SERVING THE ADKS SINCE 1917

The Brown Swan Club Construction Began in 1916 with the construction of the first building, a framed two story brown clapboard sided cottage named “Windemere.” The main building of the Brown Swan Club, where we are now, was added just to the west of Windemere Cottage. The first floor contained a reception desk and lounge at the entrance. The dining room occupied the left third of the building. The kitchen was located to the rear of the first floor. The second floor contained rental rooms and the third floor housed staff. The Brown Swan has proudly been serving Adirondack residents and guests for over 100 years.
