Splash Island Waterpark, World Travel Awards Finalist, Go Vote!

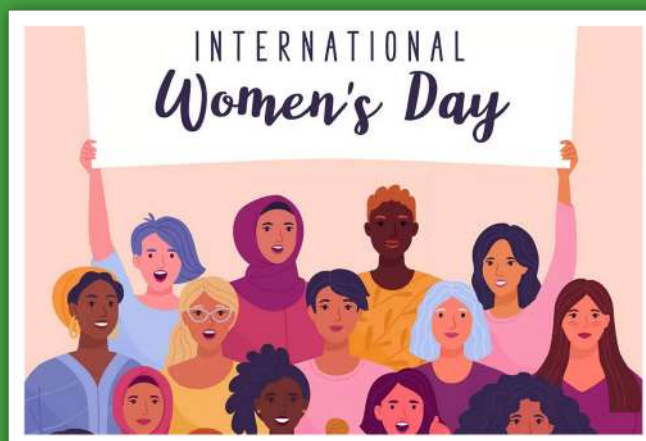

We have exciting news to share. Splash Island Waterpark St. Lucia has been shortlisted by the World Travel Awards as one of just four finalists for The Caribbean's Leading Water Park 2022.

The World Travel Awards are the ultimate Gold Standard for the industry, and we are honored to be a Finalist. Located on the Northwest coast of St. Lucia, on the popular Reduit Beach, Splash Island is the Caribbean's first open-water sports park. Established in August 2015, Splash Island has been the home of aqua fun activities for kids, families, groups, and weekend warriors who delight in the park's many obstacle-course style features. Splash Island St. Lucia's features include a trampoline, climbing wall, monkey bars, a swing, a slide, hurdles, flip, water volleyball and so much more.

We are honored to be a finalist and will be even more honored with a win. Help us secure this amazing award by voting here <https://bit.ly/3Kwsg89> . Voting ends May 03, 2022.

International Women's Day 2022

International Women's Day was celebrated on March 8, 2022, under the theme "Gender equality today for a sustainable tomorrow". Bay Gardens Resorts recognized key female contributors to the success of the operation who work in nontraditional feminine roles from farmers, fishers, and vendors. A small ceremony was held to thank them for their invaluable contribution.

Saint Lucia Launches Seamless Entry Protocol Updates

Travel to Saint Lucia just got so much easier. The Government of Saint Lucia has announced a more seamless update to their travel entry protocols.

The simplified entry process came into effect on Saturday March 5, 2022. All fully vaccinated visitors must provide proof of a negative rapid COVID-19 antigen test or rapid COVID-19 PCR test result obtained within one day of travel to enter Saint Lucia. Rapid antigen tests must be

administered by a healthcare provider. Additionally, all unvaccinated visitors to Saint Lucia must present proof of a negative RT-PCR COVID-19 test taken up within five days of entry in Saint Lucia. All travelers to Saint Lucia are required to register their health information and upload test results on the Saint Lucia Tourism Authority (SLTA) website prior to travel. On completion, users will receive an automatic “ready to go” email which eliminates the previous two-step approval process.

Featured Employee – Ms. Lize Clovis

Lize Clovis has been employed at Bay Gardens Marina Haven Housekeeping Department from the inception of operation in August of 2018. Her journey in the hospitality industry, however, began 15 years ago at this same location, formerly Palm Haven Hotel. Bay Gardens Resorts who ensured that there would be no reduction of staffing levels during the acquisition, kept their promise and has been delighted to have Ms. Clovis on the team.

For Lize, having clean fresh, wrinkle free linen is a major priority to meet the needs of guests and adds value to her position in the Housekeeping Department. Her skills as a landscaper, also aids in creating a personalized touch to welcome guests upon arrival with beautiful flowers nurtured by herself from the property.

She loves everything about her job and particularly enjoys her daily interactions with her fellow colleagues as well as meeting new people. Her most unforgettable moment at Bay Gardens Resorts, was receiving the heart of house award at the annual staff awards ceremony.

When off duty, she enjoys spending time in her garden and making floral arrangements. Bay Gardens Resorts looks forward to many more years with Ms. Clovis.

Reviewd by: Paulam093

Absolutely beautiful. The beachfront rooms are amazing. Going to sleep with the sound of the waves I love!! The decor classy chic. The beds are very comfortable. The staff are super polite and helpful. We feel very safe. The covid protocols are in place. The location is perfect. There are lots of restaurants nearby and a grocery store. The beach is beautiful here.

BAY GARDENS HOTEL

WONDERFUL ACCOMMODATIONS AND STAFF

Reviewed by: [Jamaican88](#)

We just returned from beautiful St. Lucia. Our stay at the Bay Gardens Hotel was everything we had hoped for. The Croton Suite kitchen had everything we needed to cook breakfast (we did not do the all-inclusive plan) and the living room and bedroom were quite comfortable. Air conditioning worked well. The housekeeping staff cleaned daily and did a great job. The property has 3 pools and one of the pools (with a waterfall) was a 20 step walk from our small patio. Cheryl, Austin, and all the front desk staff were incredibly helpful to help us with dinner reservations, scheduling our departure Covid tests and anything else we needed. The shuttle to the Beach Resort (5 minutes away) was frequent and drivers were friendly and helpful. The Bay Gardens Beach Resort did an informative orientation for new guests. The beach was beautiful and non-motorized and motorized sports were available. We tried Big Mabel the boat pulled couch and had a blast. I would certainly recommend this hotel and will be back!

BAY GARDENS INN

12 NIGHTS STAY, LOVELY

Reviewed by: [jcampbell2022](#)

Would like to say that the staff at Bay Gardens Inn were all lovely throughout the duration of our trip. Many a joke was shared. They were always available and helpful; everything was booked seamlessly (excursions). There's a very good variation of tasty food for all 3 meals a day at the hotel restaurant and a lot of restaurants within 5-10 minutes' walk. The rooms are perfectly fine, Air Conditioned, ours had a huuuuge bed, and cleaned daily if you wish. Thanks for having us!

BAY GARDENS MARINA HAVEN

GREAT PLACE TO STAY

Reviewed by: [j0nes54](#)

Arrived late evening to welcoming friendly staff. This continued for the whole 2 weeks. Customer service was spot on. Rooms were bright and clean all with a view on pool. Hotel in excellent location for walking out to nearby marina, shops etc. Friendly locals. Shuttle bus to sister hotels and beach but we walked quite often for some exercise. Quality and choice of food at meals and drinks far exceeded our expectations .

We will return when Friday night street party opens again!

Daryl the General manager sets the whole tone of the hotel for the staff with her visible presence and interaction with all guests. Covid guidelines were in place and felt very reassured.
