SPORTFISHING

Sportfishing in the Southern Pacific of Costa Rica is one of the most popular and attractive activities due to the rich marine biodiversity this area offers.

From the coast of the Osa Peninsula (Corcovado National Park) to the Golfito region, the South Pacific is a privileged place for sportfishing, surrounded by National Parks and waters with plenty species for all the fisher lovers.

Some of the species you can find in this area of Costa Rica include: Sailfish, Blue Marlin, Black Marlin, Stripe Marlin, Tuna.

The background image is a monochromatic teal photograph of a marlin leaping from the water. The fish is in mid-air, its long, pointed snout leading the way. Water splashes around its tail. In the background, the white structure of a boat is visible, slightly out of focus. The entire image is framed by a thin white border.
