

Environment Policy Eastin Hotel Vientiane

Effective date: May 1st, 2025

At Eastin Hotel Vientiane, we are committed to operating our business in a responsible and sustainable manner. We recognize our responsibility to minimize the impact of our operations on the environment and to contribute positively to the community and the natural surroundings of Vientiane.

Our Commitment:

1

Energy Efficiency & Carbon Reduction :

- Reduce energy consumption through efficient equipment, regular maintenance, and staff training.
- Adopt energy-saving practices including smart lighting, air-conditioning management, and renewable energy initiatives where possible.

3

Waste Management & Recycling :

- Minimize single-use plastics and promote reusable or biodegradable alternatives.
- Segregate waste for recycling and safe disposal.
- Work with suppliers and partners to reduce packaging waste.

5

Biodiversity & Community Care:

- Support local environmental initiatives such as clean-up projects, tree planting, and community awareness programs.
- Protect local flora and fauna by ensuring our operations do not harm the natural environment.

2

Water Conservation:

- Implement water-saving technologies and regular monitoring to reduce consumption.
- Encourage guests to participate in towel and linen reuse programs.
- Ensure wastewater is treated responsibly before discharge.

4

Sustainable Procurement :

- Prioritize purchasing from local suppliers to reduce transport emissions and support the community.
- Use eco-friendly cleaning products and sustainable materials wherever possible.

63

Awareness & Engagement :

- Train and engage all employees in sustainable practices.
- Provide information to guests encouraging participation in our environmental initiatives.
- Regularly review and improve our sustainability practices.
