

BOW BUTTS

We bid you a very hearty Scottish welcome to Bow Butts. In 1418, on the grassy area you can still see outside of our windows, Scottish archers first stood side by side to hone their skills with the longbow and compete for the Silver Arrow - a symbol of skill, strength and perhaps too, a fierce loyalty to the Scottish Crown. From the grand halls of Highland castles to the misty battlefields where clansmen defended their honour, archers played a vital role in Scotland's storied past. Even in St Andrews, a town famed for learning and legend, archery was practised with precision, its history entwined with the traditions of Scotland's nobility.

Much like a well-crafted longbow, a fine whisky requires patience, expertise and respect for tradition. Whether you're a connoisseur or a curious traveller, our collection of rare and distinguished malts awaits. So settle in, raise a glass, and let the spirit of Scotland and its noble history embrace you. Slàinte!

CAMPBELTOWN WHISKIES

Once the “Whisky Capital of the World,” Campbeltown, on the Kintyre Peninsula, once had over 30 distilleries. Economic decline and Prohibition reduced this number to a few. Its whiskies are known for a maritime character, rich, oily textures, and a balanced mix of sweetness, smoke, and saltiness.

B————→

“Now I don’t know if you remember the first time you ever tasted whisky and the tremendous shock to the nervous system that is. In Scotland, this usually happens around the age of four.”

BILLY CONNOLLY
Scottish Comedian & Actor

HIGHLAND WHISKIES

Scotland's largest whisky region, the Highlands spans from Orkney to the central belt. Its whiskies vary widely, from light, floral southern styles to peaty, robust northern drams. With a rich whisky-making history, each distillery offers a unique take on the Highlands' often full-bodied and sometimes smoky character.

“The proper drinking of Scotch whisky is more than indulgence. It is a toast to civilization, a tribute to the continuity of culture, a manifesto of man's determination to use the resources of nature to refresh mind and body and enjoy to the full the senses with which he has been endowed.”

DAVID DAICHES

Scottish literary critic and historian.

ISLAY WHISKIES

The small island of Islay, off Scotland's west coast, is famed for its peaty, smoky whiskies with a distinctive maritime influence. Briny, bold, and salty, they are a favourite among smoky dram lovers. Islay has just nine distilleries, including legends like Laphroaig, Ardbeg, and Lagavulin.

LOWLAND WHISKIES

The Lowlands, in southern Scotland, produce light, delicate whiskies, among the most approachable single malts. Unlike Islay's smoky drams or Speyside's rich malts, Lowland whiskies highlight floral, grassy, and citrusy notes with a gentle sweetness and minimal peat, making them smooth and easy to enjoy.

SPEYSIDE WHISKIES

Speyside, in northeast Scotland, is known for smooth, elegant whiskies with minimal smokiness. They feature sweet notes of apples, pears, dried fruits, honey, and caramel, with subtle spices like cinnamon, nutmeg, and clove. This rich yet approachable style makes Speyside whiskies popular among enthusiasts worldwide.
