and check in early in the term to see how you and your flat are adjusting.
