A celebration like no other
at Amara Signature Shanghai

Our dedicated team crafts
personalised celebrations
for every couple who
entrusts us with their big day.

A wide-angle photograph of a modern, pillar-less ballroom. The room features a large, patterned carpet with swirling blue, yellow, and grey tones. Several round tables are covered with light-colored, textured cloths. In the foreground, there are modern, dark-colored armchairs with light-colored cushions. The walls are finished with dark wood paneling. A large doorway on the right side of the image leads to another room, where rows of tables and chairs are visible, suggesting a dining or meeting area. The ceiling is recessed with small, circular lights.

Our pillar-less, six-metres high
Grand Ballroom,
adorned with dazzling crystal chandeliers,
can accommodate up to 45 tables.

Surprise your guests with

specialty crafted menus

that incorporate influences from local, Cantonese and Southeast Asian cuisines.

After your big celebration,
unwind with a bubble bath and champagne in our
