

# CERTIFIED SANITIZED

Infinity Bay Spa & Beach Resort number one priority is the health and safety of our teams, guests, partners and community. We are implementing new social distancing measures and safety standards on our restaurants, while providing an amazing and comfortable dining experience.

## What we are doing to protect against COVID -19

### Employee Wellness Screenings

All of our team members are screened at the beginning of each shift to check their temperature and ensure they are healthy and symptom-free

### Safety and Sanitation Coordinator

A team member will be assigned each shift to ensure all Healthy and Safety measures are strictly adhered to.

### Social Distancing in Restaurants

- Seated tables are separated by 6 feet
- Social Distancing signage and markers throughout property
- Dining Room capacity reduced to meet government mandates
- Encourage outdoor seating

### Cleaning and Sanitizing All Surfaces

We continually clean and sanitize our restaurants and high-touch areas using sanitizer that has been validated by the EPA to be effective against COVID-19

- **Handwashing** Team members are required to wash their hands every 15 minutes at minimum
- **Extra Sanitization Options for Customers** Touchless sanitizer stations throughout the restaurant and individual sanitizing wipes available upon request
- **Sanitized Utensils** will be provided in individual wrapping

### Employee ServSafe Education

All managers and chefs are Servsafe Certified and all team members have received their ServSafe Food Handlers cards

### Face Coverings

All staff will be required to wear cloth face coverings while working
